#### **BACKGROUND:**

Staff submits for Council consideration the following projects for LOI submission to the City of Muskogee Foundation (COMF)::

#### DEPOT DISTRICT DEVELOPMENT - \$800,000.00

Total project cost is \$1.2M. The request of the Foundation is for \$800,000.00 with a City match of \$160,000.00 (funded from designated trail funds) and an expected \$240,000.00 State grant. COMF funded design of the Depot District in 2016; this request is for the actual development costs of this urban park/gathering space.

#### PARK AND RECREATION MAINTENANCE FUND - \$100,000.00

Over the past several years, the City Muskogee Foundation has provided the resources to develop and renovate the City of Muskogee Parks system. Hundreds of thousands of dollars have been invested into playgrounds, splash pads, restrooms, trails and various park amenities. The Parks and Recreation Department would like to request an ongoing fund to support this investment in our park system. This request would provide funding for capital or extensive maintenance repairs to the park improvements made over the past several years. City resources are not always adequate to properly deal with unexpected repairs. The city will match this grant with approximately \$92,000 in city funding.

#### HATBOX HANGAR RENOVATIONS PHASE II - \$400,000.00

Hatbox renovations phase II would consist of renovating the "Box" hangar and "Hatbox Hall" (formerly the "Dance Building") for a better multi-purpose use. Once renovated this multiuse space will make Hatbox field more attractive for user groups, in particular the RV rally business. This indoor venue could be rented for use as exhibit halls or very large banquet-style gatherings. Once renovated Hatbox Field will become an ideal venue for a multi-state regional RV Rallies. These rallies potentially bring 300-500 motor homes for a five (5) to seven (7) day stay, with an estimated economic impact of \$2 million per rally.

Hatbox Hall is in need of restroom renovations to meet handicap accessibility standards. It too, will become a key part of attracting RV Rallies to Muskogee.

#### HATBOX LIVESTOCK SHOW ARENA - \$750,000.00

With completion of the hangar renovations as a new livestock show venue, the proposed Show arena would be a 100 x 120' metal building to serve as a "Show Arena". The building would have a dirt floor along with spectator seating, restrooms and concession area included. This new building would include heat for winter use and would be connected with covered walkways to the existing hangars.

#### MOBILE STAGE - \$150,000.00

This request is for a self-contained mobile stage for use by Parks and Recreation especially at Hatbox Field and Honor Heights Park, but also as a community stage - in particular growing multiple downtown events.

#### CITY-COUNTY STREET PROJECTS - \$375,000.00

This project is a partnership with the County for improvement projects for streets that have shared City/County right-of-way. The two (2) streets targeted with this project are South York Street from Peak Boulevard to Smith Ferry Road (\$100,000.00) and East Hancock Road from Gulick Street to Three Mile Road (\$275,000.00).

#### JUVENILE/ADULT COMMUNITY SERVICE PROGRAM - \$86,808.64

The City of Muskogee City Attorney's Office is re-applying for funding to continue operating an adult and juvenile community service program for those who have been criminally charged and adjudicated through our municipal court program.

The Juvenile program has been run for four (4) full years with great success. The adult program has been operational for three years and appears to be of great benefit. The City Attorney's Office would like to continue both, and is requesting authority ask for the following:

Total Request: \$86,808.64

#### COMMUNITY INTERVENTION CENTER - \$152,777.47

The City of Muskogee City Attorney's Office is applying for funding to continue operating a Community Intervention Center (CIC). The CIC is a community-based partnership of the juvenile justice system providers who maximize resources through coordination, direct communication and non-duplicative efforts into a safe and secure centralized facility for the temporary detainment for juvenile arrested by law enforcement for misdemeanor and felony offenses.

Total Request: \$50,925.83 City (Match)

\$152,777.47 COMF

#### HOUSING REHAB/NEIGHBORHOOD REVITALIZATION - \$300,000.00

Housing Rehabilitation and Neighborhood Revitalization Program in the amount of \$300,000 (up to \$20,000 per dwelling) for exterior repairs to owner occupied structures within the Original Townsite, continuance of existing program.

#### RESTORATION & BEAUTIFICATION GRANT - \$150,000.00

This \$150,000.00 grant request is to encourage practical, but architecturally appropriate design of building façade renovations within the downtown area. This program will be for exterior facades, signs, windows and other exterior improvements. This would be a matching grant program, with the cost share on a 75/25 percent basis at a maximum grant amount of \$10,000. Due to the number of previous applications received as part of the Downtown Multi-Grant Program, where applications far exceeded available funding, we are requesting additional funds for façade improvements.

#### DEMOLITION PROGRAM - \$200,000.00

\$200,000.00 is requested to demolish up to 60 structures and abate properties through code enforcement efforts. This grant will allow the City to use CDBG funds for needed infrastructure projects such as water, sewer, street and sidewalk improvements in place of demolition. The use of non-federal funds towards demolition will speed up our current demolition process and allow for removal of severely dilapidated houses in a more streamlined manner. The city will match this grant with \$50,000.

#### **RECOMMENDED ACTION:**

Approve request to submit Letters of Intent to City of Muskogee Foundation.

City 2018 LOI Proposals

#### 2018 LOI - DEPOT DISTRICT DEVELOPMENT - \$800,000

A vision for Depot District Development began years ago when AIM conducted a survey of Muskogee citizens and 92% of the respondents felt like developing cultural and arts opportunities are important. 46.8% of those surveyed said the preferred site of these cultural and artactivities would be our "Depot District".

In researching other cultural districts, a commonality is their inclusion of a gathering space or green space. The City already owns the property we will use to develop. With the assistance of the City of Muskogee Foundation in 2016, design firm PDG put our vision on paper. Each of the involved entities met with the planners and their input has been incorporated. The pieces of the project include erecting covered areas, landscaping, sidewalks, a water element, public restrooms, food truck accessibility and expansion of the current trail to Main Street. A growing number of runners, walkers and bicyclists use the trail as an entry and exit spot. The covered areas will lend themselves to groups wishing to gather before events or the creation of different events. The additional parking, along Elgin, would accommodate those groups. Plans include erecting an addition to the Three Rivers Museum on the East side to hold the renovated Trolley.

Project cost is \$1.2M. This request of the Foundation is for \$800,000 with a City match of \$160,000 (funded from designated trail funds) and an expected \$240,000 state grant.

#### 2018 LOI - PARK AND RECREATION MAINTENANCE FUND - \$100,000

Over the past several years, the City Muskogee Foundation has provided the resources to develop and renovate the City of Muskogee Parks system. Hundreds of thousands of dollars of been invested into playgrounds, splash pads, restrooms, trails and various park amenities. The Parks and Recreation Department would like to request an ongoing fun to support this investment in our park system. This request would provide funding for capital or extensive maintenance repairs to the park improvements made over the past several years. City resources are not always adequate to properly deal with unexpected repairs. The city will match this grant with existing city funds of more than \$30,000.

#### 2018 LOI - HATBOX HANGAR RENOVATIONS PHASE II - \$400,000

Hatbox renovations phase II would consist of renovating the "Box" hangar and "Hatbox Hall" (formerly the "Dance Building") for a better multi-purpose use. For safety reasons the large 18' tall steel doors with glass should be removed. The intent will be to replace these doors with overhead doors with an effort to replicate the architecture style of the airport hangar. By replacing the windows and doors, HVAC becomes feasible, making this unique 10,000 square foot building usable year around.

Once renovated this multiuse space will make Hatbox field more attractive for user groups, in particular the RV rally business. This indoor venue could be rented for use as exhibit halls or very large banquet-style gatherings. Once renovated Hatbox Field will become an ideal venue for a multi-state regional RV Rallies. These rallies potentially bring 300-500 motor homes for a 5-7 day stay, with and economic impact of \$2 million per rally.

Hatbox Hall is in need of restroom renovations to meet handicap accessibility standards. It too, will become a key part of attracting RV Rallies to Muskogee.

#### 2018 LOI - HATBOX LIVESTOCK SHOW ARENA - \$750,000

With completion of the hangar renovations as a new livestock show venue, the proposed Show arena would be a 100 x 120' metal building to serve as a "Show Arena". The building would have a dirtfloor along with spectator seating, restrooms and concession area included. This new building would include heat for winter use and would be connected with covered walkways to the existing hangars.

#### 2018 LOI - MOBILE STAGE - \$150,000

This request is for a self-contained mobile stage for use by Parks and Recreation especially at Hatbox Field and Honor Heights Park, but also as a community stage - in particular growing multiple downtown events.

#### 2018 LOI - CITY-COUNTY STREET PROJECTS - \$375,000

This project is a partnership with the County for improvement projects for streets that have shared City/County right-of-way. The two streets targeted with this project are South York Street from Peak Boulevard to Smith Ferry Road and East Hancock Road from Gulick Street to Three Mile Road.

South York Street from Peak Boulevard to Smith Ferry Road is in rough condition mainly due to variances in subgrade conditions causing a "roller coaster" type ride along with large potholes throughout. The county has agreed to partner on the project by completing the work with their forces and allowing the City to participate by splitting the overall costs 50/50. The plan will be to rework the subgrade and stabilize it prior to applying a two-inch asphalt overlay. This is area receives a significant number of complaints compared to other areas within the City. The total cost of this part of the project for the City's portion is \$100,000.

East Hancock Road from Gulick Street to Three Mile Road is a long stretch of roadway that ownership varies from City to County throughout. The plan is to repair all soft spots and overlay with two inches of asphalt. One bridge near Virginia Street that needs repair/replacement, which is wholly within the City limits. The cost for the bridge repair/replacement would be all City cost. This is another area that receives significant citizen complaints. Cost of this piece of the project for the City is estimated at \$200,000 for the street and \$75,000 for the bridge, with the City providing matching funds for the bridge.

The total amount requested for this grant is \$375,000 which when leveraged with the County's work will result in the completion of much needed repair on five miles of roadway

#### 2017 LOI - JUVENILE/ADULT COMMUNITY SERVICE PROGRAM - \$86,808.64

The City of Muskogee City Attorney's Office is re-applying for funding to continue operating an adult and juvenile community service program for those who have been criminally charged and adjudicated through our municipal court program.

The community service program has been managed by the City Attorney's office and the juvenile program has been operated by Muskogee County Council on Youth Services with funding provided by the foundation. Statistically, there are generally 30 new juvenile cases filed in our court per month. On either a plea or finding of guilty, the juvenile is assessed a range of 20 to 45 hours of community service depending on the nature of the charge. Juveniles must complete these hours before the juvenile being released from court supervision. Adults, on the other hand, are given the option to pay the fine or to work it off through community service. Many adults in this program are unable to pay the assessed fine, and as a result warrants are issued and the adult offender may spend several days sitting out his or her fine in jail by receiving credit of \$50 per day. This is not optimal as the City is charged per inmate per day for the housing and feeding. Not only is the City losing the revenue from the fine, but we are actually expending money to keep the inmate in jail. Continuing this program keeps offenders out of jail and allows the City to receive substantial benefit from cleaner roads, property, etc.

The Juvenile program has been run for four full years with great success. The adult program has been operational for three years and appears to be of great benefit. The City Attorney's Office would like to continue both, and is requesting authority ask for \$86,808.64 to fund this program.

#### 2018 LOI - CRISIS INTERVENTION CENTER - \$152,777.47

The City of Muskogee City Attorney's Office is applying for funding to continue operating a Community Intervention Center (CIC). The CIC is a community-based partnership of the juvenile justice system providers who maximize resources through coordination, direct communication and non-duplicative efforts into a safe and secure centralized facility for the temporary detainment for juvenile arrested by law enforcement for misdemeanor and felony offenses.

The City's funding comes from two sources: juvenile fines and juvenile alcohol fines. No additional contributions are allocated from the Office of Juvenile Affairs; however, the Board of County Commissioners does provide the room for center use at no cost.

Total Request: \$50,925.83 City (Match)

\$152,777.47 COMF

#### 2018 LOI - HOUSING REHAB/NEIGHBORHOOD REVITALIZATION - \$300,000

Housing Rehabilitation and Neighborhood Revitalization Program in the amount of \$300,000 (up to \$20,000 per dwelling) for exterior repairs to owner occupied structures within the Original Townsite, continuance of existing program.

#### 2018 LOI - RESTORATION & BEAUTIFICATION GRANT - \$150,000

This \$150,000 grant request is to encourage practical, but architecturally appropriate design of building façade renovations within the downtown area. This program will be for exterior facades, signs, windows and other exterior improvements. This would be a matching grant program, with the costshare on a 75/25 percent basis at a maximum grant amount of \$10,000. Due to the number of previous applications received as part of the Downtown Multi-Grant Program, where applications far exceeded available funding, we are requesting additional funds for façade improvements.

#### <u>2018 LOI – DEMOLITION PROGRAM - \$200,000</u>

\$200,000 is requested to demolish up to 60 structures and abate nuisance properties. This grant will allow the City to use CDBG funds for needed infrastructure projects such as water, sewer, street and sidewalk improvements in place of demolition. The use of non-federal funds towards demolition will speed up our current demolition process and allow for removal of severely dilapidated houses in a more streamlined manner. The city will pledge an additional \$50,000 as a match for this project.

#### **AGENDA ITEM TITLE:**

Discuss and provide City Council support for submission of Letters of Intent to the City of Muskogee Foundation for the upcoming grant cycle for these projects to be submitted by non-profits to the benefit of the City: \$101,000 Civil Air Patrol Building Rehabilitation; \$250,000 Animal Shelter Expansion; \$150,000 Main Street Muskogee Green Space Development. (Mike Miller)

#### **BACKGROUND:**

#### CIVIL AIR PATROL BUILDING REHABILITATION - \$101,000.00

\$101,000.00 is requested for needed electrical and plumbing updates as well as window and flooring replacement for the WWII barracks building at Muskogee-Davis Regional Airport grounds used by the Nighthawks Squadron of the Civic Air Patrol.

#### ANIMAL SHELTER EXPANSION - \$250,000.00

The project estimate is \$500,000.00, with half of that amount coming from the trust of private donor. This much-needed expansion project provides a new additional building that adjoins the existing shelter and provides 32-34 kennels, a vet office and surgical suite, and possibly a pet crematorium. The \$500,000 project cost would include city in-kind donations.

#### MAIN STREET MUSKOGEE GREEN SPACE DEVELOPMENT - \$150,000.00

This project will be a 25% / 75% matching project with the community raising 25% and the Foundation assisting with the remaining 75%. This project in what is currently known as the Hunt's Green Space will provide the first real outdoor gathering place complete with a band shell in our city and should become a favorite outdoor spot in downtown Muskogee.

#### **RECOMMENDED ACTION:**

Provide City Council support of non-profit project submissions to the City of Muskogee Foundation.

Council Support 2018 LOIs

#### 2018 LOI Proposals for Council Support from other Non-Profits:

#### CIVIL AIR PATROL BUILDING REHABILITATION - \$101,000

The Civil Air Patrol is an active youth-oriented organization that trains in aerospace and aids the community in disaster situations. The group's commitment to volunteer service is evident through the thousands of volunteer hours by its local members each year. For decades, this squadron has been house in a 4,000 sq. ft. building at Muskogee-Davis Regional Airport, which was built as barracks during WWII and is in desperate need of renovation. The building has been vacated due to its deficiencies and this CAP operation has been temporarily moved to the airport conference room, which is inadequate for their training and equipment needs. \$101,000 is requested for needed electrical and plumbing updates as well as window and flooring replacement. The non-profit for this project is the Civil Air Patrol Nighthawk Squadron.

#### ANIMAL SHELTER EXPANSION - \$250,000

Muskogee citizens have a strong community advocacy for shelter animals and the city's shelter enjoys a positive reputation for the care it provides. This much-needed expansion project provides a new additional building that adjoins the existing shelter and provides 32-34 kennels, a vet office and surgical suite, and possibly a pet crematorium. The project estimate is \$500,000, with half of that amount coming from the trust of a private donor. The non-profit for this project is Neighbors Building Neighborhoods.

#### MAIN STREET MUSKOGEE GREEN SPACE DEVELOPMENT - \$150,000

This project, in what is currently known as the Hunt's Green Space, will provide the first real outdoor gathering place complete with a band shell in our city and should become a favorite outdoor spot in downtown Muskogee. This project will be a 25% / 75% matching project with the community raising 25% and the Foundation assisting with the remaining 75%. The non-profit for this project is Main Street Muskogee.

Consider approval of a Professional Services Agreement with Michael S. Bates, Labor Relations Consulting Services of Tulsa, Oklahoma, to provide labor relations services to the City of Muskogee covering the timeframe of FY 2018/2019, as well as related employee/labor relations work as determined by the City, and authorize the City Manager to negotiate and execute the agreement, or take other necessary action. (Kelly Plunkett)

#### **BACKGROUND:**

Mr. Bates served in the position as the City of Muskogee Human Resources Director (part-time) from 2008 until August 2012 and subsequently, held the part-time Employee/Labor Relations Manager position from August 2012 until a Professional Services Agreement was approved in January of 2014. Mr. Bates has served as the City's chief negotiator and has earned the trust and established good working relationships with the Unions. The City would like to continue the ongoing relationships with the unions and continue to utilize Mr. Bates' expertise in providing consulting services for the negotiations and any possible arbitration(s) for fiscal year 2018/2019, as well as related employee/labor relations work as determined by the City.

There have been no fiscal changes to this agreement for this fiscal year. Charges for fiscal year 2016-2017 from Mr. Bates totaled \$13,073.62. Charges for Fiscal Year 2015-2016 amounted to a total of \$26,100.18. Charges for Fiscal Year 2014-2015 amounted to a total of \$18,020.67.

#### **RECOMMENDED ACTION:**

Approve the Professional Services Agreement with Michael S. Bates, Labor Relations Consulting Services of Tulsa, Oklahoma to provide labor relations services, not limited to negotiating and/or arbitrating bargaining agreements between the City of Muskogee and the International Association of Firefighters, and the Fraternal Order of Police, and authorize the Mayor and City Clerk to execute the agreement.

#### PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT made and entered into this \_\_\_\_\_\_ day of \_\_\_\_\_\_\_, 2018, and to be considered effective beginning February 12, 2018, by and between the City of Muskogee, a Municipal Corporation (hereinafter referred to as "City") and Michael S. Bates, Labor Relations Consulting Services of Tulsa, Oklahoma, (hereinafter referred to as "Consultant") and provides as follows:

WHEREAS, it is necessary to employ a professional consultant to negotiate and/or possibly arbitrate successor bargaining agreements between the City of Muskogee and the International Association of Fire Fighters and the Fraternal Order of Police (the "Unions" or "Bargaining Units") covering the timeframe of fiscal year 2018/2019 as well as other related employee/relations work as determined by City.

WHEREAS, the Consultant is a professional consultant capable of negotiating or arbitrating bargaining agreements between Unions and a City as well as performing other employee/relations work.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

- 1. <u>Scope of Work</u>. The Consultant agrees to provide consulting services to the City as follows:
  - 1.1 Provide expertise in strategy development and execution, planning and facilitation of employee/labor negotiations with the Unions to achieve finalized collective bargaining agreement between the City and the Unions.
  - 1.2 Provide oral and written reports as appropriate and/or as requested by the City.
  - 1.3 Perform other related employee/relations work as specified by the City.
- 2. <u>Consideration</u>. As consideration for the performance of the scope of work as set forth above, City agrees to pay Consultant the sum of ninety-five dollars (\$95) per hour for all documented hours worked whether at the City's facility or the office of the Consultant. Required travel time between Consultant's office and the City's facility are included as hours worked and shall be paid at the (half-time) rate of forty-seven and 50/100 dollars (\$47.50) per hour, billed in quarter hour increments. It is anticipated that the scope of work would reasonably require up to seventy five (75) hours (the "hours estimate") annually for each of the respective contract negotiations for the three (3) unions or a total of two hundred twenty five hours of work. Brief telephone communications between the City and Consultant to schedule negotiation sessions or to determine availability will not count towards incremental billing.

- 3. <u>Performance</u>. Consultant agrees to perform the scope of work as defined herein in a professional manner:
  - 3.1 Maintain the privacy and confidentiality of information.
  - 3.2 Perform said work in the manner that is most cost-efficient for the City.
  - 3.3 Adhere to applicable federal, state and local laws and regulations.
  - 3.4 Report to the City any known issues found not in compliance with other City policy.
- 4. <u>Extension</u>. Should the Consultant require time to complete the work that is in excess of the total hours estimate set forth in Section 2 above, the City and Consultant agree to negotiate in good faith for an extension of this Agreement to allow for the additional time needed by the Consultant, with due regard to the timetable for completion of Negotiations.
  - 5. Expenses. City agrees to pay expenses to the Consultant, including, but not limited to:
    - 5.1 Lodging as required, i.e., inclement whether, scheduling needs and/or work being performed for City. The choice of lodging facility is within the discretion of the City.
    - 5.2 All other expenses required and approved by the City for the Consultant to perform he scope of work described above.
    - 5.3 Mileage at the standard IRS rate (current Federal mileage rate) for all miles traveled between the Consultant's office and the City of Muskogee, related turnpike tolls and any other pre-approved travel that may be made strictly on behalf of the City.
- 6. <u>Payment</u>. Consultant will submit invoices that detail charges by month and include an itemization and brief explanation of all hours worked per day in no less than one-quarter hour (15 minutes) increments, and including mileage and any other reimbursable expenses covering that period subsequent to the previous invoice. To the extent possible and reasonable, the billing will also be divided and denote which bargaining unit was involved in relation to the particular work being invoiced. Payment for said services shall normally be made by the City within twenty-one (21) calendar days following receipt and acceptance of invoice amount.
- 7. <u>Default/Termination</u>. The agreement may be terminated by either party during the primary term, or any extension thereof, upon thirty (30) days written notice to the other party. Upon the City shall pay the Consultant for all work and services rendered, up to the time of the notice of termination, in accordance with the terms, limits and conditions of this Contract.

- 8. <u>Authority</u>. The parties agree that the Consultant shall have no authority to bind the City of Muskogee to any agreement terms or language in an ongoing collective bargaining or arbitration settlement process with either of the Unions. That authority is reserved exclusively with the City Manager and Council of the City of Muskogee, Oklahoma, unless specifically delegated to a designee as a result of action taken by the City Manager and/or Council in a valid meeting of the City Council of Muskogee, Oklahoma.
- 9. <u>Entire Agreement</u>. This Agreement constitutes the entire agreement and understanding between the Consultant and the City concerning services to be performed.

#### **AGENDA ITEM TITLE:**

Consider approval to accept the lowest and best bid from Key Equipment in the amount of \$47,759.00 for the purchase of Hydro Excavator/Valve Exerciser, or take any other necessary action. (Greg Riley)

#### BACKGROUND:

The 2018 budget included \$55,000.00 for the purchase of a Hydro Excavator/Valve Exerciser for the water distribution department. This equipment will allow for routine exercising of valves and hydro excavation of lines. The exercising of valves will keep them in better condition to be opened and closed during shutdowns for repairs. This will help us in areas where we have been needing to expand shutdown areas to get the water off due to stuck valves. It will also help us to identify problem valves. The hydro excavation portion of the machine will allow us to soft dig utility lines, greatly reducing the number of damaged lines in excavations.

Four bids were received as below: Key Equipment: \$47,759.00 E.H. Wachs: \$67,594.05 I.C.M.: \$57,089.00 Ditch Witch of Tulsa: \$66,008.31

Key Equipment has met or exceeded specifications and has the lowest and best bid.
