

SOMMER DR

An aerial photograph of a residential property. A yellow line outlines the perimeter of the property, which is adjacent to Sommer Dr. A blue line indicates the proposed location of a 5'5" safety fence, set 2 inches from the property line. The property contains a large house with a brown roof and a smaller structure with a white roof. There are trees and landscaping around the buildings.

5'5" Safety fence
for disabled child
with Autism
