	2010	2009	2008	2007
Valuation Year To Date	\$ 22,656,501.00	\$ 17,583,815.00	\$ 37,985,479.00	\$ 40,597,679.00
Revenue Year To Date	\$ 389,510.48	\$ 334,522.56	\$ 831,638.02	\$ 698,288.84

2010 Annual Budget	\$ 351,380.00
2010 YTD Actual	\$ 390,107.36
Difference	\$ 38,727.36

1) The \$920.88 difference is due to the additional calculation of Fire Permit Plan Review Fees which we do not account for in our Building Month End Reporting.

2) The city funded three permits in the month of September which total \$324.00; two permits were for the 2010 Happy Days and one permit was a demolition permit for the Wilson House.

FYI: If you subtract the \$324.00 from the \$920.88 you will get the \$596.88 difference reflected between the Revenue Year to Date and the 2010 YTD Actual.
