Section 4.2 Relationship Between this Agreement and the Purchase Agreement. In the event of a conflict between the terms of this Agreement and the terms of the Purchase Agreement, the terms of this Agreement control. If the HRA or Developer terminate the Purchase Agreement, this Agreement automatically terminates except as to terms and provisions that this Agreement expressly states survive termination. ARTICLE V

DEVELOPER'S CONSTRUCTION OF THE MINIMUM IMPROVEMENTS

Section 5.1 Required Approvals. Developer must obtain, in a timely manner, any governmental permits, licenses, approvals, consents or authorizations that are legally required in connection with the construction of the Minimum Improvements.

Section 5.2 Submission of Construction Plans. Developer must submit Construction Plans to the City for review and approval or disapproval on or before April 1, 2011. The Construction Plans must (a) provide for the construction of the Minimum Improvements on the Development Property and (b) must include at least the following: (1) a site plan; (2) a foundation plan; (3) a basement plan; (4) a floor plan for each floor; (5) cross sections of each floor (length and width); (6) elevations (all sides); (7) grading and drainage plans; and (8) a landscape plan.

Section 5.3 Review of the Construction Plans. The City must approve the Construction Plans in writing if: (a) the Construction Plans conform to the terms and conditions of this Agreement; (b) the Construction Plans conform to all applicable federal, state and local laws, ordinances, rules and regulations; (c) the Construction Plans are adequate for purposes of this Agreement to provide for the construction of the Minimum Improvements; and (d) no Event of Default under the terms of this Agreement has occurred; provided, however, that any such approval of the Construction Plans pursuant to this Section 5.3 constitutes approval for the purposes of this Agreement only and shall not be deemed to constitute approval or waiver by the City with respect to any building, zoning or other ordinances or regulations of the City. If the City rejects the Construction Plans the City must notify Developer, in writing, within thirty (30) days after Developer's submission of Construction Plans that satisfy the requirements of Section 5.2 or the City shall be deemed to have been approved the Construction Plans as submitted. If the City notifies Developer that the City is rejecting the Construction Plans, the notice must include a written statement specifying the respects in which the Construction Plans submitted by Developer fail to conform to the requirements of this Section 5.3. If the City rejects the Construction Plans in whole or in part, Developer must submit new or corrected Construction Plans within thirty (30) days after Developer's receipt of the City's rejection notice. The provisions of this Section 5.3 relating to approval, rejection and resubmission of corrected Construction Plans shall continue to apply until the City approves the Construction Plans; provided, however, Developer may not commence construction of the Minimum Improvements until the City has approved or is deemed to have approved the Construction Plans. Approval of the Construction Plans by the City shall not relieve Developer of any obligation to comply with the terms and provisions of this Agreement or the provision of applicable federal, state and local laws, ordinances and regulations, nor shall the City's approval of the Construction Plans constitute a waiver of any Event of Default. If Developer desires to make any material modification to the scope, size, appearance, value or use of the Minimum Improvements or to the Final Construction Plans after the City has approved the Construction Plans and before Developer has substantially completed the Minimum Improvements, Developer must submit a description of the proposed modification(s) and revised Construction Plans showing the proposed modification(s) to the City for its approval. If such material change in the Construction Plans conforms to the approval criteria listed in this Section 5.3 with respect to the original

Construction Plans, the revised Construction Plans shall be deemed approved unless the City notifies Developer that the City rejects the revised Construction Plans in writing within thirty (30) days after submission. If Developer desires to make any change which does not materially modify the scope, size, appearance, value or use of the Minimum Improvements, Developer is not obligated to resubmit the Construction Plans to the City for approval.

Section 5.4 Commencement and Completion of Construction of the Minimum Improvements. Developer must commence construction of the Minimum Improvements on or before the Commencement Date. The Developer is deemed to have commenced construction when the Developer has: (a) obtained all building permits from the City of Ramsey necessary for the construction of the Minimum Improvements; and (b) commenced work relating to the construction of the Minimum Improvements on the Development Property which work would constitute “the actual and visible beginning of the improvement on the ground,” as that phrase is used in Minnesota Statutes, Section 514.05 and interpreted by the Minnesota Courts. Developer must substantially complete the construction of the Minimum Improvements in accordance with the Final Construction Plans on or before the Completion Date. For purposes of this Agreement, the Minimum Improvements are substantially complete when they are eligible to receive a certificate of occupancy from the City. If Developer's commencement or completion of construction of the Minimum Improvements is delayed as a result of an Unavoidable Delay, Developer gives the City and the HRA notice of the Unavoidable Delay within thirty (30) days after the onset of the Unavoidable Delay and Developer uses all commercially reasonable efforts to commence and complete the construction of the Minimum Improvements as promptly as reasonably possible given the conditions causing the Unavoidable Delay, the Commencement Date and the Completion Date will be extend for a period of time equal to the duration of the condition causing the Unavoidable Delay plus a reasonable time for recovery and restoration following the cessation of such condition.

Section 5.5 Certificate of Completion. Developer shall notify the City when Developer has substantially completed construction of the Minimum Improvements. If the City determines that the Minimum Improvements have been constructed in substantial conformity with the Final Construction Plans and all uniformly applied local, state and federal laws and regulations (including, but not limited to, environmental, zoning, energy conservation, building code and public health laws and regulations), the City shall furnish to Developer a Certificate of Completion. Such Certificate of Completion shall be a conclusive determination of satisfaction and termination of Developer's obligation to construct the Minimum Improvements as set forth in Section 5.4. If Developer has completed the Minimum Improvements on or before the Completion Date, as the same may be extended pursuant to Section 5.4, the HRA will expressly acknowledge and agree in the Certificate of Completion that Developer has satisfied the conditions subsequent described in the Right of Reverter and that the Right of Reverter is terminated and is of no further force or effect.

ARTICLE VI

ESTABLISHMENT OF THE TAX INCREMENT DISTRICT

Section 6.1 Establishment of the Tax Increment District. The City proposes to create, approve and adopt a tax increment plan and a tax increment financing district that includes the

Development Property and that qualifies as a redevelopment district under the Tax Increment Act. The City is not obligated to create, approve and adopt the Tax Increment Plan the Tax Increment District and creation of the Tax Increment District is subject to all requirements of Minnesota law.

Section 6.2 Termination Right if TIF District Not Established. If the City has not created, adopted and approved the Tax Increment Plan and the Tax Increment District on or before February 1, 2011, any party may terminate this Agreement by written notice to the other two parties; provided, however, that if the City creates, approves and adopts the Tax Increment Plan and the Tax Increment District after February 1, 2011 but before a party exercises the termination right set forth in this Section 6.2, the termination right expires and the parties may not, thereafter, terminate this Agreement pursuant to this Section 6.2.

ARTICLE VII

TIF FINANCING

Section 7.1 Reimbursement. If, and only if, the City creates, adopts and approves the Tax Increment Plan and Tax Increment District as contemplated in Section 6.1, the City shall issue the TIF Note to reimburse Developer for the lesser of

- (a) \$2,000,000.00; or
- (b) the sum of all Eligible Costs Developer actually incurs and pays.

Section 7.2 Issuance of the TIF Note. If, and only if, (a) the City creates, adopts and approves the Tax Increment Plan and Tax Increment District as contemplated in Section 6.1 and (b) Developer (i) acquires the Development Property, (ii) substantially completes the Minimum Improvements, (iii) notifies the City that Developer has substantially completed the Minimum Improvements and is entitled to receive the Certificate of Completion described in Section 5.5; (iv) submits to the City invoices showing the Eligible Costs Developer actually incurred and for which Developer is seeking reimbursement; (v) submits to the City evidence, reasonable acceptable to the City, that Developer paid those invoices from a source or sources other than the proceeds of the City Loan; and (vi) Developer is not in default in the performance of Developer's obligations under this Agreement, the City will insert the amount established pursuant to Section 7.1 in the TIF Note, insert the interest rate as established pursuant to Section 7.3, execute and date the TIF Note and deliver the TIF Note to Developer

Section 7.3 Interest. As set forth in the TIF Note, the unpaid principal amount of the TIF Note shall bear simple, non-compounding interest from the date of issuance of the TIF Note at 6.25% per annum. Interest shall be computed on the basis of a 360 day year consisting of twelve (12) 30-day months. The principal amount of the TIF Note and the interest thereon shall be payable solely from the Tax Increments.

Section 7.4 Payments. On each TIF Note Payment Date and subject to the provisions of the TIF Note, the City shall pay, against the principal and interest outstanding on the TIF Note, the Tax Increments the City actually received during the preceding six months. All such

payments shall be applied first to pay accrued, unpaid interest and then to reduce the principal of the TIF Note.

Section 7.5 TIF Note Shall Be a Limited Obligation of the City. The TIF Note shall be a special and limited obligation of the City and not a general obligation of the City, and only Tax Increments shall be used to pay the principal of and interest accruing on the TIF Note.

Section 7.6 Conditions Subsequent. The City's obligation to make payments on the TIF Note on any TIF Note Payment Date or any date thereafter is conditioned upon the requirements that (i) there shall not be, at the time payment is due, any Event of Default that has occurred and is continuing; and (ii) the City shall not have canceled and rescinded the TIF Note pursuant to Section 14.2(c).

Section 7.7 Terms of the TIF Note. The TIF Note shall be governed by and payable pursuant to the additional terms thereof, as set forth in Exhibit B. In the event of any conflict between the terms of the TIF Note and the terms of this Article VII, the terms of the TIF Note shall govern. The issuance of the TIF Note pursuant and subject to the terms of this Agreement, and the taking by the City of such additional actions as bond counsel for the TIF Note may require in connection therewith, are hereby authorized and approved by the City.

ARTICLE VIII

CITY LOAN

Section 8.1 City Loan. To assist Developer with the construction of the Minimum Improvements, the City proposes to make a \$1,420,000.00 loan to Developer pursuant to the terms of the City Loan Agreement and the City Note. The City proposes to fund the City Loan with tax increments the City has collected from its Tax Increment District No. 1. The City cannot obligate itself and is not obligated to make the City Loan unless and until the City has held public hearings and adopted appropriate spending plans with respect to each of those tax increment districts and adoption of the spending plans is subject to all requirements of Minnesota law.

Section 8.2 Termination Right if Spending Plans Not Adopted. If the City has not held the necessary public hearings and adopted the necessary spending plans to allow the City to fund the City loan with tax increments the City has collected from its Tax Increment District No. 1 on or before February 1, 2011, any party may terminate this Agreement by written notice to the other two parties; provided, however, that if the City holds the necessary public hearings and adopts the necessary spending plans to allow the City to fund the City loan with tax increments the City has collected from its Tax Increment District No. 1 after February 1, 2011, but before a party exercises the termination right set forth in this Section 8.2, the termination right expires and the parties may not, thereafter, terminate this Agreement pursuant to this Section 8.2.

City and Developer must each execute the City Loan Agreement and must each deliver an original, executed City Loan Agreement to the other party, Developer must execute the City Note and deliver the City Note to the City and Developer must cause the Guarantor to execute the Guaranty and deliver the Guaranty to the City, all contemporaneously with the HRA's conveyance of the Development Property to Developer pursuant to the Purchase Agreement. In the event of a conflict between the terms of the City Note and the terms of this Development Agreement, the terms of the City Note control. In the event of a conflict between the terms of this Agreement and the terms of the City Loan Agreement, the City Loan Agreement controls.

Section 8.4 Fee in Lieu of Interest, Interest and Default Interest. The City Note does not obligate Developer to pay interest on the outstanding principal of the City Loan prior to April 1, 2024 provided Developer is not in default in the timely payment of any amounts due under the City Note. In lieu of non-default interest during that time period and as consideration for the extension of credit, the City will charge Developer and Developer agrees to pay a one-time fee of \$120,000.00. As set forth in the City Loan Agreement, the City will be deemed to have made a \$120,000.00 "Advance," to itself in full payment of this fee contemporaneously with the first "Advance" the City makes pursuant to the terms of the City Loan Agreement. If Developer has not repaid the City Loan, in full, before April 1, 2024, simple interest will accrue on the unpaid principal balance of the City Note from April 1, 2024 until the City Note is paid in full at the rate of 6.25% per annum unless the rate is increased pursuant to the following sentence as a result of Developer's default. If, at any time, Developer defaults in the timely payment of any amounts due under the City Note, the City gives Developer notice of the default and Developer does not cure the default within ten (10) business days of the effective date of the City's notice, interest shall accrue on the outstanding principal balance of the City Note from the date of the default through the date Developer cures all defaults under the City Note at the rate of twelve percent (12%) per annum.

Section 8.5 Repayment Terms. As set forth in the City Note, commencing on April 1, 2014 and continuing on each April 1 thereafter until April 1, 2029, Developer must pay to the City, in certified or wire transferred funds and for application to the outstanding principal and interest, if any, due under the City Note, an amount equal to 20% of the Net Cash Flow for the immediately preceding year. If, prior to April 1, 2029, Developer refinances a Construction Loan, Developer must make an additional payment to the City, for application to the outstanding principal due under the City Note, in an amount equal to 20% of the difference between the principal amount of the new Construction Loan and the amount of the outstanding principal and accrued, unpaid interest under the Construction Loan that is being refinanced. The preceding sentence applies each time Developer refinances a Construction Loan. Notwithstanding anything else in this Section 8.5, if Developer refinances a Construction Loan to obtain additional funds that are necessary to complete the initial construction of the Minimum Improvements, Developer is not obligated to pay to the City 20% of the amount of the new loan that Developer uses to pay costs of completing the initial construction of the Minimum Improvements. The entire outstanding principal amount of the City Loan and all accrued interest, if any, is due and payable in full upon the earlier of April 1, 2029 or a Sale of the Development Property.

Section 8.6 Limitations on Disbursements. As set forth in the City Loan Agreement, the City will not disburse any of the proceeds of the City Loan to Developer and the City's obligations to make the City Loan to Developer terminates if Developer does not commence

construction of the Minimum Improvements on or before June 30, 2011, and the City will only disburse proceeds of the City Loan on or before December 31, 2011 and only for costs of developing and constructing the Project that Developer has actually incurred on or before December 31, 2011. The City will not disburse proceeds of the City Loan to pay for Eligible Costs.

Section 8.7 Submission of Financial Information. On or before April 1, 2014 and on or before each April 1 thereafter until April 1, 2029, the Developer must provide the City with a statement from a certified public accountant setting forth the "Net Cash Flow," "Net Operating Expenses" and "Operating Expenses," as defined in the Development Agreement, for the immediately preceding calendar year and with such back-up documentation regarding income, expenses and debt service as the City may reasonably request to confirm the certified public accountant's calculation of "Net Cash Flow," "Net Operating Income" and "Operating Expenses." The certified public accountant who prepares the statement may be an employee of Borrower or an Affiliate of Borrower.

ARTICLE IX

CONTINGENCY FOR RAIL STOP

Section 9.1 Contingency for Rail Stop. At any time on or before January 28, 2011, the City or Developer may terminate this Agreement by written notice to the other and to the HRA and they are not comfortable that the City will secure a stop on the North Star Commuter Rail line and complete construction of a rail stop on or before July 1, 2012. Upon such termination, the parties will have no further rights or obligations to the other parties under this Agreement except with respect to rights or obligations that this Agreement expressly states are to survive the termination of this Agreement.

ARTICLE X

PARKING RAMP IMPROVEMENTS

Section 10.1 Parking Ramp Improvements. As a part of the City's construction of the Parking Ramp Addition, the City will cause its contractors to construct and install the additional improvements described on Exhibit H. Upon the City's completion of the additional improvements described on Exhibit H, Developer must reimburse the City for all costs and expenses the City incurs to construct and install the additional improvements described on Exhibit H.

ARTICLE XI

REAL ESTATE TAX PAYMENTS AND ASSESSMENT AGREEMENT

Section 11.1 Real Property Taxes. Developer agrees that prior to December 31, 2038:

(a) It will not seek administrative review or judicial review of the applicability of any tax statute relating to the taxation of all or any portion of the Development Property determined by any tax official to be applicable to the Development Property or

Developer or raise the inapplicability of any such tax statute as a defense in any proceedings, including delinquent tax proceedings; provided, however, "tax statute" does not include any local ordinance or resolution levying a tax;

(b) It will not seek administrative review or judicial review of the constitutionality of any tax statute relating to the taxation of all or any portion of the Development Property determined by any tax official to be applicable to the Development Property or Developer or raise the unconstitutionality of any such tax statute as a defense in any proceedings, including delinquent tax proceedings; provided, however, "tax statute" does not include any local ordinance or resolution levying a tax;

(c) It will not seek any tax deferral or abatement, either presently or prospectively authorized under any other State or federal law, of the taxation of all or any portion of the Development Property;

(d) It will not ask the County Assessor for or commence or participate in any legal or administrative process seeking a reduction in the assessed value of the Development Property for purposes of the ad valorem real estate taxes except that if, in any given year, the assessed value exceeds the assessed value set forth for that year in the Assessment Agreement, Developer may seek a reduction in the assessed value of the Development Property to any amount equal to or greater than the assessed value set forth for that year in the Assessment Agreement. If Developer seeks a reduction in the assessed value of the Development Property to any amount equal to or greater than the assessed value set forth for that year in the Assessment Agreement, Developer must first provide not less than thirty (30) days written notice to the City. In that event, the City will continue to make Tax Increment payments to Developer on the TIF Note Payment Dates, but the payments will be based on 85% of the tax increments that would have been derived from the Development Property based on the minimum market values set forth in the Assessment Agreement for the applicable time periods rather than on the Tax Increments, and the City will withhold the difference until such time as the City can determine the actual Tax Increments for the year in question based on the assessed value of the Development Property as finally determined upon the conclusion of Developer's attempts to have the assessed value reduced.

(e) It will pay, when due, all real property taxes due and payable with respect to the Development Property.

Section 11.2 Assessment Agreement. Contemporaneously with the HRA's conveyance of the Development Property to Developer, Developer will execute the Assessment Agreement, deliver the Assessment Agreement to the City and record the Assessment Agreement in the Anoka County land records. Developer must record the Assessment Agreement against title to the Development Property prior to the recording of any mortgage or other lien on the Development Property that Developer grants to third party or, if such third party mortgage or lien is recorded first, must obtain and record an instrument whereby the holders of such mortgage or lien acknowledge and agree that they and their successors and assigns are subject to the rights of the City under the Assessment Agreement.

ARTICLE XII

RESTRICTIONS ON ASSIGNMENTS AND TRANSFERS AND PRIORITY

Section 12.1 Prohibition against Transfer of the Development Property; Assignment of Development Agreement and Assignment of the TIF Note. Prior to Developer's substantial completion of the Minimum Improvements and the City's issuance of the Certificate of Completion described in Section 5.5, Developer may not, except as set forth in Section 12.2, convey; mortgage; lease, other than in the ordinary course of Developer's business; or otherwise transfer the Development Property or any part thereof or interest therein; may not assign its rights or obligations under this Development Agreement; and may not assign the TIF Note, without the prior written approval of the City, which approval the City may grant, withhold or condition in the City's sole and absolute discretion.

Section 12.2 Permitted Collateral Assignments. The City expressly approves Developer's granting of a Construction Mortgage and Developer's collateral assignment of Developer's rights and obligations under this Development Agreement and the TIF Note to the holder of the Construction Mortgage as additional security for the repayment of the Construction Loan; provided the holder of the collateral assignment of Developer's rights and obligations under this Development Agreement and the TIF Note agrees, in the collateral assignment, that upon enforcement of the collateral assignment and the assignees acquisition of Developer's rights and obligations under either this Development Agreement, the TIF Note or both, the assignee will be subject to and liable for the performance of each of Developer's obligations under this Development Agreement.

Section 12.3 Subordination of Development Agreement to Construction Mortgage and Extension of Time to Cure. The City and the HRA will, upon the request of the holder of a Construction Mortgage, execute and record a subordination agreement pursuant to which the City and the HRA agree that, upon a default by Developer under a Construction Mortgage, the holder of the Construction Mortgage may elect, in an instrument to be recorded in the Anoka County land records and delivered to the City and the HRA before the commencement of proceedings to foreclose the Construction Mortgage, to either (1) treat this Development Agreement as being subordinate to the lien of the Construction Mortgage such that the foreclosure of the Construction Mortgage and the failure of any owner or junior creditor to redeem the Development Property from such foreclosure will terminate this Development Agreement and the TIF Note; or (2) to treat this Development Agreement as having priority over the Construction Mortgage in which case this Development Agreement and the TIF Note will survive the foreclosure of the Construction Mortgage and this Development Agreement will be binding upon the holder of the Sheriff's Certificate issued in conjunction with the foreclosure of the Construction Mortgage. The City further agrees that if the holder of the Construction Mortgage elects to treat this Development Agreement as having priority over the Construction Mortgage and the City will, upon the completion of the foreclosure without redemption by Developer or any junior creditor, amend this Development Agreement to extend the time for the completion of the Minimum Improvements to a date 12 months following the expiration of all applicable redemption periods.

ARTICLE XIII

INDEMNIFICATION OF THE CITY AND THE HRA

Section 13.1 Indemnification of the City and the HRA. Developer agrees to defend the City, the HRA, their governing body members, officers, agents, including independent contractors, consultants and legal counsel, servants and employees (hereinafter, for purposes of this Section, collectively the "Indemnified Parties"); to hold the Indemnified Parties harmless from; and to indemnify the Indemnified Parties against any third party claims, demands, suits, actions or other proceedings ("Claims") arising or purportedly arising from the actions or inactions of Developer (or if other persons acting on its behalf or under its direction or control) (i) pursuant to this Development Agreement or (ii) in connection with the transactions contemplated hereby or the acquisition, construction, installation, ownership, and operation of the Development Property. The provisions of this Section 13.1 are intended to survive the termination of this Agreement.

ARTICLE XIV

DEVELOPER EVENTS OF DEFAULT

Section 14.1 Events of Default Defined. The following shall each be an "Event of Default" under this Agreement:

(a) Developer's default in the performance of one or more of Developer's obligations under the Purchase Agreement if the HRA gives any notice of default provided for in the Purchase Agreement and Developer fails to cure the default within any applicable cure period provided for in the Purchase Agreement.

(g) Developer's failure to perform Developer's obligations under Article XIII or Section 15.14 if the City or the HRA gives Developer notice of the default and Developer fails to cure the default within thirty (30) days after the effective date of the notice.

(a) The City and the HRA may suspend their performance under this Development Agreement and the City Loan Agreement until they

(i) receive assurances from Developer, deemed adequate by the City and the HRA, that Developer will cure the default and continue its performance under this Development Agreement, the City Loan Agreement, and the City Note; or

(ii) receive assurance from the holder of a Construction Mortgage, deemed adequate by the City and the HRA, that the holder of the Construction Mortgage will cure the default or, if the holder of the Construction Mortgage cannot cure the default

TAX INCREMENT REVENUE NOTE
(F&C DEVELOPMENT, INC. PROJECT)

The City of Ramsey, Minnesota (the "City"), hereby acknowledges itself to be indebted and, for value received, hereby promises to pay the amounts hereinafter described (the "Payment Amounts") to F&C Ramsey, LLC, an Indiana limited liability company (the "Developer") or any Successor Holder (as defined below), but only in the manner, at the times, from the sources of revenue, and to the extent hereinafter provided.

The principal amount of this Note shall equal from time to time the principal amount stated above, as reduced to the extent that such principal installments shall have been paid in whole or in part pursuant to the terms hereof; provided that the principal amount listed above shall in no event exceed \$2,000,000.00 as provided in that certain Development Agreement, dated as of _____, by and between the City and Developer, as the same may be amended from time to time (the "Development Agreement"). The unpaid principal amount of this Note shall bear simple, non-compounding interest from the date of issuance of this Note at 6.25% per annum Interest shall be computed on the basis of a 360 day year consisting of twelve (12) 30-day months.

The amounts due under this Note shall be payable on August 1, 2013, February 1, 2014 and on each August 1 and February 1 thereafter through and including February 1, 2039, or, if such date is not a Business Day (as defined in the Development Agreement), the next succeeding Business Day (the "Payment Dates"). On each Payment Date the City shall pay by check or draft mailed to the person that was Developer or a Successor Holder of this Note at the close of the last business day of the City preceding such Payment Date an amount equal to the sum of the Tax Increments (as defined in the Development Agreement) received by the City during the six month period preceding such Payment Date. All payments made by the City under this Note shall be applied first to pay accrued, unpaid interest and then to principal.

The Payment Amounts due hereon shall be payable solely from Tax Increments (as defined in the Development Agreement) from the Development Property within the City's Tax Increment Financing District No. 14 (the "Tax Increment District") within its Development District No. 1 which are paid to the City and which the City is entitled to retain pursuant to the provisions of Minnesota Statutes, Sections 469.174 through 469.1799, as the same may be amended or supplemented from time to time (the "Tax Increment Act"). This Note shall terminate and be of no further force and effect following the last Payment Date defined above,

on any date upon which the City shall have terminated the Development Agreement under Section 14.2 thereof, on the date the Tax Increment District is terminated, or on the date that all principal and interest payable hereunder shall have been paid in full, whichever occurs earliest.

The City makes no representation or covenant, express or implied, that the Tax Increments will be sufficient to pay, in whole or in part, the amounts which are or may become due and payable hereunder.

The City's payment obligations hereunder shall be further conditioned on the fact that no Event of Default under the Development Agreement shall have occurred and be continuing at the time payment is otherwise due hereunder, but such unpaid amounts shall become payable if said Event of Default shall thereafter have been cured prior to the termination of the Development Agreement. If as a result of the occurrence of certain Events of Default under the Development Agreement the City elects to cancel and rescind this Note, the City shall have no further debt or obligation under this Note whatsoever. Reference is hereby made to all of the provisions of the Development Agreement, including without limitation Article VII and Article XIV thereof, for a fuller statement of the rights and obligations of the City to pay the principal of this Note, and said provisions are hereby incorporated into this Note as though set out in full herein.

This Note is a special, limited revenue obligation and not a general obligation of the City and is payable by the City only from the sources and subject to the qualifications stated or referenced herein. This Note is not a general obligation of the City, and neither the full faith and credit nor the taxing powers of the City are pledged to the payment of the principal of this Note and no property or other asset of the City, save and except the above-referenced Tax Increments, as defined in the Development Agreement, as the same may be amended from time to time, or shall be a source of payment of the City's obligations hereunder.

This Note is issued by the City in aid of financing a project pursuant to and in full conformity with the Constitution and laws of the State of Minnesota, including the Tax Increment Act.

This Note may be assigned only to transferees permitted or deemed to be permitted pursuant to the Development Agreement (each such permitted successor is referred to as "Successor Holder"), and any permitted assignment of the rights and obligations of the Development Agreement shall be deemed to be an assignment of the benefits of Developer pursuant to this Note. In order to assign the Note, the assignee shall surrender the same to the City either in exchange for a new fully registered note or for transfer of this Note on the registration records for the Note maintained by the City. Each permitted assignee shall take this Note subject to the foregoing conditions and subject to all provisions stated or referenced herein.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions, and things required by the Constitution and laws of the State of Minnesota to be done, to have happened, and to be performed precedent to and in the issuance of this Note have been done, have happened, and have been performed in regular and due form, time, and manner as required by law; and that this Note, together with all other indebtedness of the City outstanding on the date hereof and on the date of its actual issuance and delivery, does not cause the indebtedness of the City to exceed any constitutional or statutory limitation thereon.

CITY NOTE

PROMISSORY NOTE

\$1,420,000.00

Ramsey, Minnesota
_____, 2011

FOR VALUE RECEIVED, F&C Ramsey, LLC, an Indiana limited liability company ("Borrower") promises to pay to the order of the City of Ramsey, Minnesota, a home rule charter city organized and existing under the constitution and laws of the State of Minnesota ("Lender") the principal sum of ONE MILLION FOUR HUNDRED TWENTY and 00/100 Dollars (\$1,420,000.00), or so much thereof as Lender has actually advanced to Borrower pursuant to the terms of that certain City Loan Agreement between Lender and Borrower of even date herewith (the "City Loan Agreement"), together with interest thereon as provided for in this Promissory Note. Borrower shall make payments to Lender at Ramsey Municipal Center, 7550 Sunwood Drive, Ramsey, Minnesota 55303, or at such other place as Lender may from time to time designate, in writing, in lawful money of the United States of America. Borrower, Lender and The Housing and Redevelopment Agreement Authority in and for the City of Ramsey, Minnesota, a public body politic and corporate under the laws of the state of Minnesota (the "HRA") are also parties to a Development Agreement dated _____, 2010 and recorded in the office of the Anoka County Registrar of Titles on _____, 2010, as Document No. _____ (the "Development Agreement"). Capitalized terms used in this Promissory Note and not defined herein have the meanings established for such terms in the Development Agreement.

Absent a default by Borrower in the timely payment of amounts due under this Promissory Note, no interest shall accrue on the outstanding amounts due under this Promissory Note until April 1, 2024. In lieu of non-default interest prior to April 1, 2024 and as consideration for the extension of credit, Lender is charging Borrower a one-time fee of \$120,000.00 as set forth in the City Loan Agreement. Commencing on April 1, 2024 simple interest will accrue on the unpaid principal balance of this Promissory Note at the rate of 6.25% per annum until this Promissory Note is paid in full. If, at any time, Borrower defaults in the timely payment of any amounts due under this Promissory Note, Lender gives Borrower notice of the default and Borrower does not cure the default within ten (10) business days of Lender's Notice, interest shall accrue on the outstanding principal balance of this Promissory Note from the date of the default through the date Borrower cures all defaults under this Promissory Note at the rate of twelve percent (12%) per annum.

Commencing on April 1, 2014 and continuing on each April 1 thereafter until April 1, 2029, Borrower must pay to Lender, in certified or wire transferred funds and for application to the outstanding principal and interest, if any, due under this Promissory Note, an amount equal to 20% of the Net Cash Flow, as defined in the Development Agreement, for the immediately

preceding calendar year. Commencing on April 1, 2014 and continuing on each April 1 thereafter until April 1, 2029, Borrower must also provide Lender with a statement from a certified public accountant setting forth the "Net Cash Flow," "Net Operating Expenses" and "Operating Expenses," as defined in the Development Agreement, for the immediately preceding calendar year and with such back-up documentation regarding income, expenses and debt service as Lender may reasonably request to confirm the certified public accountant's (who may be an employee of an affiliate of Borrower) calculation of "Net Cash Flow," "Net Operating Income," and "Operating Expenses."

In addition to the annual payments described in the preceding paragraph, if and each time Developer refinances a "Construction Loan," as defined in the Development Agreement, Developer must make an additional payment to the City, for application to the outstanding principal and accrued, unpaid interest, if any, due under this Promissory Note, in an amount equal to 20% of the difference between the principal amount of the new Construction Loan and the amount of the outstanding principal and accrued, unpaid interest under the Construction Loan that is being refinanced. Notwithstanding the foregoing, if Developer refinances a Construction Loan to obtain additional funds that are necessary to complete the initial construction of the Minimum Improvements, Developer is not obligated to pay the City 20% of the amount of the new loan that Developer uses to pay costs of completing the initial Construction of the Minimum Improvements.

The entire outstanding principal amount of this Promissory Note and all accrued interest, if any, is due and payable in full upon the earlier of April 1, 2029 or the date there is a "Sale of the Development Property," as defined in the Development Agreement.

Borrowers may prepay this Promissory Note, in whole or in part, at any time and, if in part, from time to time, during the entire term of this Promissory Note. All payments shall be applied first to the payment of accrued, unpaid late charges then to and accrued, unpaid interest, if any, with the balance, if any, applied to the reduction of principal.

This Promissory Note is the note referred to as the "City Note" in the Development Agreement and in the City Loan Agreement and is subject to the additional terms and conditions set forth in the Development Agreement, the City Loan Agreement and each of the "Loan Documents," as defined in the City Loan Agreement.

If a payment due hereunder is not made within five days after the date when due, Borrower shall pay to Lender a late payment charge of 5% of the amount of the overdue payment to compensate Lender for a portion of the cost related to handling the overdue payment. Failure to exercise any option provided herein shall not constitute a waiver of the right to exercise the same in the event of any subsequent default. Borrower agrees that if, and as often as, this Note is given to an attorney for collection or to defend or enforce any of Lender's rights hereunder, Borrower will pay to the Lender Lender's reasonable attorneys' fees together with all court costs and other expenses paid by Lender.

Borrower waives presentment, protest and demand, notice of protest, demand and of dishonor and nonpayment of this Promissory Note and any lack of diligence or delays in collection or enforcement of this Note. Borrower agree that this Promissory Note, or any

payment hereunder, may be extended from time to time, and Borrowers consent to the release of any party liable for the obligation evidenced by this Promissory Note, the release of any of the security for this Note, the acceptance of any other security therefore, or any other indulgence or forbearance whatsoever, all without notice to any party and without affecting the liability of Borrowers.

Borrowers represent and warrant to Lender that Borrower will use the proceeds of the loan evidenced by this Promissory Note solely for business purposes.

If Borrower defaults on the performance of one or more of Borrower's obligations under this Promissory Note or upon the occurrence of any other "Event of Default" (as defined in the Development Agreement or the City Loan Agreement), the entire outstanding principal balance hereof and all accrued interest and other amounts due hereon shall, at the option of the Lender, become immediately due and payable, without notice or demand, provided, however that if an Event of Default described in Section 8.1(h) of the City Loan Agreement occurs, all sums outstanding on this Note shall become immediately due and payable in full without notice or demand whatsoever.

THIS NOTE SHALL BE CONSTRUED UNDER AND GOVERNED BY THE LAWS OF THE STATE OF MINNESOTA, WITHOUT GIVING EFFECT TO CONFLICT OF LAWS OR PRINCIPLES THEREOF. WHENEVER POSSIBLE, EACH PROVISION OF THIS NOTE AND ANY OTHER STATEMENT, INSTRUMENT OR TRANSACTION CONTEMPLATED HEREBY OR RELATING HERETO, SHALL BE INTERPRETED IN SUCH MANNER AS TO BE EFFECTIVE AND VALID UNDER SUCH APPLICABLE LAW, BUT, IF ANY PROVISION OF THIS NOTE OR ANY OTHER STATEMENT, INSTRUMENT OR TRANSACTION CONTEMPLATED HEREBY OR RELATING HERETO SHALL BE HELD TO BE PROHIBITED OR INVALID UNDER SUCH APPLICABLE LAW, SUCH PROVISION SHALL BE INEFFECTIVE ONLY TO THE EXTENT OF SUCH PROHIBITION OR INVALIDITY, WITHOUT INVALIDATING THE REMAINDER OF SUCH PROVISION OR THE REMAINING PROVISIONS OF THIS NOTE OR ANY OTHER STATEMENT, INSTRUMENT OR TRANSACTION CONTEMPLATED HEREBY OR RELATING HERETO.

AT THE OPTION OF LENDER, THIS NOTE MAY BE ENFORCED IN MINNESOTA STATE COURT SITTING IN ANOKA COUNTY; AND BORROWERS CONSENT TO THE JURISDICTION AND VENUE OF SUCH COURT AND WAIVE ANY ARGUMENT THAT VENUE IN SUCH FORUM IS NOT CONVENIENT. IN THE EVENT BORROWERS COMMENCE ANY ACTION IN ANOTHER JURISDICTION OR VENUE UNDER ANY TORT OR CONTRACT THEORY ARISING DIRECTLY OR INDIRECTLY FROM THE RELATIONSHIP CREATED BY THIS NOTE, LENDER AT ITS OPTION SHALL BE ENTITLED TO HAVE THE CASE TRANSFERRED TO THE JURISDICTION AND VENUE ABOVE-DESCRIBED, OR IF SUCH TRANSFER CANNOT BE ACCOMPLISHED UNDER APPLICABLE LAW, TO HAVE SUCH CASE DISMISSED WITHOUT PREJUDICE.

EACH OF THE BORROWERS AND LENDER IRREVOCABLY WAIVE ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS NOTE OR ANY OF THE LOAN DOCUMENTS (AS DEFINED IN

THE LOAN AGREEMENT) OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Time is of the essence of this Note and each of the provisions hereof.

IN WITNESS WHEREOF, Borrowers have executed this Note as of the date first above written.

_____, 2011

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and to induce the City of Ramsey, Minnesota, a charter city organized and existing under the constitution and laws of the State of Minnesota (the "City"), to lend \$1,420,000 to F & C Development, Inc., an Indiana corporation (the "Developer") pursuant to the terms of that certain City Loan Agreement between the Developer and the City of even date herewith (the "City Loan Agreement") and the related Promissory Note executed by Developer in favor of the City of even date herewith (the "City Note"), the undersigned hereby absolutely and unconditionally guarantees to the City the full and prompt payment when due, whether at maturity or earlier by reason of acceleration or otherwise, all amounts payable by Developer to the City pursuant to the City Loan Agreement, the City Note, and all other Loan Documents (as defined therein), as the same may be amended, supplemented, restated, replaced or otherwise modified from time to time, whether such debt, liability or obligation now exists or is hereafter created or incurred, and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated, or joint, several or joint and several (all such debts, liabilities and obligations being hereinafter collectively referred to as the "Indebtedness").

The undersigned further acknowledges and agrees with City that:

1. No act or thing need occur to establish the liability of the undersigned hereunder, and no act or thing, except full payment and discharge of all indebtedness, shall in any way exonerate the undersigned or modify, reduce, limit or release the liability of the undersigned hereunder.

2. So long as any portion of the Indebtedness remains outstanding, the undersigned shall, on or before May 15 of each year, provide the City with a reviewed financial statement for the undersigned prepared by an independent accounting firm in accordance with generally accepted accounting principals, consistently applied. If, in any year, the undersigned's net worth is less than \$2,200,000.00 then the City shall have the right, upon ten (10) days written notice to Developer and the Developer's failure to provide a replacement guaranty from another individual or entity reasonably acceptable to the City and having a net worth of \$2,200,000.00 or more, as evidenced by a current reviewed financial statement for the replacement guarantor prepared by an independent accounting firm in accordance with generally accepted accounting principals, consistently applied, to declare the Indebtedness immediately due and payable, and the undersigned will forthwith pay to the City the full amount of all Indebtedness, whether due and payable or unmatured. If the undersigned voluntarily commences or there is commenced involuntarily against the undersigned a case under the United States Bankruptcy Code, the full amount of all Indebtedness, whether due and payable or unmatured, shall be immediately due and payable without demand or notice thereof.

3. The liability of the undersigned hereunder shall include accrued interest, all attorneys' fees, collection costs and enforcement expenses referable thereto. Indebtedness may be created and continued in any amount, whether or not in excess of such principal amount, without affecting or impairing the liability of the undersigned hereunder. The City may apply any sums received by or

available to the City on account of the Indebtedness from Developer, from their properties, out of any collateral security or from any other source to payment of the excess. Such application of receipts shall not reduce, affect or impair the liability of the undersigned hereunder.

4. The undersigned will pay or reimburse the City for all costs and expenses (including reasonable attorneys' fees and legal expenses) incurred by the City in connection with the protection, defense or enforcement of this guaranty in any litigation or bankruptcy or insolvency proceedings.

5. Whether or not any existing relationship between the undersigned and Developer has been changed or ended and whether or not this guaranty has been revoked, the City may, but shall not be obligated to, enter into transactions resulting in the creation or continuance of Indebtedness, without any consent or approval by the undersigned and without any notice to the undersigned. The liability of the undersigned shall not be affected or impaired by any of the following acts or things (which the City is expressly authorized to do, omit or suffer from time to time, both before and after revocation of this guaranty, without notice to or approval by the undersigned): (i) any acceptance of collateral security, guarantors, accommodation parties or sureties for any or all Indebtedness; (ii) any one or more extensions or renewals of Indebtedness (whether or not for longer than the original period) or any modification of the interest rates, maturities or other contractual terms applicable to any Indebtedness; (iii) any waiver or indulgence granted to Developer, any delay or lack of diligence in the enforcement of Indebtedness, or any failure to institute proceedings, file a claim, give any required notices or otherwise protect any Indebtedness; (iv) any full or partial release of, settlement with, or agreement not to sue, Developer or any other guarantor or other person liable in respect of any Indebtedness; (v) any discharge of any evidence of Indebtedness or the acceptance of any instrument in renewal thereof of substitution therefor; (vi) any failure to obtain collateral security (including rights of setoff) for Indebtedness, or to see to the proper or sufficient creation and perfection thereof, or to establish the priority thereof, or to protect, insure, or enforce any collateral security; or any modification, substitution, discharge, impairment, or loss of any collateral security; (vii) any foreclosure or enforcement of any collateral security; (viii) any transfer of any Indebtedness or any evidence thereof; (ix) any order of application of any payments or credits upon Indebtedness; (x) any election by the City under §1111(b) of the United States Bankruptcy Code.

6. The undersigned waives any and all defenses, claims and discharges of Developer, or any other obligor, pertaining to Indebtedness, except the defense of discharge by payment in full. Without limiting the generality of the foregoing, the undersigned will not assert, plead or enforce against the City any defense of waiver, release, discharge in bankruptcy, statute of limitations, res judicata, statute of frauds, anti-deficiency statute, fraud, incapacity, minority, usury, illegality or unenforceability which may be available to Developer or any other person liable in respect of any Indebtedness, or any setoff available against the City to Developer or any such other person, whether or not on account of a related transaction. The undersigned expressly agree that the undersigned shall be and remain liable for any deficiency remaining after foreclosure of any deed of trust or security interest securing Indebtedness, whether or not the liability of Developer or any other obligor for such deficiency is discharged pursuant to statute or judicial decision.

7. The undersigned waives presentment, demand for payment, notice of dishonor or nonpayment, and protest of any instrument evidencing Indebtedness. The City shall not be required first to resort for payment of the Indebtedness to Developer or other persons or their properties, or first to enforce, realize upon or exhaust any collateral security for Indebtedness, before enforcing this guaranty.

8. If any payment applied by the City to Indebtedness is thereafter set aside, recovered, rescinded or required to be returned for any reason (including, without limitation, the bankruptcy, insolvency or reorganization of Developer or any other obligor) the Indebtedness to which

such payment was applied shall for the purposes of this guaranty be deemed to have continued in existence, notwithstanding such application, and this guaranty shall be enforceable as to such Indebtedness as fully as if such application had never been made.

9. The liability of the undersigned under this guaranty is in addition to and shall be cumulative with all other liabilities of the undersigned to the City as guarantor or otherwise, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

10. The undersigned represents and warrants to the City that (i) the undersigned has full power and authority to make and deliver this guaranty; (ii) the execution, delivery and performance of this guaranty by the undersigned does not and will not violate the provisions of, or constitute a default under, any presently applicable law or any agreement presently binding on the undersigned; (iii) this guaranty has been duly executed and delivered by the undersigned and constitutes the undersigned's lawful, binding and legally enforceable obligation (subject to the United States Bankruptcy Code and other similar laws generally affecting the enforcement of creditors' rights); and (iv) the execution and delivery and performance of this guaranty does not require notification to, registration with, or consent or approval by, any federal, state or local regulatory body or administrative agency.

11. This guaranty shall be effective upon delivery to the City, without further act, condition or acceptance by the City, shall be binding upon the undersigned and the successors and assigns of the undersigned and shall inure to the benefit of the City and its participants, successors and assigns. Any invalidity or unenforceability of any provision or application of this guaranty shall not affect other lawful provisions and application hereof, and to this end the provisions of this guaranty are to be severable. This guaranty may not be waived, modified, amended, terminated, released or otherwise changed except by a writing signed by the undersigned and the City. The undersigned waives notice of the City's acceptance hereof and waives the right to a trial by jury in any action based on or pertaining to this guaranty.

12. This guaranty shall be construed according to the laws of the State of Minnesota in which state it shall be performed by the undersigned. The undersigned hereby consents to the personal jurisdiction of the state and federal courts located in the State of Minnesota in connection with any controversy related to this guaranty, waives any argument that venue in such forums is not convenient, and agrees that any litigation initiated by the undersigned against the City in connection with this guaranty may be venued in either the District Court of Anoka County, Minnesota or the United States District Court in Minnesota.

13. The undersigned represents, warrants, acknowledges and agrees that: (i) the undersigned will receive direct economic benefit from the loans and advances made by the City to Developer evidenced by the Indebtedness, (ii) the City is making advances to Developer in reliance upon this guaranty, and (iii) the undersigned has received reasonably equivalent value in return for the undersigned's execution and delivery of this guaranty.

14. The undersigned waives and relinquishes any right of subrogation or other right of reimbursement from the Developer or the Developer's estate and any other right to payment from the Developer or the Developer's estate, arising out of or on account of any sums paid or agreed to be paid by the undersigned under this guaranty, whether any such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured. The provisions of this paragraph are made for the express benefit of Developer as well as City and may be enforced independently by Developer.

15. The creation or existence from time to time of Indebtedness in excess of the amount to which the right of recovery under this Guaranty is limited is hereby authorized, without notice to the undersigned, and shall in no way affect or impair the rights of the Lender and the obligations of the undersigned under this Guaranty.

16. The undersigned hereby agrees to deliver to the City, as soon as available, and in any event within 120 days of the end of each calendar year, a sworn statement of the undersigned, in the form provided by City, and including, without limitation, a copy of the undersigned's annual internally-prepared financial statement and federal tax return in such form and detail as City may require.

IN WITNESS WHEREOF, this guaranty has been duly executed by the undersigned the day and year first above written.

AGREEMENT REGARDING COMMERCIAL SPACE

AGREEMENT REGARDING COMMERCIAL SPACE

1. **Parties.** The parties to this Agreement Regarding Commercial Space are The Housing and Redevelopment Authority in and for the City of Ramsey, Minnesota, a body politic and corporate under the laws of the State of Minnesota (the "HRA") and F&C Ramsey, LLC, an Indiana limited liability company (the "Developer").

2. **Recitals.**

2.1 **Recital One.** The HRA, the Developer and the City of Ramsey, Minnesota (the "City") are parties to a Development Agreement and to Purchase Agreement, each dated as of _____, 2010, pursuant to which the Developer has agreed to construct an approximately 230 unit, luxury, four-story, rental apartment project on property the Developer is purchasing from the HRA (the "Project").

2.2 **Recital Two.** The HRA has agreed to sell the Developer the property upon which the Developer will construct the Project and the City has agreed to provide the Developer with tax increment financing and a loan to help finance the construction of the Project, on terms that are intended to encourage and support the development of the Project; and

2.3 **Recital Three.** The Developer's original proposal for the Project did not include any retail space. The HRA believes that the inclusion of retail space in the Project would be beneficial to the overall COR ONE development, so, the HRA has agreed to enter into this Agreement with the Developer to induce Developer to include not less than 3,000 rentable square feet of retail space in the Project.

3. **Definitions.** Capitalized terms used in this Agreement and not otherwise defined herein have the following meanings:

"Additional Rent" means amounts that a tenant is obligated to pay directly or to pay to the Developer for real estate taxes, insurance premiums or customary operating costs (other than separately metered utilities) under the terms of a lease with the Developer for the Retail Space.

"Commencement Date" means the date the Developer obtains a Certificate of Occupancy for the residential portion of the Project.

"Gross Rent" means the rent due from a tenant to the Developer under a lease of the Retail Space in which the landlord is

responsible for the payment of real estate taxes, insurance premiums and customary operating costs other than separately metered utilities.

“Gross Rent Equivalent” means the sum of the rent a tenant is obligated to pay to the Developer plus any Additional Rent that a tenant is obligated to pay, under a lease with the Developer for the Retail Space in which the tenant is responsible for the payment of Additional Rent.

“Retail Space” means the approximately 3,000 square foot retail space located on the first floor of the Project.

“Retail Space Area” means the lesser of (a) the actual rentable square foot area of the commercial space or; (b) 3,300 square feet.

“Termination Date” means the day this Agreement terminates pursuant to Section 4.

4. **Term.** This Agreement is effective when it has been executed by both the HRA and the Developer. This Agreement terminates upon the earlier of: (a) the day immediately preceding the fourth anniversary of the Commencement Date; (b) the date the Developer leases the Retail Space for a term that extends beyond the day immediately preceding the fourth anniversary of the Commencement Date; provided that the average Gross Rent or Gross Rent Equivalent during the period between the first anniversary of the Commencement Date and the Termination Date is \$16.00 per square foot or more; or (c) the date the Developer conveys the Project to a third party. The provisions of Section 6 survive the termination of this Agreement.

5. **The Developer's Obligation to Rent the Retail Space.** Developer must use commercially reasonable efforts to lease the Retail Space to unrelated third parties.

6. **The HRA's Obligation to Pay Rent Shortfalls.** Within sixty (60) days following the Termination Date, the Developer must provide the HRA with the Developer's calculation of the difference between:

6.1 The product of (a) the Retail Space Area; and (b) \$48; and

6.2 The sum of all Gross Rents and Gross Rent Equivalent that all tenants of the Retail Space are obligated to pay under the terms of all prior and existing leases of the Retail Space for the period between the first anniversary of the Commencement Date and the day immediately preceding the fourth anniversary of the Commencement Date, whether or not the tenants have actually paid those amounts.

(the “Shortfall Amount”). The Developer must also provide the HRA with copies of leases and such other books and records of the Developer as the HRA may reasonably request to permit the HRA to confirm the accuracy of the Developer's calculation. The HRA may also contact current and former tenants of the Retail Space to confirm the accuracy of the information the Developer provides. Within ninety (90) days following the HRA's receipt of the materials described above,

the HRA must pay the Shortfall Amount to the Developer in wire transferred funds or notify the Developer that the HRA disputes the Developer's calculation of the Shortfall Amount. If the HRA notifies the Developer that the HRA disputes the Shortfall Amount, the HRA must provide the Developer with the HRA's calculation of the Shortfall Amount. Within thirty (30) days following the Developer's receipt of the HRA's calculation of the Shortfall Amount, the Developer must either notify the HRA that the Developer accepts the HRA's calculation of the Shortfall Amount, in which case the HRA must promptly pay such amount to the Developer, or the Developer must commence an action in Anoka County District Court seeking a judicial determination of the Shortfall Amount. If the Developer does neither during said thirty (30) day period, the Developer is conclusively deemed to have accepted the HRA's determination of the Shortfall Amount.

7. Restrictions on Leasing.

7.1 The Developer may not lease the Retail Space to a related party without the written consent of the HRA which consent the HRA may not unreasonable withhold or delay.

7.5 If the Developer leases the Retail Space to a tenant for a term that extends beyond the day immediately preceding the fourth anniversary of the Commencement Date, the Gross Rent or Gross Rent Equivalent that the tenant is obligated to pay during the year or years commencing on and following the fourth anniversary of the Commencement Date may not exceed the average Gross Rent or Gross Rent Equivalent that the tenant is obligated to pay during the period between (a) the later of the commencement date of the lease or the first anniversary of the Commencement Date and (b) the day immediately preceding the fourth anniversary of the Commencement Date by more than 5% per year.

7.6 The Developer may not enter into a lease of the Retail Space that obligates the Developer to provide the tenant with leasing incentives, including but not limited to, free rent, reduced rent or tenant improvements or tenant improvement allowances that exceed \$__ per square foot per year of the lease term without the written consent of the HRA which consent the HRA may grant or withhold in the HRA sole and absolute discretion.
