(763) 862-3470

2nd Estimate

7/28/11

Description: Remove 3" of height from front of city counsel desk.

Prepare site for cutting and removal of waste material

180.00

Entire process of removal and clean-up of granite top. Preparing cut area, and cutting inner wall, outer wall and two ends. Cleanup of cut and reinforcing if needed. Resetting and caulking granite top.

1440.00

Fabricate and Finish $\frac{3}{16}$ " +/- x 2" birch banding strip. Glue and Micro pin nail where granite meets wood to cover any cut irregularities.

480.00

General Site Cleanup

180.00

Total \$ 2280.00

Note: Depending on how granite is currently fastened, there is a slim chance of breaking during removal.
