Hi Josh,

The Bike Tour is a very favorable YES! Unfortunately I don't know of any groups at this time who would like to partner /co-sponsor this event. Maybe we can put it on the agenda for the next meeting (April 28th).

Kathy

Hey, this is Josh Underbakke from Hope Fellowship Church, I know that I haven't been at the meetings this year, but I was wondering how the Happy Days team feels about doing the Bike Tour again this year? If it's a favorable Yes, then I would like to know if there are any other groups or people that might want to help out. We would love to partner if other would like to get involved. Any Ideas would be helpful

Hi Everyone,

I just wanted to pass a note on to all that the next Happy Days Committee meeting is going to be on their new regular night – the 4th Thursday – April 28th at 5:30 p.m.

As you may recall Chairman Rick Chubb was recently appointed to the Park and Recreation Commission, they meet on the 2nd Thursday at 6:00 p.m. – which means that we had to pick a new day.

Please let me know if this is a concern for anyone and I will put it on the next agenda.

Thank you,

Kathy
