

Minnesota Department of Transportation State Aid for Local Transportation

395 John Ireland Boulevard, MS 500
Saint Paul, MN 55155

The 2011 Legislature approved \$10 million of state transportation bond funds in the Local Road Improvement Program (LRIP). These funds are used to assist townships, cities and counties in paying the costs of constructing or reconstructing local road projects with statewide or regional significance.

MnDOT State Aid for Local Transportation will be soliciting counties, cities, townships and other local agencies to submit projects eligible for funding under The Routes of Regional Significance Account of the LRIP for the FY 12/13 biennium **BEGINNING NOVEMBER 22, 2012.**

Criteria for submitting projects are:

- Projects must be approved for construction letting by June of 2013
- The road improvement must qualify as regionally significant
- The project must correct a transportation deficiency and incorporate a safety strategy as part of the proposed improvement project
- Funding is capped at \$500,000.

Please provide the following information for each local road project in your agency. You may submit more than one project:

1. **Application Form**
2. **Map showing project location and project limits.**
3. **Letters and county and city board resolutions of support.**

The 2011 LRIP Application is available at http://www.dot.state.mn.us/stateaid/sa_lrip11.html
