

Map created with ArcIMS - Copyright (C) LOGIS GIS 2005

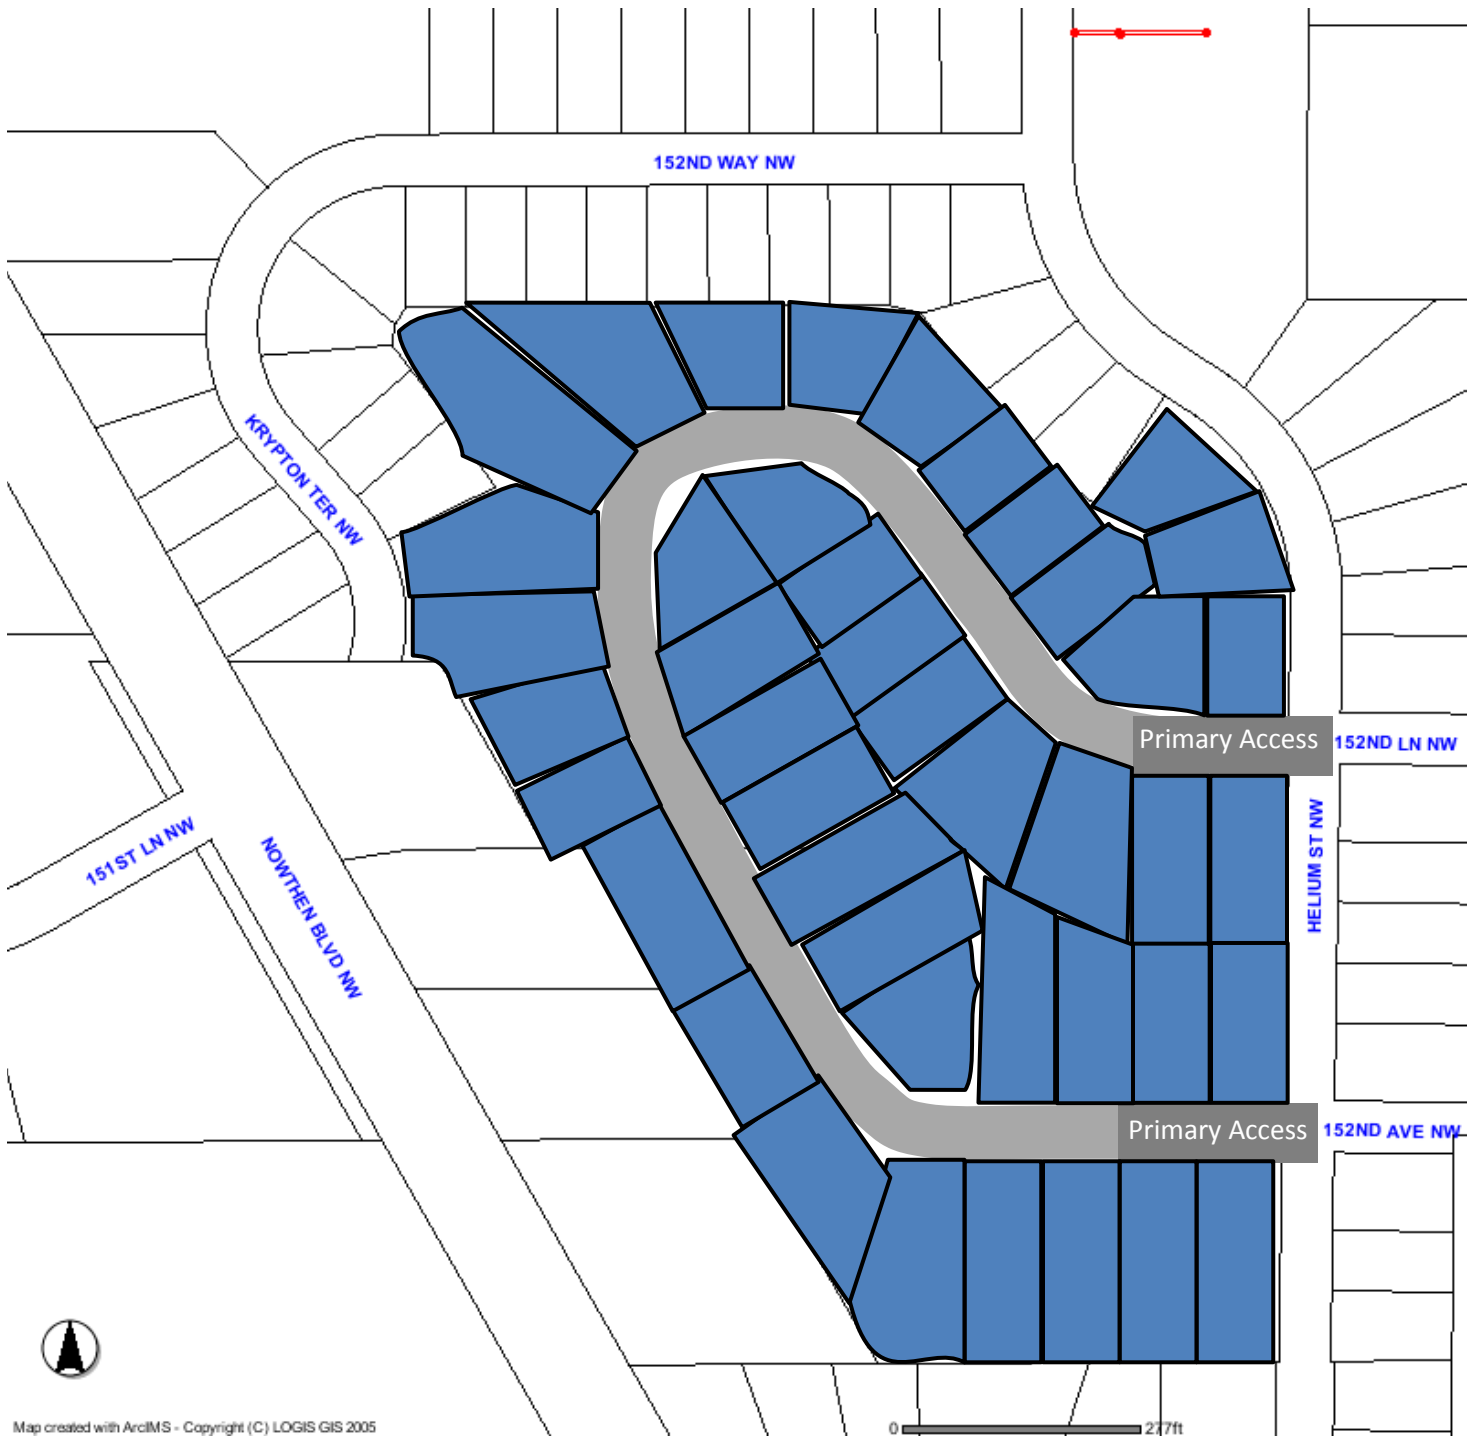

Single user approach: one building, two parcels:

- Please display square footage, # of parking stalls, screening at minimum 100ft
- Access from Nowthen BLVD only

Phased/two user approach: two buildings, two parcels:

- Please display square footage, # of parking stalls, screening at minimum 100ft
- Access from Nowthen BLVD for northern parcel, southern parcel access from Helium St.

Residential Approach, .25 minimum sized lots (.30 if possible)

- Please add a mock road(s) where appropriate from helium street only, planning prefers to have access align with 152nd Ave
- Would like to know the number of homes and length/width of street.
