
ENCROACHMENT AGREEMENT

THIS AGREEMENT (“Agreement”) is made this _____ day of _____, 20___, by and between the **CITY OF RAMSEY**, a municipal corporation under the laws of the State of Minnesota (“City”), and **Mark E. and Debra L. Lacross**, husband and wife, and their successors and assigns (“Landowner”).

RECITALS:

WHEREAS, Landowner is the fee owner of the real property located at 16901 Kamacite Street NW, Ramsey, Minnesota, and legally described as follows:

Lot 6, Block 2, Brookfield 4th Addition, according to the recorded plat thereof, Anoka County, Minnesota.

(“Property”); and

WHEREAS, the City currently has Drainage and Utility Easements (“Easements”) over, under and across a portion of the Property, as dedicated to the public pursuant to the Plat known as “Brookfield 4th Addition” recorded in the Office of the County Recorder, Anoka County, Minnesota; and

WHEREAS, Landowner seeks permission from the City to partially encroach upon the Easements to construct a fourteen foot by sixteen foot (14’ x 16’) deck (the “Deck”) off the rear wall of the home. The Deck will be located as shown on Exhibit “A”.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the parties agree as follows:

1. The City hereby approves an encroachment on and over the Easements by Landowner for the purposes of constructing a cantilevered Deck over that part of the Easements as shown in Exhibit "A" subject to the terms of this Agreement. The Deck footings cannot be within the Easements.

2. Landowner shall not expand the Deck in width, depth, or height unless approved in writing by the City. If the Deck is demolished, destroyed, or substantially replaced, any replacement deck shall not encroach upon the Easements without written consent of the City.

3. Nothing in this Agreement shall be deemed a waiver or abandonment of the City's rights under the Easements.

4. The Landowner is responsible for all costs relating to use, maintenance and repair of the Deck.

5. Landowner agrees that if the City, during its normal construction, reconstruction, maintenance and/or repair of the public utilities located within the Easements including, but not limited to, watermain, sanitary sewer and/or storm sewer systems, deems it necessary and expedient to excavate within the Easements, Landowner shall be responsible for removing, reconstructing and/or repairing that portion of the Deck within the Easements. The City's only obligation shall be to fill the excavated area and level the same to the grade that it was prior to the City's excavation. Notwithstanding the above, in the event the City finds it is necessary to completely restore the easement area, the Landowner agrees to remove that portion of the Deck that has been placed in the Easements. Landowner will promptly comply with said removal request at their expense and will remove the Deck within sixty (60) days of the written request by the City.

6. In the event that Landowner fails to take any action required in this Agreement and the City is required to repair, reconstruct or take other actions to maintain the City's utilities, as a result of the Landowner's use and maintenance of the Deck, the City may take any and all

actions permitted by law to collect the costs of those repairs and the City may further levy an assessment against the Property for all costs incurred by the City. Landowner waives any and all rights to challenge or appeal the assessment.

7. Landowner and his successors and assigns do hereby agree to defend, indemnify, and hold the City harmless from any and all costs and expenses, all claims and liability, including attorney's fees, relating to or arising from granting the Landowner permission to encroach on the Easements for the maintenance, use, and operation of the Deck, including third party claims against flooding issues that may occur due to filling within the drainage easement.
