Enclosed is our proposal for the towing, impounding and storage of vehicles for the Ramsey City and Police Department.

First Choice Towing and Recovery Inc. is a locally family owned and operated Ramsey Company. We take pride in trying to support our local business and the families of the community who have made us what we are today. Our strong local connections to the community and the residents of the city along with our well-trained staff that can provide the superior service they have come to expect. Have helped us become the fastest growing towing company in the area. We are extremely proud of the fact that most of our employees are actually residents of the City of Ramsey. This fact alone would definitely give us a huge advantage in response time to calls.

We are already the first choice for about 95 % of the Ramsey areas automotive businesses and all 3 of the areas dealerships. All of our success is due to our ongoing commitment to customer service. We would love the opportunity to serve the City of Ramsey, Police/Fire departments and provide the high quality service with quick response that our customers expect and you will appreciate.

If you have any further questions, please feel free to contact me.

Sincerely,

  
Scott Grams
