Ramsey, MN 55303

Chief Katers,

Enclosed is our proposal for the towing, impounding and storage of vehicles for the City of Ramsey.

We at North Star Towing are a community-oriented organization. We donate cars to the fire departments to cut up and supply cars to Anoka Technical College for their car classes. We are dispatched 24/7 from an on-duty dispatcher, from a non-wireless phone, with drivers who are professional, courteous, and knowledgeable. Our facility can store at least 200 vehicles outside and 5+ inside. Our regular business hours are 8 AM - 6 PM, Monday thru Friday, an 11 AM - 2PM, Saturday and Sunday. We have always provided the best service possible for the cities we service.

North Star Towing has done the towing for the City of Ramsey in the past for many years and we would greatly appreciate being of service to Ramsey again. A brochure of our vehicles and services is enclosed. If you or any council members have any further questions or would like to visit our facilities, please feel free to contact me.

Sincerely,

Judy L. Rolow
