RESOLUTION #15-08-206

A RESOLUTION ADOPTING FINDINGS OF FACT #0951 RELATING TO A REQUEST FROM MIDWEST OVERHEAD CRANE CORPORATION FOR A WAIVER FROM CITY CODE PAVING STANDARDS TO UTILIZE A CLASS V PARKING SURFACE ON THE PROPERTY LOCATED AT 13900 SUNFISH LAKE BLVD.

WHEREAS, the City of Ramsey (the “CITY”) received an application from the Midwest Overhead Crane Corporation requesting a waiver from City Code paving standards located on the property generally known as 13900 Sunfish Lake Blvd and legally described as follows:

Lot 1 Block 1 Ferrum Addition

(the "Subject Property")

NOW THEREFORE, BE IT RESOLVED BY THIS CITY COUNCIL OF THE CITY OF RAMSEY, ANOKA COUNTY, STATE OF MINNESOTA that the findings of fact relating to the request are determined to be as follows:

1. That on August 6, 2015, Midwest Overhead Crane Corporation, herein referred to as the “APPLICANT”, properly applied for a waiver from paving requirements to allow a Class V parking surface (the “Paving Surface”) on the Subject Property.
2. That the Subject Property is zoned E-2 Employment District; that the properties to the north and east are zoned E-1 Employment District; the property to the west is zoned E-2 Employment District and the property to the south (across the train tracks) is zoned H-1 Highway 10 Business District.
3. That the Subject Property is approximately 4 acres in size.
4. That City Code Section 117-116 (E-2 Employment District) permits open and outside storage as an accessory use of a property provided that (1) storage area is surfaced with concrete or bituminous and (2) the use does not take up required parking spaces or loading area.
5. That the CITY has waived the surfacing requirement in several instances within the Employment Districts due to potential damage from heavy equipment operation.
6. That the Paving Surface would be located on the south (rear), west and northwest portions of Subject Property.
7. That existing trees and brush on the northwest edge of the property will help screen the Paving Surface somewhat from McKinley St.

8. That the proposed use will/will not adversely affect the drainage plan for the area.
9. That the proposed use will/will not adversely impact traffic in the area.
10. That the proposed use will/will not be unduly dangerous or otherwise detrimental to persons residing or working in the vicinity of the use or to the public welfare.
11. That the proposed use will/will not substantially adversely impair the use, enjoyment, or market value of neighboring properties.
12. That the proposed use will/will not be hazardous or disturbing to existing or future neighboring uses.
13. That the proposed use will/will not be served adequately by public facilities and services such as highways and streets.
14. That the proposed use will/will not create excessive additional requirements at public cost for public facilities and services, and it will/will not be detrimental to the economic welfare of the community.
15. That the proposed use will/will not involve activities and uses that will be detrimental to any persons, property, or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare, or odors.
