Dear Mr. Riemer,

Thank you very much for having the mural wall from Dan Laws' home and BBQ brought to us. It is already on display in our Exhibit Hall.

For legal reasons, I need a couple of signatures from someone with the City of Ramsey, and we were given your name as the right person to contact for this. Having the Deed of Gift helps us make sure we can trace the custody of the items in our collection, which is an important part of their history.

I have enclosed two things with this letter: a thank-you letter for your records, with a brief description of the wall; and two copies of our Deed of Gift form, one for your records and one for us. If you could take a moment to review and sign those, I would appreciate it. I've also included a stamped return envelope so you can return the form to us easily.

Please do not hesitate to contact me at 763-421-0600 if you have any questions about this process or about the Historical Society. If you come across any other historical materials that ACHS might be a good home for, we would be glad to take a look at those as well.

Best,
