Mike Lynch

**Join us for a night of starwatching with
WCCO Radio's Mike Lynch!**

We will start our night with Mike's Minnesota Starwatch orientation at twilight. Once we learn the basics, we will go outside to see the constellations and hear some great stories. Using some of the largest telescopes in Minnesota, we will get up close views of planets, star clusters, galaxies and other wonders. Mike will even teach the basics of celestial photography.

All participants will receive a booklet of star maps and constellation charts, websites, a telescope buying guide and more.

Be ready to explore the stars and spend the evening outside!

Registration required—suggested donation of \$10 per participant.
In case of clouds or rain, we will do a "virtual stargazing" program and participants will receive a "cloud check" to visit a future program (at any location) for free.

The City of Ramsey is committed to incorporating pollinator-friendly practices into our community and to creating, restoring and protecting pollinator habitat.

You can help! Welcome pollinators into your yard with your very own bee house. Rumriver Art Center instructors will lead you step-by-step through this class, as you use broken china dishes to decorate a new home for these special pollinators in your garden or yard.

PROGRAMMING QUESTIONNAIRE

- What would you like to see the City offer in terms of recreation programs?
 - “Introduction to _____ type sports programs. I'd like to introduce my young children to different sports without the long time commitment and expense that is found with the athletic associations...I have taken my children over to Andover previously, for these types of programs, but I would prefer to stay in my community.”
 - “Movies in the park and continued art in the park events (those are so fun!), pet friendly events would be nice, too.”
 - “I would like to see fitness and nutrition education classes offered. These classes are normally expensive at some of the big box fitness clubs.”
 - “Anything outdoors, yoga, exercise classes”
 - “What you have started with is awesome! Movies?”

PROGRAMMING QUESTIONNAIRE

- What would you like to see the City offer in terms of recreation programs?
 - “Family and child based programs! Ramsey is growing leaps and bounds, but unfortunately is very limited in it's parks and recreational activities. Variety of day Camps, family nights out in the park. Improvements on the park systems. A splash pad would be amazing (we frequent the Champlin or Otsego one)! A recreational center (YMCA) as I currently drive to the Y in Elk River or Andover. I live in Ramsey, but unfortunately have to support businesses and programs in the other cities because Ramsey is so lacking in family/child oriented programs and facilities.”
