ARTICLE III

UNDERTAKINGS BY DEVELOPER AND CITY

Section 3.1. Site Improvements. The parties agree that the installation of the Site Improvements are essential to the successful completion of the Project. The costs of the construction of Site Improvements shall be paid by the Developer. The City shall reimburse the Developer for the lesser of \$250,000 for the costs of the construction of Site Improvements actually incurred and paid by the Developer (the "Reimbursement Amount"), as further provided in Section 3.3 hereof.

Section 3.2. Limitations on Undertaking of the City. Notwithstanding the provisions of Section 3.1, the City shall have no obligation to the Developer under this Agreement to reimburse the Developer for the costs identified in Section 3.1, if the City, at the time or times such payment is to be made, is entitled under Section 4.2 to exercise any of the remedies set forth therein as a result of an Event of Default which has not been cured.

Section 3.3. Reimbursement.

(1) The City shall reimburse the Developer the Reimbursement Amount in three installments of \$83,333 each; the first installment to be paid one year after the date the certificate of occupancy is issued by the City; the second installment two years after the date the certificate of occupancy was issued; and the third installment three years after the date the certificate of occupancy was issued. Prior to the payment of the first installment the Developer shall submit paid invoices of \$250,000 for Site Improvement costs.

(2) The obligation to pay the Reimbursement Amount shall be paid solely from funds held by the City in the EDA fund of the City and shall not constitute a full faith and credit obligation of the City.

Section 3.4. Business Subsidies Act.

(1) In order to satisfy the provisions of Minnesota Statutes, Sections 116J.993 to 116J.995 (the "Business Subsidies Act"), the Developer acknowledges and agrees that the amount of the "Business Subsidy" granted to the Developer under this Agreement is \$250,000 which is the Reimbursement Amount for the installation of the Site Improvements and that the Business Subsidy is needed because the Project is not sufficiently feasible for the Developer to undertake without the Business Subsidy.

(2) The creation of jobs has been determined not to be a goal of the City for the Project pursuant to Minnesota Statutes, Sections 116J.993 to 116J.995 and the City has held a public hearing and set the wage and job goals at zero.

(3) The Developer shall provide the City with information about the Project as requested by the City so that the City can satisfy the reporting requirements of Minnesota Statutes, Section 116J.994, Subd. 8.

(4) The Developer agrees to continue operations within the City for at least five (5) years after the benefit date, which is the date the Developer completes construction of the Project (the "Benefit Date").

(5) There are no other state or local government agencies providing financial assistance for the Project other than the City.

(6) There is no parent corporation of the Developer.

(7) The Developer certifies that it does not appear on the Minnesota Department of Employment and Economic Development's list of recipients that have failed to meet the terms of a business subsidy agreement.

Section 3.5. Real Property Taxes. Prior to the Termination Date, the Developer shall pay all real property taxes payable with respect to all and any parts of the Development Property acquired and owned by it until the Developer's obligations have been assumed by any other person pursuant to the provisions of this Agreement.

The Developer agrees that prior to the Termination Date:

(1) It will not seek administrative review or judicial review of the applicability of any tax statute relating to the ad valorem property taxation of real property contained on the Development Property determined by any tax official to be applicable to the Project or the Developer or raise the inapplicability of any such tax statute as a defense in any proceedings with respect to the Development Property, including delinquent tax proceedings; provided, however, "tax statute" does not include any local ordinance or resolution levying a tax;

(2) It will not seek administrative review or judicial review of the constitutionality of any tax statute relating to the taxation of real property contained on the Development Property determined by any tax official to be applicable to the Project or the Developer or raise the unconstitutionality of any such tax statute as a defense in any proceedings, including delinquent tax proceedings with respect to the Development Property; provided, however, "tax statute" does not include any local ordinance or resolution levying a tax;

(3) It will not seek any tax deferral or abatement, either presently or prospectively authorized under Minnesota Statutes, Section 469.1813, or any other State or federal law, of the ad valorem property taxation of the Development Property between the date of execution of this Agreement and the Termination Date.

(4) The Developer will not seek a reduction in the market value as determined by the County Assessor of the Project or other facilities, if any, that it constructs on the Development Property, pursuant to the provisions of this Agreement, for so long as the Agreement remains outstanding.

(3) The holder of any mortgage on the Development Property or any improvements thereon, or any portion thereof, commences foreclosure proceedings as a result of any default under the applicable mortgage documents.

(4) If the Developer shall:

(a) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under the United States Bankruptcy Act of 1978, as amended or under any similar federal or state law; or

(b) make an assignment for the benefit of its creditors; or

(c) admit in writing its inability to pay its debts generally as they become due;
or

(d) be adjudicated a bankrupt or insolvent; or if a petition or answer proposing the adjudication of the Developer as bankrupt or its reorganization under any present or future federal bankruptcy act or any similar federal or state law shall be filed in any court and such petition or answer shall not be discharged or denied within sixty (60) days after the filing thereof; or a receiver, liquidator or trustee of the Developer, or of the Project, or part thereof, shall be appointed in any proceeding brought against the Developer, and shall not be discharged within sixty (60) days after such appointment, or if the Developer, shall consent to or acquiesce in such appointment.

Section 4.2. Remedies on Default. Whenever any Event of Default referred to in Section 4.1 occurs and is continuing, the City, as specified below, may take any one or more of the following actions after the giving of thirty (30) days' written notice to the Developer, but only if the Event of Default has not been cured within said thirty (30) days:

(1) The City may suspend its performance under this Agreement until it receives assurances from the Developer, deemed adequate by the City, that the Developer will cure its default and continue its performance under this Agreement.

(2) The City may cancel and rescind the Agreement.

(3) The City may take any action, including legal or administrative action, in law or equity, which may appear necessary or desirable to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 4.4. No Implied Waiver. In the event any agreement contained in this Agreement should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Agreement to Pay Attorney's Fees and Expenses. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement or performance or observance of any obligation or agreement on the part of the Developer herein contained, the Developer agrees that it shall, on demand therefor, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Indemnification of City.

(1) The Developer (a) releases the City and its governing body members, officers, agents, including the independent contractors, consultants and legal counsel, servants and employees (collectively, the "Indemnified Parties") from, (b) covenants and agrees that the Indemnified Parties shall not be liable for, and (c) agrees to indemnify and hold harmless the Indemnified Parties against, any claim, cause of action, suit or liability for loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect in the Project or on the Development Property.

(2) Except for any willful misrepresentation or any willful or wanton misconduct of the Indemnified Parties, the Developer agrees to protect and defend the Indemnified Parties, now and forever, and further agrees to hold the aforesaid harmless from any claim, demand, suit, action or other proceeding whatsoever by any person or entity whatsoever arising or purportedly arising from the actions or inactions of the Developer (or other persons acting on its behalf or under its direction or control) under this Agreement, or the transactions contemplated hereby or the acquisition, construction, installation, ownership, and operation of the Project.

(3) All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any governing body member, officer, agent, servant or employee of the City.

ARTICLE V

DEVELOPER'S OPTION TO TERMINATE AGREEMENT

Section 5.1. The Developer's Option to Terminate. This Agreement may be terminated by the Developer, if (i) the Developer is in compliance with all material terms of this Agreement and no Event of Default has occurred; and (ii) the City fails to comply with any material term of this Agreement, and, after written notice by the Developer of such failure, the City has failed to cure such noncompliance within ninety (90) days of receipt of such notice, or, if such noncompliance cannot reasonably be cured by the City within ninety (90) days, of receipt of such notice, the City has not provided assurances, reasonably satisfactory to the Developer, that such noncompliance will be cured as soon as reasonably possible.

Upon termination of this Agreement pursuant to this Article V, the Developer shall be free to proceed with the Project at its own expense and without regard to the provisions of this Agreement; provided, however, that the City shall have no further obligations to the Developer with respect to reimbursement of the expenses set forth in Section 3.2.
