REPRESENTATIONS AND WARRANTIES

Section 2.1. Representations and Warranties of the City. The City makes the following representations and warranties:

(1) The City is a municipal corporation and has the power to enter into this Agreement and carry out its obligations hereunder.

(2) The Tax Increment District is a "redevelopment district" within the meaning of Minnesota Statutes, Section 469.174, Subdivision 10, and was created, adopted and approved in accordance with the Special Legislation.

(3) The development contemplated by this Agreement is in conformance with the development objectives set forth in the Development Program.

(4) To finance certain costs within the Tax Increment District, the City proposes, subject to the further provisions of this Agreement, to apply Tax Increments to reimburse the Developer for acquisition of the Development Property and a portion of the costs of the construction of certain of certain Site Improvements incurred in connection with the Project as further provided in this Agreement.

(5) The City makes no representation or warranty, either expressed or implied, as to the Development Property or its condition or the soil conditions thereon, or that the Development Property shall be suitable for the Developer's purposes or needs.

Section 2.2. Representations and Warranties of the Developer. The Developer makes the following representations and warranties:

(1) The Developer is a Washington limited liability company and has the power and authority to enter into this Agreement and to perform its obligations hereunder and doing so will not violate its articles of organization, member control agreement or operating agreement, or the laws of the State and by proper action has authorized the execution and delivery of this Agreement.

(2) The Developer shall cause the Project to be constructed in accordance with the terms of this Agreement, the Development Program, the City Development Agreement, and all applicable local, state and federal laws and regulations (including, but not limited to, environmental, zoning, energy conservation, building code and public health laws and regulations).

(3) The construction of the Project would not be undertaken by the Developer, and in the opinion of the Developer would not be economically feasible within the reasonably foreseeable future, without the assistance and benefit to the Developer provided for in this Agreement.

(4) The Developer will use its best efforts to obtain, or cause to be obtained, in a timely manner, all required permits, licenses and approvals, and will meet, in a timely manner, all requirements of all applicable local, state, and federal laws and regulations which must be obtained or met before the Project may be lawfully constructed.

(5) Neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of this Agreement is prevented, limited by or conflicts with or results in a breach of, the terms, conditions or provision of any contractual restriction, evidence of indebtedness, agreement or instrument of whatever nature to which the Developer is now a party or by which it is bound, or constitutes a default under any of the foregoing.

(6) The Developer will cooperate fully with the City with respect to any litigation commenced with respect to the Project.

(7) The Developer will cooperate fully with the City in resolution of any traffic, parking, trash removal or public safety problems which may arise in connection with the construction and operation of the Project.

(9) The Developer acknowledges that Tax Increment projections contained in the Tax Increment Financing Plan are estimates only and the Developer acknowledges that it shall place no reliance on the amount of projected Tax Increments and the sufficiency of such Tax Increments to reimburse the Developer for a portion of the costs of the acquisition of the Development Property and the construction of the Site Improvements as provided in Article III.

ARTICLE III

UNDERTAKINGS BY DEVELOPER AND CITY

Section 3.1. Project. The parties agree that the acquisition of the Development Property and the installation of the Site Improvements are essential to the successful completion of the Project. The costs of the Project shall be paid by the Developer. The City shall reimburse the Developer for the actual costs of acquisition of the Development Property and the Site Improvements actually incurred and paid by the Developer in an amount as determined as follows: the amount to be reimbursed shall equal (a) 80% of the actual cost of the construction of the Public Improvements designated as Segment A-1 and Segment C-1 as described in the City Development Agreement; plus (b) 100% of the actual cost of the construction of the Public Improvements designated in Segment C-2 as described in the City Development Agreement; less (c) \$58,000 (the "Reimbursement Amount"), as further provided in Section 3.3.

Section 3.2. Limitations on Undertaking of the City. Notwithstanding the provisions of Section 3.1, the City shall have no obligation to the Developer under this Agreement to reimburse the Developer for the costs identified in Section 3.1, if the City, at the time or times such payment is to be made, is entitled under Section 4.2 to exercise any of the remedies set forth therein as a result of an Event of Default which has not been cured.

Section 3.3. Reimbursement: TIF Note. The City shall reimburse the Developer the Reimbursement Amount through the issuance of the City's TIF Note in substantially the form attached to this Agreement as Exhibit B, subject to the following conditions:

(1) The TIF Note shall be dated, issued and delivered when (i) the Developer shall have demonstrated in writing to the reasonable satisfaction of the City that the construction of the Project and the Public Improvements have been completed; and (ii) that the Developer has incurred and paid all costs of acquisition of the Development Property and the construction of Site Improvements, as described in and limited by Section 3.1 and shall have submitted paid invoices for the costs of construction of the Site Improvements and a settlement statement or other evidence of payment of the costs of the Development Property in an amount not less than the Reimbursement Amount.

(2) The unpaid principal of the TIF Note shall bear simple non-compounding interest from the date of issuance of the TIF Note, at 4.50% per annum. Interest shall be computed on the basis of a 360 day year consisting of twelve (12) 30-day months.

(3) The principal amount of the TIF Note and the interest thereon shall be payable solely from the Tax Increments.

(4) On each Note Payment Date and subject to the provisions of the TIF Note, the City shall pay, against the principal and interest outstanding on the TIF Note, any Tax Increments received by the City during the preceding 6 months. All such payments shall be applied first to accrued interest and then to reduce the principal of the TIF Note.

(5) The TIF Note shall be a special and limited obligation of the City and not a general obligation of the City, and only Tax Increments shall be used to pay the principal and

interest on the TIF Note. If, on any TIF Note Payment Date, the Tax Increments for the payment of the accrued and unpaid interest on the TIF Note are insufficient for such purposes, the difference shall be carried forward, without interest accruing thereon, and shall be paid if and to the extent that on a future TIF Note Payment Date there are Tax Increments in excess of the amounts needed to pay the accrued interest then due on the TIF Note.

(6) The City's obligation to make payments on the TIF Note on any Note Payment Date or any date thereafter shall be conditioned upon the requirements that: (A) there shall not at that time be an Event of Default that has occurred and is continuing under this Agreement and (B) this Agreement shall not have been rescinded pursuant to Section 4.2.

(7) The TIF Note shall be governed by and payable pursuant to the additional terms thereof, as set forth in Exhibit B. In the event of any conflict between the terms of the TIF Note and the terms of this Section 3.2, the terms of the TIF Note shall govern. The issuance of the TIF Note pursuant and subject to the terms of this Agreement, and the taking by the City of such additional actions as bond counsel for the TIF Note may require in connection therewith, are hereby authorized and approved by the City.

Section 3.4. Execution of Assessment Agreement. Simultaneously with the execution of this Agreement, the Developer and the City shall execute an Assessment Agreement pursuant to the provisions of Minnesota Statutes, Section 469.177, Subdivision 8, specifying the Assessor's Minimum Market Value for the Development Property and the Project for calculation of real property taxes. Specifically, the Developer shall agree to a market value for the Development Property and the Project which will result in a market value as of January 2, 2019 of not less than \$20,760,000 until December 31, 2039 (such minimum market value at the time applicable is herein referred to as the "Assessor's Minimum Market Value"). Nothing in the Assessment Agreement shall limit the discretion of the Assessor to assign a market value to the property in excess of such Assessor's Minimum Market Value. The Assessment Agreement shall remain in effect until the earlier of (i) December 31, 2039; or (ii) the date of termination of this Agreement. The Assessment Agreement shall be certified by the Assessor for the County as provided in Minnesota Statutes, Section 469.177, Subdivision 8, upon a finding by the Assessor that the Assessor's Minimum Market Value represents a reasonable estimate based upon the plans and specifications for the Project to be constructed on the Development Property and the market value previously assigned to the Development Property. Pursuant to Minnesota Statutes, Section 469.177, Subdivision 8, the Assessment Agreement shall be filed for record in the office of the county recorder or registrar of titles of the County, and such filing shall constitute notice to any subsequent encumbrancer or purchaser of the Development Property (or part thereof), whether voluntary or involuntary, and such Assessment Agreement shall be binding and enforceable in its entirety against any such subsequent purchaser or encumbrancer, including the holder of any mortgage recorded against the Development Property.

Section 3.5. Real Property Taxes. Prior to the Termination Date, the Developer shall pay all real property taxes payable with respect to all and any parts of the Development Property acquired and owned by it until the Developer's obligations have been assumed by any other person pursuant to the provisions of this Agreement.

The Developer agrees that prior to the Termination Date:

(1) It will not seek administrative review or judicial review of the applicability of any tax statute relating to the ad valorem property taxation of real property contained on the Development Property determined by any tax official to be applicable to the Project or the Developer or raise the inapplicability of any such tax statute as a defense in any proceedings with respect to the Development Property, including delinquent tax proceedings; provided, however, "tax statute" does not include any local ordinance or resolution levying a tax;

(2) It will not seek administrative review or judicial review of the constitutionality of any tax statute relating to the taxation of real property contained on the Development Property determined by any tax official to be applicable to the Project or the Developer or raise the unconstitutionality of any such tax statute as a defense in any proceedings, including delinquent tax proceedings with respect to the Development Property; provided, however, "tax statute" does not include any local ordinance or resolution levying a tax;

(3) It will not seek any tax deferral or abatement, either presently or prospectively authorized under Minnesota Statutes, Section 469.1813, or any other State or federal law, of the ad valorem property taxation of the Development Property between the date of execution of this Agreement and the Termination Date.

(4) It may seek through petition or other means to have the market value for the Development Property reduced. Until the TIF Note is fully paid, such activity must be preceded by written notice from the Developer. Upon receiving such notice, or otherwise learning of the Developer's intentions, the City may suspend payments due under the TIF Note until the actual amount of the reduction is determined, whereupon the City will make the suspended payments less any amount that the City is required to repay the County as a result any reduction in market value of the Development Property. During the period that the payments are subject to suspension, the City may make partial payments on the TIF Note if it determines, in its sole and absolute discretion, that the amount retained will be sufficient to cover any repayment which the County may require. The City's suspension of payments on the TIF Note pursuant to this Section shall not be considered a default under this Agreement.

ARTICLE IV

EVENTS OF DEFAULT

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean whenever it is used in this Agreement any one or more of the following events:

(1) Failure by the Developer to timely pay any ad valorem real property taxes assessed and special assessments or other City charges with respect to the Development Property.

(2) Failure by the Developer to cause the construction of the Project to be completed pursuant to the terms, conditions and limitations of this Agreement and the City Development Agreement.

(3) Failure of the Developer to observe or perform any other covenant, condition, obligation or agreement on its part to be observed or performed under this Agreement and the City Development Agreement.

(4) The holder of any mortgage on the Development Property or any improvements thereon, or any portion thereof, commences foreclosure proceedings as a result of any default under the applicable mortgage documents.

(5) If the Developer shall:

(a) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under the United States Bankruptcy Act of 1978, as amended or under any similar federal or state law; or

(b) make an assignment for the benefit of its creditors; or

(c) admit in writing its inability to pay its debts generally as they become due;
or

(d) be adjudicated a bankrupt or insolvent; or if a petition or answer proposing the adjudication of the Developer as bankrupt or its reorganization under any present or future federal bankruptcy act or any similar federal or state law shall be filed in any court and such petition or answer shall not be discharged or denied within sixty (60) days after the filing thereof; or a receiver, liquidator or trustee of the Developer, or of the Project, or part thereof, shall be appointed in any proceeding brought against the Developer, and shall not be discharged within sixty (60) days after such appointment, or if the Developer, shall consent to or acquiesce in such appointment.

Section 4.2. Remedies on Default. Whenever any Event of Default referred to in Section 4.1 occurs and is continuing, the City, as specified below, may take any one or more of the following actions after the giving of thirty (30) days' written notice to the Developer, but only if the Event of Default has not been cured within said thirty (30) days:

(1) The City may suspend its performance under this Agreement and the TIF Note until it receives assurances from the Developer, deemed adequate by the City, that the Developer will cure its default and continue its performance under this Agreement.

(2) The City may cancel and rescind the Agreement and the TIF Note.

(3) The City may take any action, including legal or administrative action, in law or equity, which may appear necessary or desirable to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 4.4. No Implied Waiver. In the event any agreement contained in this Agreement should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Agreement to Pay Attorney's Fees and Expenses. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement or performance or observance of any obligation or agreement on the part of the Developer herein contained, the Developer agrees that it shall, on demand therefor, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Indemnification of City.

(1) The Developer (a) releases the City and its governing body members, officers, agents, including the independent contractors, consultants and legal counsel, servants and employees (collectively, the "Indemnified Parties") from, (b) covenants and agrees that the Indemnified Parties shall not be liable for, and (c) agrees to indemnify and hold harmless the Indemnified Parties against, any claim, cause of action, suit or liability for loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect in the Project or on the Development Property.

(2) Except for any willful misrepresentation or any willful or wanton misconduct of the Indemnified Parties, the Developer agrees to protect and defend the Indemnified Parties, now and forever, and further agrees to hold the aforesaid harmless from any claim, demand, suit, action or other proceeding whatsoever by any person or entity whatsoever arising or purportedly arising from the actions or inactions of the Developer (or if other persons acting on its behalf or under its direction or control) under this Agreement, or the transactions contemplated hereby or the acquisition, construction, installation, ownership, and operation of the Project; provided, that this indemnification shall not apply to the warranties made or

obligations undertaken by the City in this Agreement or to any actions undertaken by the City which are not contemplated by this Agreement.

(3) All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any governing body member, officer, agent, servant or employee of the City.

ARTICLE V

DEVELOPER'S OPTION TO TERMINATE AGREEMENT

Section 5.1. The Developer's Option to Terminate. This Agreement may be terminated by the Developer, if (i) the Developer is in compliance with all material terms of this Agreement and no Event of Default has occurred; and (ii) the City fails to comply with any material term of this Agreement, and, after written notice by the Developer of such failure, the City has failed to cure such noncompliance within ninety (90) days of receipt of such notice, or, if such noncompliance cannot reasonably be cured by the City within ninety (90) days, of receipt of such notice, the City has not provided assurances, reasonably satisfactory to the Developer, that such noncompliance will be cured as soon as reasonably possible.

Section 5.2. Action to Terminate. Termination of this Agreement pursuant to Section 5.1 must be accomplished by written notification by the Developer to the City within sixty (60) days after the date when such option to terminate may first be exercised. Section 5.3. Effect of Termination. If this Agreement is terminated pursuant to this Article V, this Agreement shall be from such date forward null and void and of no further effect; provided, however, the termination of this Agreement shall not affect the rights of either party to institute any action, claim or demand for damages suffered as a result of breach or default of the terms of this Agreement by the other party, or to recover amounts which had accrued and become due and payable as of the date of such termination. Upon termination of this Agreement pursuant to this Article V, the Developer shall be free to proceed with the Project at its own expense and without regard to the provisions of this Agreement; provided, however, that the City shall have no further obligations to the Developer with respect to reimbursement of the expenses set forth in Section 3.2.

ARTICLE VI

Interest shall be computed on the basis of a 360 day year consisting of twelve (12) 30-day months.

The amounts due under this Note shall be payable on August 1, 2020, and on each February 1 and August 1 thereafter to and including February 1, 2040, or, if the first should not be a Business Day (as defined in the TIF Agreement), the next succeeding Business Day (the "Payment Dates"). On each Payment Date, subject to the provisions of Section 3.5 the City shall pay by check or draft mailed to the person that was the Registered Owner of this Note at the close of the last business day of the City preceding such Payment Date an amount equal to the sum of the Tax Increments (hereinafter defined) received by the City during the six month period preceding such Payment Date. All payments made by the City under this Note shall first be applied to accrued interest and then to principal.

The Payment Amounts due hereon shall be payable solely from 90% of tax increments (the "Tax Increments") from the Development Property (as defined in the TIF Agreement) within the City's Tax Increment Financing District No. 14 (the "Tax Increment District") within its Development District No. 1 which are paid to the City and which the City is entitled to retain pursuant to the provisions of Minnesota Statutes, Sections 469.174 through 469.1794, as the same may be amended or supplemented from time to time (the "Tax Increment Act"). This Note shall terminate and be of no further force and effect following the last Payment Date defined above, on any date upon which the City shall have terminated the TIF Agreement under Section

4.2(2) thereof or the Developer shall have terminated the TIF Agreement under Article V thereof, on the date the Tax Increment District is terminated, or on the date that all principal payable hereunder shall have been paid in full, whichever occurs earliest.

The Tax Increment District includes properties other than the Development Property and Anoka County remits Tax Increment to the City on the basis of the Captured Tax Capacity of the entire Tax Increment District. For purposes of this Tax Increment Revenue Note, the City will determine Tax Increment generated from the Development Property and improvements thereon in its sole discretion.

The City makes no representation or covenant, express or implied, that the Tax Increments will be sufficient to pay, in whole or in part, the amounts which are or may become due and payable hereunder.

The City's payment obligations hereunder shall be further conditioned on the fact that no Event of Default under the TIF Agreement shall have occurred and be continuing at the time payment is otherwise due hereunder, but such unpaid amounts shall become payable if said Event of Default shall thereafter have been cured; and, further, if pursuant to the occurrence of an Event of Default under the TIF Agreement the City elects to cancel and rescind the TIF Agreement, the City shall have no further debt or obligation under this Note whatsoever. Reference is hereby made to all of the provisions of the TIF Agreement, including without limitation Section 3.2 thereof, for a fuller statement of the rights and obligations of the City to pay the principal of this Note, and said provisions are hereby incorporated into this Note as though set out in full herein.

This Note is a special, limited revenue obligation and not a general obligation of the City and is payable by the City only from the sources and subject to the qualifications stated or referenced herein. This Note is not a general obligation of the City and neither the full faith and credit nor the taxing powers of the City are pledged to the payment of the principal of this Note and no property or other asset of the City, save and except the above-referenced Tax Increments, is or shall be a source of payment of the City's obligations hereunder.

This Note is issued by the City in aid of financing a project pursuant to and in full conformity with the Constitution and laws of the State of Minnesota, including the Tax Increment Act.

This Note may be assigned only with the consent of the City which consent shall not be unreasonably withheld. In order to assign the Note, the assignee shall surrender the same to the City either in exchange for a new fully registered note or for transfer of this Note on the registration records for the Note maintained by the City. Each permitted assignee shall take this Note subject to the foregoing conditions and subject to all provisions stated or referenced herein.

This Note is subject to prepayment in immediately available funds on any date at the option of the City, in whole or in part and without penalty.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions, and things required by the City Charter, the Constitution and laws of the State of Minnesota to be done, to have happened, and to be performed precedent to and in the issuance of this Note have been

done, have happened, and have been performed in regular and due form, time, and manner as required by law; and that this Note, together with all other indebtedness of the City outstanding on the date hereof and on the date of its actual issuance and delivery, does not cause the indebtedness of the City to exceed any charter, constitutional or statutory limitation thereon.
