## About RJM

At RJM Construction, our commitment to our clients' vision is supported by construction expertise on a wide variety of projects for property owners, building tenants, health care professionals and community leaders. We are dedicated to providing leadership and value-enhancing insights to every construction project.

RJM Construction was founded on a simple principle - to serve the client. Led by our team of construction professionals, our project delivery process is designed to ensure that our clients have a productive, rewarding experience. Our clients appreciate that they can count on the RJM team to always put their interests first.

RJM knows that collaboration is key in successful projects. We are committed to providing clear communication and building long-term partnerships with our owners, architects and real estate professionals. We leverage our expertise, taking pride in providing the highest level of service and value for each of our client's projects.

Based in Minneapolis, RJM Construction has been providing commercial contracting services since 1981. Our experience encompasses general contracting, construction management, design/build and pre-construction. RJM has more than 175 specialized staff members and an annual construction volume of approximately \$250 million.
