POLLINATOR GARDEN TOUR

Saturday, July 23rd
9 AM - 3 PM

(1) Marlene Hock: 3426 South Coon Creek Dr, Andover
New this year: Native plant shade gardening. Come and learn from Marlene about native shade plants and how they enhance a shady yard.

(2) Jim and Sally Myers: 4115 147th Lane NW, Andover
Here will (bee) the place to ask your honey bee questions and walk in lush gardens with the chickens.

(3) Thom and Deb Jordan: 14800 Blackfoot St, Andover
New this year: Thom and Deb will share how straw bale gardening works and how easy it is to create pollinator friendly container plantings for people working with limited garden space.

(4) Erin O'Leary: 2538 176th Ave NW, Andover
2nd exciting year: Come and learn from Erin, a master of prairie landscaping, how to create a pollinator-friendly habitat and encourage wildlife by combining traditional landscaping concepts with native plants

(5) Peter and Ellen Fastner: 14322 Raven St NW, Andover
Rain Garden: Lean how valuable a beautiful, lush, curb rain garden is managing storm water and helping the environment at the same time.

(6) Hugh Phillips: 1425 137th Ln NW, Andover
Rain Garden: Learn how an area of thirsty grass and problematic shrubs was exchanged for a beautiful lawn rain garden that you as a home owner could similarly create in your own yard.

(7) Mary Martz: 14104 Orchard St NW, Andover
New this year: Mary will share how straw bale gardening can be incorporated in a traditional garden landscape.
