RE: **Wellhead Protection Plan, Part 1 Amendment, for the City of Ramsey**

The City of Ramsey is in the process of amending its Wellhead Protection Plan for its drinking water supply wells. As required by the Minnesota Wellhead Protection Rule (part 4720.5330, subpart 6), the Minnesota Department of Health approved the Part 1 amendment of the Wellhead Protection Plan for our system. This portion of the plan includes information pertaining to:

1. The delineation of the wellhead protection area;
2. The drinking water supply management area boundary, and;
3. The well and drinking water supply management area vulnerability assessment.

Enclosed please find the items listed above. If you would like a complete copy of the Part 1 plan containing the technical information used to delineate the wellhead protection area, drinking water supply management area, and vulnerability of the wells and aquifer, please contact me at 763-433-9825.

Consistent with the Wellhead Protection Rule (part 4720.5330, subpart 7), a public information meeting will be held during the Ramsey Public Works Committee meeting starting at 5:30 p.m. on Tuesday, March 19, 2019, at the Ramsey Municipal Center, 7550 Sunwood Drive NW, to discuss issues and concerns with this portion of the Plan amendment. We welcome your participation at this meeting.

If you have any questions concerning this matter, please contact me at 763-433-9825.
