

SUPPLEMENTAL FUTURE CONSIDERATION PROJECTS

CITY OF RAMSEY CAPITAL IMPROVEMENT PROGRAM 2020-2029

The Capital Improvement Program document is a planning tool maintained by the city to identify future projects, related expenditures, and funding sources. All projects designated in the Capital Improvement Program are contingent upon availability of resources during the planned year. The total expenditure of projects includes city-funded sources as well as other resources such as grants, fees, bonding, etc.

THIS PAGE INTENTIONALLY BLANK

Park and Trail Capital Improvements – Future Projects

The following are park, trail and park acquisition projects that have been identified by the Park and Recreation Commission as proposed, needed improvements into the future – but do not have identified funding at the time of the 10-Year Park’s CIP adoption. In other instances they are predicated on land development or future demand.

The proposed improvements are assigned to category Priority #5 which is known as Opportunity Driven/Unfunded/Placeholder. All projects are given a number 5 Priority, as the projects are currently unfunded.

Generally, additional park and trail planning should be undertaken city-wide as part of the 2040 Comprehensive Plan (due for completion by 2019). A plan will be developed aside from this document to lead that process. The proposed community-wide park and trail plan, together with some of the cost estimates identified below, may point to the need for revenue beyond Park Dedication proceeds that have funded most park and trail initiatives to date.

2020 thru 2029

Project # 04-PARK-002
Project Name Elmcrest Creek Trail to Central Park

Department Park Improvements
Contact Unassigned
Type Improvement
Useful Life 50 Years
Category Park Improvement
Priority 5-Opportunity/Unfunded/Placeholder
Status Future Consideration

Total Cost \$800,000

Description

This trail would link Elmcrest Park to Central Park, the neighborhoods in between, and provide off-roadway trail experience within central Ramsey.

Justification

Connecting the two community parks would reduce the need to replicate some facilities in both locations. The construction of the trail may coincide at such time as residents may subdivide their lots east of Ramsey Blvd, along the county ditch.

Expenditures	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029	Total
Improvements Other than Building Cost								800,000			800,000
Total								800,000			800,000

Priority 5-Opportunity/Unfunded/Placeholder

Status Future Consideration

Total Cost \$1,200,000

Description

This project is intended to begin the development of Lake Itasca Park North of Alpine Drive, east of the lake to the west line of the adjacent subdivision.

Justification

Properties south of Alpine Drive, both east and west of Puma Street will be proposed residential for development. It is this development that would provide the necessary Park Dedication funds for the first phase of construction, as well as contributing increased recreational demand.

A four acre parcel south of Alpine Drive may be sold to finance improvements in the park. This project includes mass grading of the park and development of multi-use athletic fields, including for lacrosse.

Expenditures	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029	Total

Department Park Improvements

Contact Unassigned

Type Improvement

Useful Life 20 Years

Category Park Improvement

Priority 5-Opportunity/Unfunded/Placeholder

Status Future Consideration

Total Cost \$4,015,000

Description

The Trott Brook Greenway Trail extends from Elk River's Youth Athletic Complex near Jarvis Street and follows the brook easterly to Rum River Central Park about six miles away. The project would involve continued acquisition of scenic and trail easements, boardwalk and trail construction and natural resource enhancements. Segments of the trail may be on-street within certain neighborhoods.

Justification

This trail project would be predicated on significant planning leading up to construction and likely involve a Master Plan, as well as receiving grant monies for funding. The land around the brook is the largest and most contiguous undeveloped natural area within Ramsey. The City presently has about half of the land acquired (through Park Dedications and a LCCMR grant) to construct this trail.

This trail has a regional context. There is a trail proposed to connect Sherburne County and Ramsey to a metro regional park. This project may be a good candidate for Legacy Amendment funding, following a regional designation.

Expenditures	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029	Total

Project # 06-PARK-017
Project Name Redevelopment of Hunters Hill

Department Park Improvements

Contact

Type Improvement

Useful Life 20 Years

Category Park Improvement

Priority 5-Opportunity/Unfunded/Placeholder

Status Future Consideration

Total Cost \$500,000

Description

Concurrent with any redevelopment of the subdivisions around the existing Hunters Hill Park would be an opportunity to bring improvements to the underutilized Hunters Hill Park. The funding would be from any new units shared. Open space connections within a redeveloped area may also be considered.

Justification

Should redevelopment occur in this area, it is likely densities will greatly increase. This, coupled with the commercial and light industrial uses in the area will create the need for a lunch break destination - as well the residential recreational demand.

 Useful Life 20 Years
 Category Park Improvement
 Priority 5-Opportunity/Unfunded/Placeholder
 Status Future Consideration

Description	Development of the proposed 2-acre Municipal Plaza in The COR, based upon the parks framework plan at \$41 per square foot.										
Justification	This urban park-space may be the most prominent park space within The COR - due to its visibility along Sunwood Drive, and its relationship to the Municipal Center and transit hub. The site is also likely to be used for the city's festival known as Happy Days.										

Total Cost \$3,700,000

Expenditures	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029	Total

Project #	08-PARK-004
Project Name	The Waterfront

Department Park Improvements
 Contact
 Type Improvement
 Useful Life 20 Years
 Category Park Improvement
 Priority 5-Opportunity/Unfunded/Placeholder
 Status Future Consideration

Total Cost \$6,300,000

Description

This project will be the culmination of comprehensive planning for a significant water feature in The COR. The 'lake' will be a layering of public and private amenities - such as the integration of a restaurant, required open space, public paths, wading areas, a splash pad and shady aesthetics, all of which provides the "green" and "blue" (and stormwater) connections between The Draw and retail areas.

Justification

In addition to providing a superior view-shed for residential and retail sites as well as water recreation, the pond will handle storm run-off and provide fill material for other projects within The COR. The cost projections are based on the parks framework plan for The COR at \$11 per square foot.

Expenditures	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029	Total

Contact

Type Improvement

Useful Life 20 Years

Category Park Improvement

Priority 5-Opportunity/Unfunded/Placeholder

Status Future Consideration

Total Cost \$5,600,000

Description

Bridge #02053 will connect The COR to the trail to the Mississippi River along the storm sewer outfall and serve as a regional trail connection between the Northstar Rail Station and Mississippi West Reional Park.

Justification

The COR is designed to be pedestrian friendly. This bridge will provide a connection to West Mississippi Regional Park and the regional trail. Further, the rail and highway crossing will allow residents to access the commuter rail and The COR without adding automobile trips to Hwys #10 and #169.

Ramsey has received \$100,000 from Met Council for engineering and design, and \$490,000 from the National Park Service to complete the final plans and specifications.

Total Cost \$2,500,000

Project #	11-PARK-003
Project Name	Alpine Park Winter Facilities

Description

This project shall include the construction of a chalet/warming house capable of facilitating winter equipment rentals and vending. Improvements will also include the expansion of the existing parking lot, and the construction of refrigerated rinks.

Justification

This warming house will function as a hub for winter recreation in the city with ice skating, sliding, and cross-country ski trails. Further, the existing warming house and rinks at Ramsey Elementary are in sub-standard condition and would be discontinued under this proposal.

Expenditures	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029	Total

 Priority **5-Opportunity/Unfunded/Placeholder**
 Status **Future Consideration**

Total Cost \$1,900,000

Description
 This project envisions a Greenway connection for the Municipal Plaza, The Draw, the lake feature west through The COR to the Lake Itasca Community Park.

Justification
 The Greenway will be the primary east/wet pedestrian route on either side of Armstrong Blvd, connecting places to live, work and recreate. It is intended that the Greenway also will be a working component of the stormwater system.

Expenditures	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029	Total

Project Name	Sixth Community Park (north central Ramsey)

Department Site Acquisitions
Contact
Type Land
Useful Life Unassigned
Category Site Acquisition
Priority 5-Opportunity/Unfunded/Placeholder
Status Future Consideration

Description	Total Cost \$3,000,000
The park location has not been determined, but may be expected to be sited north of Trott Brook and geographically centralized.	
The park should have a minimum of 60 acres of usable land.	

Justification
 Given the projected build-out of Ramsey, it is anticipated that a sixth Community Park will be required to meet the needs of the existing and future residents.
 A joint powers agreement for funding and O & M may be explored with the City of Nowthen.
