Dear Mayor LeTanneau,

Ramsey Elementary is a great school because all of the kind principals like Ms. Read greet us with a fist bump when I get off the bus. There is also Friday free seating at lunch I love this because I can sit by my friends and I can sit by people who don't annoy me. There are great teachers too they are not super strict. My school has prepared me to be a leader in my community because they teach me not to be envious, rude and disrespectful.

sincerely,

Easton

I think Ramsey is a great school because the Principals are very very nice and they take very good care of our school so we are all safe. The teachers are very nice they protect us, they help us, they also give out prizes or candy sometimes. Here at Ramsey if you are kind to someone they will be kind to you! If you set a great example for someone they will do just the same thing. You have to have self control if you want to be a leader. It is good to be honest and also if you are honest you will be amazing. I hope you love Ramsey Elementary!
