

CITY OF RAMSEY

Policy Regarding Remote Attendance and Participation in Council and Commission Meetings

ADOPTED BY CC 04/23/2019

SECTION 1: SCOPE

A. BACKGROUND: The City of Ramsey seeks to develop guidelines to promote transparent and orderly use of electronic technology that allows Council and commission members to attend meetings from a remote location. Electronic audio/video attendance options continue to advance and evolve, along with the laws that govern such attendance. Generally speaking, the city may adopt regulations that are more restrictive (not more lenient) than those provided by state law.

B. PURPOSE: The purpose of this policy is to create guidelines governing the remote attendance and participation of members at Council and Commission meetings. Advance notifications and limits are established in order to provide proper notification to the public, and to allow the City to arrange the appropriate technology to cover the meeting. The general expectation is that individuals will make every practical attempt to be physically present and that the purpose of this policy is to allow for exceptions when the member is unable to physically attend a meeting.

C. OTHER MEETING PARTICIPANTS: City staff, applicants, and other meeting participants may attend meetings remotely and are not subject to the policy or statutory limitations outlined within this policy.
