City Council Work Session
Tuesday, March 10, 2020
5:30 pm
Lake Itasca Room, 7550 Sunwood Drive NW

- 1. Call to Order**
- 2. Topics for Discussion**
 1. Discuss Renaming Central Park
 2. Review 2020 Strategic Plan Final Draft
- 3. Topics for Future Discussion**
 1. Review Future Topics/Calendar
- 4. Mayor/Council/Staff Input**
- 5. Adjournment**

Meeting Date: 03/10/2020

Information

Title:

Discuss Renaming Central Park

Purpose/Background:**Background:**

The following is a summary excerpt from previous and recent Park and Recreation Commission case(s) regarding public facility naming.

"In 1991, the City was contacted with the request to have the south portion of River's Bend Park renamed, and at that time, it came to light that the City did not have a formal public facility naming policy. A policy was drafted and presented to the Park and Recreation Commission for discussion and comment. The Commission approved that policy and recommended the City Council review same and adopt. On June 11, 1991, the City Council adopted Resolution #91-06-138 formally adopting the Park and Recreation Commission's Public Facility Naming Policy.

In 2006, City Council authorized the construction of the replacement of the concession stand and shelter at Central Park with a significantly larger, modern structure. The approximately \$425,000 project was initiated by a \$367,000 contribution from the Ramsey Lions for this purpose. ...both the Park and Recreation Commission and City Council have (sic) unanimously supported recognizing the Lions for their contribution towards the park building,,and subsequently the concession stand and shelter [was] formally named the 'Lion's Pavilion,' with their logo placed on that building at Central Park

In 2009, a case went before the Park and Recreation Commission to discuss a policy for accepting park donations, monuments, memorials, and other improvements. The Commission sent such policy for adoption to the City Council. Resolution #09-04-075 formally adopted the policy for accepting park donations, monuments, memorials and other improvements and that action was taken by the City Council on April 14, 2009. The resolution/policy referenced donations with regard to naming rights It states the following: "If a financial contribution exceeding 60% of the cost of major planned improvements is made, naming rights for new parks and recreational facilities may be granted through City Council approval".

In 2014, the Park and Recreation Commission again looked at the policy for naming public facilities. Consensus of the Commission was to [revise/update the facility] naming policy, but using an application process rather than a petition process; to include a threshold for donations of more than half or 60 percent; language specifying that the request would go before the City Council but that approval is not guaranteed."

At the Park and Recreation Commission's regular February 2020 meeting, the Commission recommended the revised policy and the attendant draft Resolution (attached to this case). The proposed Resolution broadens the scope of what may be considered for public facility names, and would include input from the Planning Commission (for public facilities that are not within the park realm). The draft Resolution includes much of the recent dialog on the various considerations for naming public places. It does not address details like a funding threshold as was discussed in 2014—it is suggested that this could be identified within the 'naming application' if that is process City Council wishes to approve, along with the updated Resolution that the Commission recommended, but City Council has not yet considered.

Purpose:

The purpose of this case is to apprise the Council on the proposed 'updated' public facility naming policy, and hear from a Ramsey resident on considerations for potentially renaming Central Park. The renaming request is

understood to recognize Loral I Delaney, a long time resident and a person of distinguished life-time achievements, and daughter of Fred Armstrong, the name sake of Armstrong Boulevard.

Timeframe:

Staff will briefly highlight the above and provide verbal background on some of the history pertaining to Central Park, (5 minutes).

Ramsey resident Ron Schara will present detail and rationale for renaming Ramsey's Central Park (10 to 15 minutes).

Funding Source:

No funding is implicated in the consideration of this topic. A funding source may need to be identified if Central Park would be renamed, for various things like maps and and publications, or for signage in and around the park.

Responsible Party(ies):

Kurt Ulrich and Mark Riverblood

Outcome:

Determine if Council wishes to further pursue renaming Central Park—and if so, identify the next steps.

Prepared by City of Ramsey
 Revised September 2016

Councilmember _____ introduced the following resolution and moved for its adoption:

RESOLUTION #20-XXX

RESOLUTION ADOPTING THE PARK AND RECREATION COMMISSION'S PUBLIC FACILITY NAMING POLICY

WHEREAS, the City Council of the City of Ramsey continues to support the development of recreation and public facilities for the betterment of the community and enhancements to the quality of life for all residents; and

WHEREAS, the City desires to name all public facilities in a consistent, timely and appropriate manner; and

WHEREAS, under this policy all proposed public facility names shall first go before the Park and Recreation Commission of the City of Ramsey, and also the Planning Commission for non-park facilities and places; and

WHEREAS, in the case of parklands, the name may be chosen before final plat approval and may generally reflect the name of the subdivision, or other natural or geographical feature; and

WHEREAS, for any public facility, including parklands, the City of Ramsey may also consider, names reflecting historical significance, original landowners, or those reflecting important contributions of local, state, national or international significance; and

WHEREAS, public facilities may also be named for individuals, organizations or lifetime achievements as well as substantial contributions in providing to the public said facility, including as a recognition or memorial; and

WHEREAS, any sign bearing the name of a public facility will be in accordance with City Code requirements for signs; and

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF RAMSEY, ANOKA COUNTY, STATE OF MINNESOTA, as follows:

- 1) That facility names shall be congruent with the above, and not inconsistent with the Ramsey brand identity, and
- 2) That the City Council hereby adopts the Park and Recreation Commission's Public Facility Naming Policy.

The motion for the adoption of the foregoing resolution was duly seconded by Councilmember _____, and upon vote being taken thereon, the following voted in favor thereof:

and the following voted against the same:

and the following abstained:

and the following were absent:

Whereupon said resolution was declared duly passed and adopted by the Ramsey City Council this the ___th day of _____, 2020.

Hall of Fame Inductee

Loral I Delaney

INDUCTED IN 1989

Born: 3-Feb-1938

State: MN

Loral I. Delaney of Anoka, Minnesota began shooting registered targets in 1957 and has been earning titles in her home state, at other large meets, and at the Grand American beginning with her first year in the sport. She attended her first Grand American in 1964 and since then has earned fifty trophies there. She captured the women's High-Over-All title in 1966 with a record-tying 954x1000, and scored 946, 949, 931, and 937 to take home the crown each of the next four years. She is the lone lady to capture this award more than two consecutive years, or exceeding a four-time total, having won it five consecutive years, with a total of seven wins in this category. Her fifth win in 1970 retired the second, much coveted, Frances and Clyde King trophy.

In the Grand American Loral I paced women in the All-Around in 1966 with a record setting 380 x 400, in 1970 with a 376, 1977 a 373, and 1978 a 376. At her first Grand in 1964, she ended third in the Women's Champion of Champions race after a tie at 97 for the crown. She earned the title in 1967 for 99x 100, and in 1969 for 198x200 shot concurrently with the Class Singles. A runnerup in 1968 for a 98, she placed third again in 1970 for the same score, and in 1978 for a 99 after deadlocking for the title.

In the Clay Target Championship, three first-place and three runnerup awards have been Mrs. Delaney's. She won the title with a 199 in 1968, repeated in 1970 with a 196, and was tops again ten years later with a 199. A score of 198 placed her second in this race in 1966, 1969, and 1986.

Loral I has captured eight trophies in the Doubles championship since 1969, the most recent for a second place in 1985 with a 96x100 tie for the top prize. Her prior trophies were by class.

She has garnered seven awards from the Class Singles while, with husband Chuck, snaring four Husband-Wife titles in the same races. Loral I was runnerup woman in the 1986 class 16s with 197. She topped AA standings in 1968 through 1970 and in 1978, and her scores of 198, 198, 197 and 199 were also the top ones posted by women in the race. She was also victorious in A Class with 196x200 both in 1966 and 1967.

She won the ladies in the Dayton Homecoming races of 1969 (100x100) and 1979 (197x200); in the 1966 preliminary handicap with 93 from 22 yards, and headed ladies in the 1970 Saturday preliminary 16s with a 99. In 1968, during the final Introductory Singles race in Grand American history, Loral I broke 197 to capture the female title. During the international Clay Pigeon Championships of 1977 and 1989 she posted 96s for the women's title.

The only lady in Minnesota to earn the state doubles crown, in 1968 with a 98, she was also, at the time, the ninth woman in the ATA record books to win any state or provincial twin-bird title.

Her first ladies state championship was won in 1957, the year in which she was introduced to trapshooting. Her next state title win was in 1966 when she set a record of 197. She kept the crown for six straight years, tying her zenith again in 1968. She was also victorious in 1978 and 1987, matching the current Minnesota mark of 199 in her 1987 triumph in 1982.

Loral I captured the ATA Central women's singles championships in 1966 with 193 and in 1967 and 1970 with 195s.

She earned the women's trophy in the Golden West Grand singles in 1971 with 197 and was lady runnerup in the handicap in '76. The following year she finished second among women in the class race and preliminary doubles, and also with husband Chuck headed the husband-wife race. In 1979 she paced the ladies in the preliminary singles and two years later captured 13 laurels in the main doubles event. In 1986 she scored 99 from 25 yards to win high-gun honors in Tuesday's preliminary handicap receiving 1½ yards for her efforts. The following day she earned another half yard to make it to the 27 yard line for the first time. In 1988 her 95 in the class doubles won C class.

Since the 1950's when target minimums were introduced for ATA average leaders, Loral I Delaney has been the only women to lead all three types of averages in one year. In 1968 she hit 97.72% of 2,500 singles, 91.66% of 1,500 handicap, and 92.42% of 950 doubles targets. This same year she set a women's All-Around Average record of .9393, topping the previous mark by more than two targets which was not surpassed until 1982.

Mrs. Delaney was named to every women's All-American team from 1966 through 1981 except 1975. All but three selections were to the first team. She was chosen captain each year from 1969 through 1971 and again in 1979, and she was named co-captain in 1968.

At the Hall of Fame dedication dinner twenty years ago, Loral I, dressed in buckskins and portraying Annie Oakley, presented one long stemmed rose to each of the ATA officers responsible for making the Hall of Fame a reality., a scene reminiscent of one at the 1924 Grand American, the first held on the ATA's permanent homegrounds in Vandalia. There, 1920 Olympic team captain Jay Clark presented roses to the ATA President George McCarty at the tournament's opening ceremonies.

Loral I Delaney, with her husband Chuck are professional dog trainers. For many years she performed at sport and travel shows throughout the country with her hunting dog act.

Title:

Review 2020 Strategic Plan Final Draft

Purpose/Background:

Each year, the City Council and city leadership staff review the city's strategic plan and make updates as necessary.

At the February 27 special work session, the Council reviewed the city's values, vision, mission, objectives, and strategies. These item were found to be still relevant today, and no changes were made. Action items were reviewed and updated to reflect 13 high priority action items for the coming year.while many action items have been advanced or completed.

Attached is a red-line version of the updated Strategic Plan for 2020, reflecting the discussion at the February 24 work session.

The purpose of this case is to review and develop consensus agreement on the 2020 Strategic Plan document, to be forwarded to a regular Council meeting for action.

Timeframe:

30 -60 minutes

Funding Source:

NA

Responsible Party(ies):

Kurt Ulrich, City Administrator
Tim Gladhill, Deputy City Administrator

Outcome:

Review and consensus approval of Strategic Plan document, to be forwarded to a regular Council meeting for action.

Strategic Plan Update

2020 Update

ABOUT RAMSEY

Ramsey is a suburban city located in the northwestern part of Anoka County, with a population of approximately ~~26,500~~27,051. Two rivers dominate its borders, the Rum River and the Mississippi River.

The first settlement in Ramsey began because of trading along the banks of the Mississippi. Many settlers came here on a steamboat called *The Governor Ramsey* named after our first territorial governor, from which the City reportedly acquired the name.

Only a few of the first houses and structures built in Ramsey remain today. The most notable structure of historic significance is on the National Register of Historic Places, the Old Ramsey Town Hall, located west of Highway 47 (Saint Francis Boulevard) just north of County Road 116 (Bunker Lake Boulevard). This 19th century structure was originally used as a schoolhouse. The building is a community landmark and the City is working on a long term plan for the structure.

Two school districts now serve Ramsey - Elk River #728, and Anoka-Hennepin #11. Students from both districts regularly exceed the state average on the Minnesota Basic Standards in math, reading, and writing, and score well above the national average on college entrance exams.

Many people have chosen to live in Ramsey because of its rural character, wetlands, wildlife, parks, recreation and the housing choices. Ramsey is a mixture of farms, large-lot single family, urban single-family, and multi-family with a range of prices that appeals to a wide variety of families and individuals. The City is expected to grow by approximately 10,000 people over the next 20 years. Economic Development continues to be a priority for our City. With nearly 7,000 employees working in Ramsey everyday, new industrial and retail growth may add an additional 5,000 employees over the next 20 years. We are proud of our commitment to attract economically and environmentally sound commercial development.

Ramsey is committed to manage future growth to provide a high quality of life, enhanced employment opportunities and a stable tax base. Looking ahead, our city is working toward retail and commercial growth that includes restaurants, shopping, entertainment and additional employment opportunities.

Please note: this document is a work in progress. Staff is still working on final formatting. Please focus on content over formatting at this stage.

VALUES

Ethics and Integrity

Fiscal Responsibility

Cooperation and Teamwork

Open and Honest Communications

Excellence and Quality in the Delivery of Service

Treating People with Respect and Fairness

Adaptability and Continuous Learning

VISION

Ramsey will be a secure, citizen-driven, collaborative community that respects the balance and connectivity between its unique urban, rural and natural environments.

MISSION

To work together to responsibly grow our community and to provide quality, cost-effective and efficient government services.

OBJECTIVES

Financial Stability

A Balance of Rural Character and Urban Growth

An Active and Connected Community

Smart, Citizen-Focused Government

An Effective Organization

STRATEGIES

Identify and implement operational efficiencies, cost savings and additional funding sources.

Promote economic growth and development.

Create a positive image for residential neighborhoods, business districts and key corridors.

Enhance Community Engagement in policy decision-making processes.

Improve the safety and mobility of transportation corridors.

Connect the community both physically and socially to destinations, services and activities.

Enhance customer service through process improvements.

Enhance sustainability and efficiency through public facilities and infrastructure investments.

Strengthen and enhance our identity and brand.

Improve City's communication.

Improve and sustain high organizational morale.

Strive to reflect the demographics of the community.

ACTION PLAN

Action	Timeframe	Resources	Key Outcomes and Indicators	Responsible Party
Strategy: Identify and implement operational efficiencies, cost savings and additional funding sources.				
1. Implement a Road Maintenance Pavement Management Funding Program.	2020	Budget Impact = Medium High	Retain existing program or choose a new program. <u>Include regular pavement maintenance in discussion.</u>	Diana Lund
2. <u>Identify and improve one organizational workflow process: Fire Department Duty Crew Analysis.</u>	2020 2020	<u>Budget Impact = Low</u>	<u>Experienced cost savings as a result of improved workflow.</u> <u>Improved service.</u>	<u>Matt Kohner</u>
Strategy: Promote economic growth and development.				
<u>2-3.</u> Continue Business Retention and Expansion efforts for retail and industrial.	Ongoing	Existing Staff: Budget Impact = Low	Stable base of local employers, representing the largest opportunity for future growth of jobs and tax base. Increase the number of business visits. Improve the quality and attendance at EDA events. 5,000 square feet of new retail space per year on average. 50,000 square feet of new industrial per year on average.	Sean Sullivan
Strategy: Create a positive image for residential neighborhoods, business districts and key corridors.				
<u>3-4.</u> Complete Streetscape Plan for Key Corridors.	Q4 2019 2020	Existing Staff: Budget Impact = Low	Reduced blight and public nuisance. Improved responsiveness of neighborhood concerns. Improved empathy to private property rights and complex regulations. Improved aesthetics and reduced blight along Highway 10 and Highway 47. <u>Consider Historic Town Hall as a Welcome to Ramsey Gateway Monument.</u>	Chloe McGuire Brigl
<u>4-5.</u> Update Downtown Master Plan and Multifamily Housing Policies.	2020	Budget Impact = Low RCP Report	Ensure high-quality housing opportunities. Ensure Balance of Retail and Housing Growth.	Tim Gladhill

Action	Timeframe	Resources	Key Outcomes and Indicators	Responsible Party
<u>6.</u> Consider a Crime Free Multifamily Housing Program	<u>2020</u>	Existing Staff Budget Impact = Low RCP Report	Ensure that multifamily properties maintain high quality.	Jeff Katers
Enhance Community Engagement in policy decision-making processes.				
<i>This remains a high priority for the community and is addressed in multiple actions above.</i>				
Strategy: Improve the safety and mobility of transportation corridors.				
<u>5-7.</u> Complete County Road 5 Corridor Study.	2020	Budget Impact = Medium	Unified vision for Nowthen Boulevard, <u>including Turnback Plan and connection to Highway 10.</u> Improved safety and reduced congestion. Development pressures <u>Ensure adequate capacity for planned development.</u>	Bruce Westby
<u>6-8.</u> Advance the Ramsey Gateway Plan.	2020	Existing Staff/Resources Budget Impact = High RCP Report	Unified vision for Highway 10. Improved safety and reduced congestion. Secured \$47M for the Highway 10/169 Plan	Tim Gladhill
Strategy: Connect the community both physically and socially to destinations, services, and activities.				
<u>7-9.</u> Complete the Master Parks and Trail Plan/Capital Improvement Program <u>Update Park System Plan.</u>	<u>2019-2020</u>	Existing Staff/Resources Budget Impact = Medium RCP Report	Adequate parks, trails and public spaces, both future and existing. Unique recreation destinations. <u>Official policy statement on potential Community Center as a lower priority compared to Public Works Campus and Water Treatment Plant.</u>	Mark Riverblood
Enhance customer service through process improvement.				
<i>This remains a high priority for the community and is addressed in multiple actions above.</i>				
Strategy: Enhance sustainability and efficiency through public facilities and infrastructure investments.				
<u>8-10.</u> Implement Develop <u>Implementation Plan for</u> Water Supply Treatment Options.	2020	Budget Impact = High	Reduce levels of iron and manganese in municipal water supply.	Bruce Westby
<u>9-11.</u> Construct Future Public Works Campus.	2020	Budget Impact = High	Adequate space to effectively maintain public infrastructure. Savings of time and money in operational efficiencies.	Grant Riemer

Action	Timeframe	Resources	Key Outcomes and Indicators	Responsible Party
Strategy: Strengthen and enhance our identity and brand.				
10-12. Provide quarterly updates to USPS to secure new Ramsey ZIP Code.	Ongoing	Existing Staff Budget Impact = Medium <u>Low</u> RCP Report (community identity)	ZIP Code will identify itself as Ramsey. Provide regular updates. Detailed Update in 2020 <u>2026</u> .	Kurt Ulrich
Strategy: Improve City's communication.				
11-13. Improve <u>Positive Messaging-proactive and time-relevant communication.</u>	2020	Existing Staff Budget Impact = Low RCP Report	Improved external communication. Provide more information of interest to residents in multiple formats. New and more effective ways to reach the community, including but not limited to social media. Talking Points for Key Projects. Policy, process, and timing for communicating key topics. Improved administration of Ramsey Resident Newsletter. <u>Explore new avenues to tell the story of Ramsey and market the community to prospective residents and businesses.</u> <u>Stay relevant by harnessing new technologies and social media platforms to evolve with the ever-changing media landscape.</u>	Megan Thorstad
Improve and sustain high organizational morale.				
<i>This remains a high priority for the community and is addressed in multiple actions above.</i>				
Strive to reflect the demographics of the community.				
<i>This remains a high priority for the community and is addressed in multiple actions above.</i>				

Budget Impact Key; Low = Existing Staff/thousands of dollars; Medium = Additional Staff/Consultants/tens of thousands of dollars; High = capital improvement/hundreds of thousands of dollars.

RCP Report = Partnership with the University of Minnesota completed in 2018. This partnership created a library of resources and policy alternatives. A full list of completed reports can be found online at rcp.umn.edu/ramsey-projects.

PARKING LOT LIST

Action	Strategy
Complete a Development Fee Impact Study.	Identify and implement operational efficiencies, cost savings and additional funding sources.
Complete Comprehensive Streetscape and Greenway Manual -[Moved to Action Item]	Create a positive image for residential neighborhoods, business districts and key corridors.
Complete Neighborhood Plans for Pearson Properties and Makowsky Farms. [Formal Development Proposals Submitted]	Create a positive image for residential neighborhoods, business districts and key corridors.
Remodel 2 nd Floor of City Hall for additional collaboration and meeting space.	Enhance Community Engagement in policy decision-making processes.
Complete a Fire Department Duty Crew Analysis. [Moved to Action Item]	Enhance customer service through process improvements.
Complete Organization Staffing Plan.	Improve and sustain high organizational morale.

~~The above are important topics, but are not the highest priority of the Council and will only be worked on if not interfering with approved Action Items and as time/resources allow.~~

CULTURE

- Utilize Strategic Plan to prioritize budget requests.
- Leverage additional funding sources.
- Seek grants to do high priority projects.
- Seek public and private partnerships.
- Improve Park and Recreation revenue through user fees and sponsorships.
- Provide adequate public safety staffing based upon common metrics (i.e., calls for service, time of day caseload, land use and population, citizen expectations).
- Continue Staff Recognition Programs.
- Increase awareness of various employee resources.
