ADOPT A FLAG PROGRAM

As our community spirit and honor those who died in the September 11th tragedy, the Town of Windsor Locks is offering an "Adopt A Flag" program to allow residents the opportunity to purchase a flag for Main Street. The flags are being offered during all Veteran's holidays, as well as during times of crisis, to demonstrate our pride and strength as a united community.

The cost of a flag is the only cost to be a part of this historic endeavor. A plaque listing all of those who have adopted a flag is permanently mounted in the foyer at Town Hall for public viewing.

If you are interested in participating in this program should contact:
