
ENCROACHMENT AGREEMENT

THIS AGREEMENT (“Agreement”) is made this _____ day of _____, 2021, by and between the **CITY OF RAMSEY**, a municipal corporation under the laws of the State of Minnesota (“City”), and **BK Land Development, LLC**, and their successors and assigns (“Landowner”).

RECITALS:

WHEREAS, Landowner is the fee owner of the real property located at 8876, 8864, 8862, 8856, 8854, 8850 and 8861 151st Lane NW, Ramsey, Minnesota, and legally described as follows:

Lots 5 – 10 (inclusive), Block 4, and Lot 6, Block 3, Preserve at Northfork,
Anoka County, Minnesota

(“Property”); and

WHEREAS, the City currently has ten (5) foot wide Drainage and Utility Easements (“Easements”) over, under and across a portion of the Property, as dedicated to the public pursuant to the Plat known as “PRESERVE AT NORTHFORK” recorded in the Office of the County Recorder, Anoka County, Minnesota; and

WHEREAS, Landowner seeks permission from the City to partially encroach upon the Easements up to a maximum of one (1) foot with eave overhangs into the side yard easements (foundations would not encroach into the Easements).

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the parties agree as follows:

1. The City hereby approves an encroachment of no more than one (1) foot on and over the Easements by Landowner for the purposes of constructing and maintaining eave overhangs over that part of the Easements subject to the terms of this Agreement.

2. Landowner shall not expand the eave overhangs in width, depth, or height unless approved in writing by the City. If the eave overhangs are demolished, destroyed, or substantially replaced, any replacement shall not encroach upon the Easements without written consent of the City.

3. Nothing in this Agreement shall be deemed a waiver or abandonment of the City's rights under the Easements.

4. The Landowner is responsible for all costs relating to use, maintenance and repair of the eave overhangs.

5. Landowner agrees that if the City, during its normal construction, reconstruction, maintenance and/or repair of the public utilities located within the Easements including, but not limited to, watermain, sanitary sewer and/or storm sewer systems, deems it necessary and expedient to excavate within the Easements, The City's only obligation shall be to fill the excavated area and level the same to the grade that it was prior to the City's excavation. Notwithstanding the above, in the event the City finds it is necessary to completely restore the easement area, the Landowner agrees to remove any accessory items that have been placed in the Easements. Landowner will promptly comply with said removal request at their expense and will remove any accessory use within sixty (60) days of the written request by the City.

6. In the event that Landowner fails to take any action required in this Agreement and the City is required to repair, reconstruct or take other actions to maintain the City's utilities,

as a result of the Landowner's use and maintenance of the overhang of the home, the City may take any and all actions permitted by law to collect the costs of those repairs and the City may further levy an assessment against the Property for all costs incurred by the City. Landowner waives any and all rights to challenge or appeal the assessment.

7. Landowner and his/her successors and assigns do hereby agree to defend, indemnify, and hold the City harmless from any and all costs and expenses, all claims and liability, including attorney's fees, relating to or arising from granting the Landowner permission to encroach on the Easements for the maintenance, use, and operation of the overhang of the home, including third party claims against flooding issues that may occur due to filling within the drainage easement.
