

7.01: Introduce Ordinance #21-06 Consolidating all Landscaping Requirements into a Single Section and Amending Landscape Standards in the Employment Districts

Deputy City Administrator Gladhill reviewed the staff report and recommendation of the Planning Commission and Environmental Policy Board (EPB) to adopt Ordinance #21-06.

Councilmember Musgrove thanked the EPB for their work on this item. She commented that this will reduce the length of the overall Code and asked if each section would refer to this section of the Code for landscaping requirements.

City Planner Anderson provided details on where the language would be included. He noted that staff can also work to determine if a link to landscaping could be included in each district.

Councilmember Musgrove thanked staff for their work on this.

Motion by Councilmember Musgrove, seconded by Councilmember Riley, to introduce Ordinance #21-06 to consolidate all landscaping requirements into a single section and to amend the landscape standards in the Employment Districts.
