RE: Proposal for Engineering Services – West Armstrong Redevelopment Area Topographic Survey

Dear Mr. Westby:

We appreciate the opportunity to present this scope of services for a topographic survey of the West Armstrong Redevelopment Area Improvement project. Our scope and fees were prepared based on our conversations, along with previous documents prepared for the area. The proposed improvements will be generally as described below:

- Street construction & reconstruction of Ferret Street from 146th Avenue to Bunker Lake Boulevard,
- Street reconstruction of 147th Avenue and 146th Avenue to the extents shown on the attached figure,
- Extension of sanitary sewer, water and storm sewer to serve the area, and
- Improvements to Bunker Lake Boulevard necessary to allow for the Ferret Street connection.

Project scope assumptions used in creating this fee proposal include the following:

- **A topographic survey** of the corridors will be required for the project. The Bunker Lake Boulevard survey and design will be completed separately.

SCHEDULE AND FEES

Bolton & Menk will immediately schedule the survey and attempt to complete in 2021. Based on our understanding of the improvements, our proposed fees for the work are \$7,955.00.

If there are any questions related to this proposal, please call me at (651) 968-7760.

Sincerely,

Bolton & Menk, Inc.

Kevin P. Kielb, P.E.
Principal Engineer
