Hi Kurt, here is current hockey registration information by City for the Anoka Area Hockey Association. We don't have these numbers for the Elk River Hockey Association to whom we also sell ice. They have participants from Ramsey that live in the Elk River School District.

I think Jeff just did a sort by City, but if you look at the actual address Ramsey gained 7 more players after so this is what I have, this is just Anoka Area Hockey number

Ramsey	227	78%
Anoka	65	22%
	<u>292</u>	

I need to mention a couple of other points. After the ice is removed we have turf installed in one rink. Youth Lacrosse and Soccer leagues use this turf. Those leagues have Ramsey participants, again we don't have a breakdown at this time. Anoka high School (AHS) also uses our facility for Hockey practice and games. I would anticipate approximately 75% of those players are form Ramsey based on the AAHA data. AHS gym classes also use our facilities for various classes and during inclement weather. The AHS baseball and softball teams use our turf during poor weather also.

If I can answer any other specific questions prior to the meeting please let me know. Thanks.
