Dear Property Owner,

Thank you for allowing Staff from the Police Department and Community Development to come and inspect the property with you today. At the inspection this morning we agreed upon the following steps being taken in the next month before a re-inspection.

Please address the following before the re-inspection of the property on July 9, 2021.

- 1. Clean refuse and garbage from behind the house and in the rear property shown in the photos and map below.**
- 2. Get two to three (2-3) quotes for the roof**
 - Some companies do free quotes, so there is an option that does not cost money.
 - Keep proof of quotes for next inspection.
- 3. Decide on what work you will be doing on the roof after speaking with the contractors doing the quote. This will determine what type of permit would need to be applied for and if the work would be done by yourself or by a contractor.**

If you have any questions or concerns, please contact me at (763)433-9840.

Sincerely,

Bria Raines, Zoning Code Enforcement Officer
