Mayor Kuzma and City Council Members:

It is with gratitude and appreciation, that I am writing to inform you that I will be retiring as the City Administrator for the City of Ramsey. My last day at work in the office will be Friday, May 6, 2022.

It has been a pleasure and an honor to serve the City of Ramsey for over 14 years as your City Administrator. The City of Ramsey has provided a dynamic and motivational environment that served as a proud capstone to my 42 years as a public administrator. Thank you for the opportunity to serve the citizens of Ramsey. It has been my pleasure to work with dedicated local officials such as yourselves, and to work together to achieve great things for the City of Ramsey.

Until my last day in May, my work will be focused on a steadfast commitment to the mission of City and preparing for a smooth transition to a new City Administrator. The Ramsey professional staff is excellent and well-prepared for the opportunities that lie ahead. I am confident that the City is in good hands.

I have been blessed with a rich career and a bounty of friends, colleagues and acquaintances that have shared this journey.

Best regards, yours in service,
