It was a happy Happy Days in Ramsey with a nice fireworks show at night. I have been going to this event for over 12 years, and it is better every year. Many thanks to a wonderful Ramsey City Staff, Police, and Fire for a good, safe event. 😊

Whoever coordinated this years event, did a GREAT job with having the right system in play with the officers for the parade. The years before I witnessed so many near misses of accidents with participants and regular traffic... So thank you for making it a safer experience for all. Keep it going into the next year. 🙌 6
