

Ramsey Parks & Recreation Presents: Family Snowshoeing

Join us for a Night of Snowshoeing

Snowshoeing is an easy-to-learn activity for all ages, and is a great way to explore the winter beauty of Ramsey parks. After a brief introduction and instruction, we will explore Central Park by “floating” on the snow with snowshoes. No previous experience is necessary. Ages 5 and up are welcome. We will meet at the Central Park Warming House.

Registration is required, space is limited to 20 participants. Cost is \$3 per person and includes snowshoes.

Location: Central Park
