Re: Drainage work at 15410 Argon Street NW, Ramsey MN

Dear Ms. Schaffler:

This letter is to inform you that the City of Ramsey Public Works department will be out late spring 2017 to do some minor grading to improve drainage on the north side of the property at 15410 Argon Street NW.

The grading will consist of removing the topsoil in two areas, lowering the grade and restoring the disturbed areas with black dirt and grass seed. There is no charge for this work.

If you have any questions on this project please contact Grant Riemer, Public Works Superintendent at 763-433-9863. Thank you.

Sincerely,

City of Ramsey
Public Works Superintendent
