October 4, 2023

City of Ramsey

Attn: Brian Hagen

7550 Sunwood Drive NW

Ramsey, MN 55303

HAND DELIVERED

RE: ARAA Site Plan Withdrawal

Dear Mr. Hagen:

Please accept this letter as Anoka Ramsey Athletic Association's (ARAA) official request to withdraw its site plan application associated with the domed athletic structure previously proposed to be constructed at 14600 Ferret Street NW in the City of Ramsey, which was previously approved by the Ramsey City Council at its February 14, 2023 City Council meeting pursuant to, I believe, Ramsey City Council Resolution #23-026. Please know that this was a difficult decision, and one not taken lightly by the ARAA Board. Unfortunately, it was external factors, not associated with the City or ARAA's relationship with the City, that ultimately led to this decision. Notwithstanding the withdrawal of its site plan application, ARAA remains hopeful to continue its wonderful relationship with the City of Ramsey that has existed for several years and looks forward to perhaps future undertakings with the City as ARAA continues to provide youth athletic opportunities for families in the City of Ramsey.

Sincerely,

A handwritten signature in black ink, appearing to read "Dustin Reeder", with a long horizontal flourish extending to the right.

Dustin Reeder
ARAA President
