Upon completion of Stage I Improvements (including the removal of "temporary" erosion control measures as identified in the approved Grading Plan), acceptance by the **CITY**, supported by appropriate lien waivers, the **PERMITTEE** may request a reduction in the amount of the Financial Guaranty.

13. Inspection Escrow for the Stage I Improvements, Stage II Improvements, and Required Private Improvements. The **PERMITTEE** shall provide an inspection escrow to the **CITY** to inspect the Stage I Improvements, Stage II Improvements, and Required Private Improvements. The **PERMITTEE** may request a refund of the remaining balance in the escrow upon completion of the Stage I Improvements, Stage II Improvements, and Required Private Improvements, after acceptance by the **CITY**.
14. Street Cleaning and Clean Up. After the street surfacing that is a part of the Stage I Improvements is installed, the **PERMITTEE** shall clear any soil, earth, or debris from the streets. From time to time, the **CITY** may remove accumulations of soil, earth, and debris from the streets resulting from the construction of the Stage I Improvements. It shall be the **PERMITTEE'S** responsibility to pay the costs associated with this necessary street cleaning. Invoices from the **CITY** to the **PERMITTEE** for such costs shall be paid within fifteen (15) days of the date of the invoice.
15. Payment of Development Fees.  - b. No occupancy permit for any lot in the Plat shall be issued until the **PERMITTEE** has: (a) constructed vehicular access to the lot, including the installation of at least one layer of bituminous surfacing; (b) constructed all utilities and storm water facilities this Agreement requires to serve the lot and such utilities and storm water facilities are in place, operational and accepted by the **CITY**; (c) for lots that have a slope of less than 2%, provided the **CITY** with a certificate of grading, prepared by a licensed (State of Minnesota) professional land surveyor, certifying that the flattest grade on the lot is 1% or greater; and (d) installed and planted the sod and landscaping that are required as a part of the Stage I Improvements.

17. **PERMITTEE Defaults.** If the **PERMITTEE** defaults in the performance of one or more of the **PERMITTEE'S** obligations under this Agreement, i) the **CITY** gives the **PERMITTEE** thirty (30) days written notice of the default and ii) the **PERMITTEE** fails to cure the default within said thirty (30), then the **CITY** may pursue any and all remedies available at law or in equity including, but not limited to, the following:
- a. The **CITY** may, at its option, perform or engage one or more third parties to perform the **PERMITTEE'S** obligations. If, in the reasonable judgment of the **CITY'S** staff, the **PERMITTEE'S** default creates an immediate risk to public health or safety, the **CITY** may perform or engage one or more third parties to perform the work before the **CITY** provides the notice described in the initial paragraph of this Section, but the **CITY** must use commercially reasonable efforts to notify the **PERMITTEE** as promptly as possible that the **CITY** is undertaking to perform the **PERMITTEE'S** obligation or obligations. If the **CITY** performs one or more obligations of the **PERMITTEE**, the **PERMITTEE** must reimburse the **CITY** for any costs or expenses the **CITY** incurs, including costs and expenses for **CITY** staff time, to perform the work within 30 days after the **CITY** notifies the **PERMITTEE**, in writing, of the costs and expenses the **CITY** incurred to perform the work. If the **PERMITTEE** does not reimburse the **CITY** within said 30-day period, the **CITY** may pursue any remedies available to the **CITY** either at law or in equity or, in the alternative, the **CITY** may draw on the Financial Guaranty the **PERMITTEE** has provided to the **CITY** pursuant to this Agreement to reimburse itself for the expenses the **CITY** incurs to perform the work. This Agreement is a license for the **CITY** to act, and it shall not be necessary for the **CITY** to seek a Court Order for permission to enter the Subject Property. As an alternative to seeking recovery from the **PERMITTEE** or the Financial Guaranty, the **CITY** may levy special assessments against the Subject Property in accordance with Minnesota Statutes Section 429, and the **PERMITTEE**, for itself and its successors in title, hereby expressly waives any and all substantive and procedural objections or defenses the **PERMITTEE** may have to such special assessments.
 - b. The **CITY** may commence an action in Anoka County District Court to pursue any remedy available to the **CITY** at law or in equity including, but not limited to, injunctive relief.
 - c. The **CITY** may refuse to grant building permits for improvements to be constructed on any lots within the Plat until the **PERMITTEE** has cured all of its defaults.
 - d. The **CITY** may draw upon all or any portion of the Financial Guaranty the **PERMITTEE** has provided to the **CITY** pursuant to Section 12 and (i) use all or any portion of the proceeds from the Financial Guaranty to reimburse the **CITY** pursuant to subsection (a) above; (ii) use all or any portion of the proceeds from the Financial Guaranty to satisfy any judgment the **CITY** obtains against the **PERMITTEE** pursuant to subsection (b) above; (iii) use all or any portion of the proceeds to reimburse the **CITY** pursuant to Section 18 (j) below; and (iv) hold all or any portion of the proceeds for a reasonable time for the future application as described in subsections (a), (b) and (c) of this Section 17 (d).

18. Miscellaneous.

- a. Invalidity of Any Section. If any portion, section, subsection, sentence, clause, paragraph or phrase of this Agreement is for any reason invalid, such decision shall not affect the validity of the remaining portion of this Agreement.

- b. Written Amendments Only. The action or inaction of the **CITY** or the **PERMITTEE** shall not constitute a waiver or amendment to the provisions of this Agreement. To be binding, amendments or waivers shall be in writing, signed by the parties, and approved by a resolution of the City Council. The **CITY'S** or the **PERMITTEE'S** failure to promptly take legal action to enforce this Agreement shall not be a waiver or release.

- c. Compliance with Laws and Regulations. The **PERMITTEE** represents to the **CITY** that the Plat complies with all **CITY**, County, State, and Federal laws and regulations, including but not limited to: subdivision ordinances, zoning ordinances and environmental regulations. If the **CITY** determines that the Plat does not comply, the **CITY** may, at its option, refuse to allow any construction or development work in the Plat until the **PERMITTEE** does comply. Upon the **CITY'S** demand, **PERMITTEE** shall cease work until there is compliance.

- d. Mailbox Locations. If the **PERMITTEE** desires to construct mailboxes within the public right of way, the **PERMITTEE** agrees that the placement of mailboxes along public streets is subject to the approval by the **CITY**. Utility locates will be necessary.

- e. Boulevard and Wetland Restoration. The **PERMITTEE** shall be responsible for the cost of establishing seed in all boulevards within thirty (30) days of the completion of the street improvements, and restoring all other areas disturbed by the development grading operation in accordance with the approved Grading and Erosion Control plan. The **PERMITTEE** shall be responsible for the cost of cleaning any soil, earth, or debris from the wetlands within and adjacent to this Plat resulting from grading performed in the development of the Plat.

- f. Construction, Hours and Entrance Signs. The **CITY** restricts construction and delivery hours to Monday through Saturday 7:00 a.m. to 10:00 p.m. The **PERMITTEE** is required to provide a sign at each entrance point stating delivery and construction operation hours. Said signs are not to exceed eighty (80) square feet in size and must be clearly visible at all times during the construction period.

- g. Construction Site Maintenance. The **PERMITTEE** shall adhere to all of the **CITY** ordinances relating to, but not limited to, dumping of garbage, site development, construction debris, open burning, etc. The **CITY** reserves the right to withhold permits, inspections, or certificates of occupancy to correct violations relating to construction site maintenance.

- h. Estimated Cost. It is understood and agreed that cost amounts set forth in this Agreement as to Stage I, Stage II, and Required Private Improvements, unless qualified as fixed amounts, are estimated. The **PERMITTEE** agrees to pay the entire cost of said improvements including interest, engineering and legal fees related thereto.

- i. Plat Approval Expenses. The **PERMITTEE** agrees that it will pay to **CITY** all **CITY** expenses incurred in the approval of the Plat, including, but not limited to, administration expenses, engineering and legal fees. Said expenses incurred after recording of the Final Plat shall also be paid within said fifteen (15) day billing period. Failure to pay the **CITY'S** expenses within the fifteen (15) day billing period will permit the **CITY** to draw upon any of the escrows required by this Agreement for payment.

- j. Reimbursement to the CITY. The **PERMITTEE** agrees to reimburse the **CITY** for all costs incurred by the **CITY** in defense or enforcement of this Agreement, or any portion thereof, including court costs and reasonable engineering and attorney's fees.
