

ARTICLE XIV. RENTAL RESIDENTIAL DWELLING UNITS

DIVISION 1. GENERALLY

Sec. 26-614. Purpose.

It is the purpose of this chapter to protect the public health and safety of citizens of the city by adopting a rental dwelling licensing, inspection and maintenance program that corrects substandard conditions, maintains a standard for existing and newly constructed rental dwellings, and promotes neighborhood stability in the city. The operation of rental properties is a business enterprise that includes certain responsibilities for the licensee and tenant. Licensees' are responsible to take such reasonable steps as are necessary to ensure that the renters who occupy such rental units, as well as neighboring properties, may pursue the quiet enjoyment of the normal activities of life in surroundings that are safe, secure, and sanitary, free from noise, nuisances and annoyances, and free from unreasonable fears about safety of persons and property.

Secs. 26-616—26-644. Reserved.

DIVISION 2. LICENSE

Sec. 26-645. License required.

No person shall operate a rental dwelling building or unit without first having obtained a license to do so from the city.

- (1) A rental license is required for all rentals, including short term rentals (STRs).
- (2) Tents, campers, trailers, yurts, and similar may not be rented out or used as residences. Only those places of residence with active certificates of occupancy (CO) for habitation may be rented. Property owners may not let or rent land for camping unless locating in a properly zoned and designated campground in accordance with City Code.
- (3) Exceptions.
 - a. These rental licensing requirements do not apply to residential property that has been sold on a contract for deed so long as the purchaser (vendee) occupies the property and the sale document used to memorialize the sale is a Minnesota uniform conveyancing blank and is recorded with the Anoka County Recorder's office and a copy is provided to the city upon request.
 - b. These rental licensing requirements do not apply to residential property that is occupied by the owner or the owner's qualifying relative and two or fewer tenants where the owner and the tenants share all living space within the dwelling.

-
- c. Rental licensing fees and conversion fees do not apply to a dwelling owned by a member of the United States armed services who is on active duty and the property is rented to another person during the time of active duty. The owner must provide the city with a copy of the owner's military orders and must occupy the property when not on active duty as the owner's primary residence.
 - (4) As a condition of the license, the licensee must, as a continuing obligation, conduct criminal background checks and credit history checks on all prospective tenants and maintain a current roster of tenants and other persons who have a lawful right to occupy the rental dwelling or rental dwelling units. The licensee must designate the name of the person or persons who will have possession of the roster and must promptly notify the city administrator of any change in the identity, address or telephone numbers of the designee. The roster must be available for inspection by city officials upon request. If a person under investigation by the city claims a lawful right to occupy a rental dwelling unit or be present on the rental property, the city administrator or designee may request to inspect the lease for the unit in which the person claims to reside. Upon such request, the licensee shall provide the lease for inspection.
 - (5) Written tenant application and lease agreement required. The licensee must screen all potential tenants using a written tenant application. The licensee must use a written lease agreement for all tenants. The licensee must have all tenants execute a Minnesota Crime Free Housing Lease Addendum. The written tenant application must include sufficient information so that the licensee can conduct appropriate criminal background and credit checks on prospective tenants. The written tenant application and written lease agreement and the Minnesota Crime Free Housing Lease Addendum for each tenant must be part of the licensee's files. Upon request the licensee must show proof, satisfactory to the city, that the licensee is maintaining the documents required by this section. Failure to use, maintain, or provide these documents to the city upon request is a violation of this chapter.

(Code 1978, § 7.15, subd. 1; Ord. No. 03-26, 8-25-2003; Ord. No. 10-13, § 2, 9-28-2010; Ord. No. 16-09, § 2, 10-25-2016; Ord. No. 21-17, § 2, 8-24-2021; Ord. No. 23-16, 9-12-2023)

- (c) Application for license renewal shall be filed at least 30 days prior to the license expiration date. An initial or renewal license shall not be issued until the city has determined that the premises are in conformance with all state and local laws and ordinances, except as otherwise required by this article.
- (d) A criminal background investigation will be conducted on the owner listed on the application. If the dwelling is owned by more than one individual the city may request additional information from the license applicant regarding all owners. If the dwelling is owned by a business entity the city may request additional information regarding all officers, managers, or directors, and may conduct additional background investigations as it deems necessary. The applicant shall pay a background investigation fee for each background investigation conducted. The applicant shall obtain any necessary signature on a release provided by the city authorizing the city to conduct the investigation.
- (e) Criminal background investigations are not required for renewal applications and no background investigation fee shall be required; however, the police department or other city staff may conduct a background investigation at its sole discretion.

Thereafter, the city may take appropriate action to prevent the continued use of the affected dwelling unit in accordance with state and local laws and ordinances.
- (b) A licensee shall not be entitled to a refund of any license fee upon revocation or suspension.
- (c) A reinspection fee, established from time to time, by the city council shall be charged for each reinspection required to follow-up for any inspection. Reinspection fees shall be payable at time of reinspection and no renewal license shall be issued unless all inspection fees are paid.
- (d) A conversion fee for conversion to rental. A residential dwelling or dwelling unit that is converted to a rental property shall pay a conversion fee approved in the fee schedule established by the city council. The conversion fee includes the rental license application fee the first year. Fees charged for required educational training are not included in the conversion fee.
 - (1) Exemptions. All properties that have been converted to a rental dwelling prior to the adoption of this code, are exempted from paying a conversation to maintain the property as a rental. Once a dwelling unit is converted back to a non-rental, the exemption is voided.
- (e) Reinstatement fee. A residential dwelling or dwelling unit in which the license has been suspended or revoked must pay a reinstatement fee according to the city fee schedule to reinstate the license.

DIVISION 4. PENALTIES

Sec. 26-655. License denial, suspension, or revocation.

- (a) *Grounds for denial, suspension or revocation.* The city administrator may temporarily suspend, deny or not renew a license and the city council may revoke or suspend a license for any of the following reasons that shall also constitute a violation of this chapter:
 - (1) The property does not conform to City of Ramsey Zoning Code;
 - (2) The property does not comply with a health, building, maintenance, or other provisions of the City Code or state law;
 - (3) The licensee has failed to pay the license fee, inspection fees, the investigation fee, or a fine that has been imposed;

 - (5) Conviction of a background check crime as defined in Minn. Stats. § 299C.67, subd.2, as may be amended from time to time; or any crime related to the business licensed and failure to show, by competent evidence, rehabilitation and present fitness to perform the duties of the business;
 - (6) Operating or allowing the rental property to be used in such a manner as to constitute a breach of the peace, a menace to the health, safety, and welfare of the public, or a disturbance of the peace or comfort of the residents of the city, upon recommendation of the chief of police;

 - (8) The licensee's rental license to operate a rental dwelling in another jurisdiction has been denied, revoked, or suspended;
 - (9) Failure to schedule and/or allow rental or building inspections of the licensed premises, for the purpose of ensuring compliance with rental licensing requirements, City Code requirements, state building codes, or other applicable state or federal law;
 - (10) Failure to continuously comply with all conditions required as precedent to the approval of the license;
 - (11) Real estate or personal property taxes have become delinquent and the property owner and the licensee are the same person or entity, or have any common ownership where they are a different person or entity;
 - (12) Violation of any regulation or provision of the City Code applicable to the activity for which the license has been granted, or any regulation or state or federal law that may be applicable;

-
- (13) Excessive calls for service as determined by the chief of police based on the number and nature of the calls compared to the number of dwelling units on the property when the licensee has been notified of the calls by the chief of police and the licensee has failed to supply an appropriate written action plan for reducing the calls for service, or when the calls for service exceed an established threshold a second time within 12 months of completing an action plan for previously exceeding the threshold.
 - (14) Failure to actively pursue the eviction of tenants who have violated the provisions of the crime free lease addendum or who have otherwise created a nuisance in violation of the provisions of the written lease; and
 - (15) Other good cause as determined by the city council after conducting a public hearing.

- (b) *Temporary suspension.* The city administrator may temporarily suspend a license pending a hearing on the suspension or revocation when, in its judgment, the public health, safety, and welfare is endangered by the continuance of the licensed activity.
- (c) *Notice.* Before the suspension or revocation of the rental license, the city must provide written notice informing the licensee of the right to a hearing. The notice must provide at least 30 calendar days' notice of the time and place of the hearing and must state the grounds for the proposed suspension or revocation of the license. The notice may be served upon the licensee personally, by leaving the notice at the licensed premises with the designated manager, or by certified mail to the address listed on the license application.
- (d) *Hearing.* A hearing will be conducted before the city council at a public meeting. The licensee shall have the right to be represented by counsel, the right to respond to the charged violations, and the right to present evidence through witnesses. The rules of evidence do not apply to the hearing and the city council may rely on all evidence it determines to be reasonably credible. The determination to suspend or revoke the license shall be made upon a preponderance of the evidence. It is not necessary that criminal charges be brought in order to support a suspension or revocation of a license violation nor does the dismissal or acquittal of such a criminal charge operate as a bar to suspension or revocation.
- (e) *Final decision.* Following the hearing, the city council may revoke or suspend the license for all or any part of the licensed premises, may stay the revocation or suspension upon such terms and conditions as it deems reasonable and necessary to accomplish the purposes of this chapter, or grant or continue the license. The decision by the city council following a hearing is final. Upon a decision to suspend a license, no new application from the current licensee for the same rental dwelling will be accepted for a period of time specified in the council's decision, not exceeding one year. A decision to revoke a license will result in no new application being accepted from the same licensee for a minimum of one year.
- (f) *Appeal of decision to deny or not renew license.* If the city administrator denies or does not renew a license, the licensee shall be notified in writing, specifying the reasons for denying or not renewing the license. If the licensee corrects the conditions leading to the denial or non-renewal within 14 days, the city administrator shall issue the license. A licensee whose license has been denied or not renewed by the city may appeal the decision by filing with the city administrator a written notice of appeal within ten days of receiving notice of the city's decision. The hearing will be conducted pursuant to City Code.
- (g) *Notification to tenants.* Upon denial, suspension, revocation or other enforcement action of a license, the city will notify all affected tenants of the action against the license. If the license is revoked or suspended the licensee may not let, rent or allow to be occupied any vacant dwelling units, or dwelling units that become vacant during the revocation or suspension period.
