

DAY TRIP: STILLWATER RIVER CRUISE

Experience an array of Autumn hues along the scenic St. Croix River while you enjoy a luncheon cruise. As you glide along the river, observe the striking contrast between the golden hues of aspen trees and the deep greens of conifers set against the towering cliffs carved by glacial melt-waters from Lake Superior. After the cruise, we will stop at St. Croix Winery and Aamodt's Apple Farm. Here, you'll have the opportunity to purchase award-winning local wines crafted right at the orchard, along with a variety of delicious seasonal treats and unique gifts.

Registrations and cancellations must be received by Friday, August 30. After this date, refunds cannot be processed, but you may transfer your registration to someone else.
