

Park Grand Opening

Join Ramsey's Park & Recreation Commission for an evening of family-friendly celebration for the grand opening of a brand new, unique playground on Thursday, September 12, from 5:30 to 7:00 p.m. The Hollow's playground is nestled within a lovely stand of mature trees protected from development, and play elements are attached to 325 feet of elevated boardwalk that brings children into the treetops—come and see, and take a ride on the zipline too!

Menu items available for includes hot dogs, brats, hamburgers or turkey burgers, chips, nachos, State Fair Mini Donuts, and beverages.

Enjoy Reconnecting with your neighbors, meeting new friends, and staying for the September Parks Commission meeting to hear about the City's latest park and trail initiatives and provide your thoughts. The Park & Recreation Commission meeting begins at 6:30 p.m. with Citizen's Input. The ribbon-cutting ceremony and photo will be held at 6:40 p.m.
