

SPRING PUZZLE COMPETITION

Join us for a family-friendly speed puzzling competition! Teams of up to four will work together to assemble a picturesque puzzle featuring scenery from one of Ramsey's 2024 Photo Contest entries. Participants are given a two-hour time frame to complete their puzzle. The winning teams will receive a prize.

Each team will work on the same 500-piece puzzle they can take home after the event. You are welcome to bring your own snacks to enjoy throughout the event.

Box top holders and sorting trays are permitted. Other puzzling tools are not. Any teams found interfering or distracting others will be disqualified.
