

INTRO TO ARCHERY

Join us to learn the basics of archery with USA Archery and the Minnesota Archers! Participants will receive hands-on instruction covering the fundamental techniques and safety protocols. All necessary equipment is provided.

Parents are required to remain on site for the duration of the class. For safety, participants must wear closed-toe shoes and follow the coach's instructions at all times.

These sessions are offered as part of the MAA/USA Archery North Star Open and Voyageur Cup, a state and regional outdoor target event that draws shooters from all over the Midwest.
