

Projects Focus

Every month, all of the street crews are out making street repairs, sweeping streets, picking up hazards on the streets, as well as spraying weeds.

Below, you will see that we are preparing the streets to be striped to make them safe. This is an annual maintenance project.

(Garden St-Mescalero Rd to Berrendo Rd)

(5th St- Union Ave to Washington Ave)

Projects Continued

Below you will see some drains that have gotten clogged with the storm and the current rain that we have received. Crews are out cleaning and digging dirt, gravel, and other debris out of drains.

Some of these storm drains could not be cleared with just a shovel. So we requested assistance from WWTP to help us clear them out. We used a loader to lift the grates, and wastewater personnel used a vactor truck to remove the debris.

Crews had to clean up some graffiti on concrete box culverts on W College Blvd & close to Moore Ave. Both sides

Crews have also crack-sealed the RFD Training Center Parking lot

Street Crews are constructing VIP Parking for the Air Races

Quantities of Materials for the Month

The patch and street maintenance crews used 32 tons of cold, 235 bags of Poly patch material, and 44 units of crack sealant.

The alley crews have used 10 loads of gravel, 19 loads of road base, 51 loads of millings & 21 loads of sweeping waste taken to the landfill, and 88 loads of water.

The crusher crew loaded 53 loads of millings, 9 loads of gravel & 172.2 tons of road base. Crushed 240 tons of gravel.

The sweeper crew had 252 loads of daily sweeping waste this month.

The herbicide crew has sprayed 2250 gallons of weed killer to control weeds on City property.

The sign shop personnel have replaced or added 29 signs, 16 sign posts, 16 studs, and 45 feet of Thermo lay for crosswalks, 10 gallons of paint.
