

Projects Focus

The potholes continue to get repaired with two crews working to fix the problem areas in the streets. Mower crews are also active in keeping the weeds under control. The weed spraying crew is working the right of ways, and when the wind curtails spraying, they are picking up trash, preventing unsightly roadsides and driving hazards. The Alley crew continues to maintain the graveled alleys by leveling out the ruts and adding fresh gravel when needed. The sign crew has been keeping up with faded signs that need to be replaced and helping set up material for special events as needed.

Crews edge milling N Kentucky from 8th St to 11th St

Quantities of Materials for the Month

The patch and street maintenance crews used 80.8 tons of cold mix, with 8.81 tons used to repair water cuts, and 36 bags of Poly patch material.

The alley crews have used 21 loads of gravel, 1.5 loads of road base, 12 loads of millings, 45 loads of sweeping waste taken to the landfill, and 93 loads of water.

The crusher crew loaded 40 loads of millings & 10 loads of gravel. They crushed 100 tons of road base & 1050 tons of gravel. They also had 25 loads of trees, debris, and trash.

The sweeper crew had 217 loads of daily sweeping waste this month.

The herbicide crew has sprayed 1230 gallons of weed killer to control weeds on City property.

The sign shop personnel have replaced or added 14 signs, 2 signposts, and 2 studs.
