

Projects Focus

The potholes continue to get repaired with two crews working to fix the problem areas in the streets. Mower crews are also active in keeping the weeds under control. The weed-spraying crew is working the right-of-ways, and when the wind curtails spraying, they are picking up trash, preventing unsightly roadsides and driving hazards. The Alley crew continues to maintain the graveled alleys by leveling out the ruts and adding fresh gravel when needed. The sign crew has been keeping up with faded signs that need to be replaced and helping set up material for special events as needed.

Crews are working on the new community enhancement building parking lot

City of Roswell Road'eo Set Up

Quantities of Materials for the Month

The patch and street maintenance crews used 100.8 tons of cold mix, with 11.78 tons used to repair water cuts, and 128 gray bags of Poly patch material.

The alley crews have used 12 loads of gravel, 10 loads of road base, 27.5 loads of millings, 72 loads of sweeping waste taken to the landfill, 116 loads of dirt moved from the detention pond to Wool Bowl, and 63 loads of water.

The crusher crew loaded 39.5 loads of millings, 420 tons of road base & 51 loads of gravel. They crushed 1600 tons of road base. They also had 3 loads of trees, debris, and trash.

The sweeper crew had 211.5 loads of daily sweeping waste this month.

The herbicide crew has sprayed 1250 gallons of weed killer to control weeds on City property.

The sign shop personnel have replaced or added 12 signs, 23 signposts, and 22 studs.
