CITY OF ROSWELL
RESOLUTION 25-XX

A RESOLUTION REQUIRING THE REMOVAL AND/OR DEMOLITION OF CERTAIN DAMAGED AND DILAPIDATED BUILDINGS, STRUCTURES OR PREMISES; PROVIDING THAT THE CITY SHALL HAVE A LIEN FOR THE COST OF REMOVAL; PRESCRIBING THE PROCEDURE INCIDENT TO SUCH REMOVAL AND/OR DEMOLITION AND DECLARING CERTAIN PROPERTY TO BE IN SUCH STATE OF DISREPAIR, DAMAGE AND DILAPIDATION AS TO CONSTITUTE A DANGEROUS BUILDING AND A PUBLIC NUISANCE PREJUDICIAL TO THE PUBLIC HEALTH, SAFETY AND GENERAL WELFARE.

WHEREAS, it is the opinion of the City Council of the City of Roswell, New Mexico, that those certain buildings or structures upon the premises located as follows and purportedly owned of record, or occupied by the parties hereinafter named, are and have become in such state of disrepair, damage and dilapidation as to be a menace to the public health, safety and general welfare of the inhabitants of the community; and further, that it is in the public interest to require the removal thereof, according to law, by reason of the condition or conditions set forth in Exhibit "A".

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL, THE GOVERNING BODY OF THE CITY OF ROSWELL, NEW MEXICO:

1. That the buildings or structures set forth in Exhibit "A" are declared to be in such state of disrepair, damage and dilapidation as to constitute a dangerous building within the purview of Roswell Municipal code section 16-12, as well as being a public nuisance prejudicial to the public health, safety and general welfare. That such dangerous buildings or structures set forth, if any, cannot reasonably be repaired so that they will no longer exist in violation of the terms of the ordinance.

2. The owners, occupants, if any, or agent in charge of said premises be, and they hereby are ordered and required to remove such dangerous buildings, or structures within a reasonable time thereafter not to exceed fifteen (15) days from the receipt of notice by certified mail or from date of publication of this resolution as hereinafter provided, and as the case may be. In the event such removal be not commenced by such owner, occupant or agent, or written objection thereto be filed with the City Clerk within ten (10) days after service of a copy of this resolution by certified mail or by publication, requesting a hearing, then and in such event, the City Manager is hereby authorized and directed to cause such dangerous buildings or structures to be removed at the sole cost and expense of the owner, owners or other parties having an interest in said properties, and further, that the reasonable cost of such removal shall be and become a subsisting and valid lien against such property so removed and the lot or parcel or land from which such removal was made and shall be foreclosed in the manner provided by law for the foreclosure of municipal liens. Alternatively, the City Manager may act pursuant to Article 3-18-5 (G) (NMSA, 1978), and cause the dangerous buildings or structures to be removed and give title to them or their components to the removing person or persons.

3. In the event the owner or other interested party aggrieved shall file his protest within the time herein provided, requesting a hearing, on the matter, the City Council shall fix a date for hearing, at which time said Protestants shall be entitled to be heard in person, by agent or attorney, and the City Council shall consider evidence whether or not its previous action should be enforced or rescinded. If it shall be determined that the removal order should be enforced, and the owner(s) shall fail or neglect to comply with said decision of the City Council, they shall have a right of appeal to a court of competent jurisdiction by giving notice of such appeal to the City Council within the (10) days after the date of the City Council decision, together with his petition for court review duly filed with the Clerk of the Court within thirty (30) days of the date of the decision complained of.

4. Upon the adoption of this resolution, it shall be the duty of the City Building Inspector to notify the owner, occupant or agent in charge of such building or structure of the adoption of this resolution by serving a copy thereof upon him by certified mail, return receipt requested; and in the event such owner, occupant or agent cannot be found or served within said City as herein above provided, such notice may be served by posting a copy of said resolution upon the premises complained of, followed by legal publication of said resolution one time in a newspaper of general circulation within the city.

ADOPTED, SIGNED AND APPROVED 13th day of February 2025.

2024 Annual Report: Pecos Valley Public Services

This past year has been a transformative journey for Pecos Valley Public Services. We began 2024 as a recognized Search & Rescue (SAR) organization in the State of New Mexico. However, after encountering challenges related to community services and our inability to self-activate for local emergencies, we made the difficult decision to voluntarily withdraw from our role as a state-recognized SAR team. New Mexico's SAR efforts are state-supervised, and without the ability to respond directly to community needs, we recognized a significant gap in local support—one we felt compelled to fill.

Our pivot began in the winter, as we shifted focus toward becoming a broader community service provider to better serve our immediate region. As a former SAR team with extensive expertise in wilderness aid and rural rescue, we initially faced some resistance in our new role. It was understandable that there were initial doubts.

In the early months of 2024, we provided first aid and support services through the HOME (Homeless Outreach Mobile Engagement) program, a state-supported initiative, assisting the unhoused population in the county.

In early summer, we dedicated hundreds of volunteer hours to assist those displaced by the Ruidoso fire. During the peak of the crisis, our team worked tirelessly in shelters and on the streets, providing essential services to fire refugees. Despite dwindling supplies like food, medical items, blankets, and hygiene products, we persevered, ensuring the community received the care it needed. After the fire crisis subsided, we resumed our efforts supporting vulnerable populations, pursued an EMS certification, and expanded our community outreach.

Throughout the year, we made significant strides in public safety training, certifying numerous individuals in CPR/AED and "Stop the Bleed" techniques. Beyond training, we provided urgent aid to people stranded in wilderness areas and offered medical standby and first-aid support at major local events, including the Chaves County 4-H FFA Fair, the Eastern New Mexico State Fair, the Walk of Hope, the Boys & Girls Club "Bubble Run," and the Sertoma Colt Classic baseball tournament.

Our presence was felt across the county, and we made an impact wherever help was needed.

Our services were made possible through partnerships with organizations such as "Food Not Bombs" Roswell, Roswell Disaster Relief Services, the American Red Cross, Eastern New Mexico State Fair, the Chaves County Health Council, and other nonprofit organizations.

By October, it was clear that we had been busier than ever. We tripled our volunteer hours compared to the previous year, and then the unexpected struck again—a flood. On that Saturday night, we conducted water rescues and provided medical standby at the ENMSF shelter for six days, at the request of the American Red Cross. Once again, our supplies were stretched thin, but our volunteers pressed forward.

In total, Pecos Valley Public Services contributed over 800 hours of volunteer service in 2024—equivalent to more than 100 full workdays, provided entirely free to the community. For a volunteer-based organization, this was no small feat. In addition to offering trained, certified, and insured volunteers, we also provided the necessary tools, vehicles, and equipment to respond to crises.

Our efforts made a tangible difference. From responding to two major disasters to ensuring the safety and well-being of the community at local fairs, events, celebrations, and regular outreach activities, we have been there every step of the way. Whether aiding fire refugees, providing care at the warming center for those without homes, or supporting cancer survivors at the Walk of Hope, our mission has remained the same: to serve our community without expecting anything in return.

As we reflect on the year, we are immensely proud of the work we've done and the impact we've had. Pecos Valley Public Services has proven that when the community needs help, we will always be there. As we look to the future, we remain committed to growing our services and continuing to support those who need it most. It will not be easy. Emergency medical services are highly regulated and costly to obtain the required licenses and certifications. But as always—we will manage.

We are pleased to report the addition of three new volunteers to our team, two of whom have medical backgrounds. Alongside this growth in personnel, we have enhanced our operational capabilities by acquiring new equipment and upgrading our vehicles with generators, air conditioning, and solar-powered systems. These improvements aim to provide greater comfort and support, not only to our volunteers and fellow first responders but also to those in need of our assistance.

Additionally, we upgraded our computerized phone system to ensure uninterrupted, around-the-clock service. This system now automatically forwards calls to standby volunteers whenever urgent assistance is required, ensuring a reliable and immediate response.

Our FINDME Wilderness Tracker

We are proud to report that approximately 100 hikers, hunters, and outdoor enthusiasts utilized our "FindMe" service, which we developed to assist or potentially prevent the activation of Search & Rescue operations. This service allows anyone in New Mexico to activate an automatic tracking system as an extra safety measure when venturing into the outdoors.

No special gadgets or tools are required. The system operates fully automatically, and our volunteers are alerted only if the user fails to return within their specified time frame. In total, FINDME was used by 56 different users across 97 events. Of these activations, 86% required no intervention, 12% marked themselves as "safe" after a volunteer follow-up call, 1 user contacted our hotline upon returning home due to a drained cell phone battery, and another user called a volunteer directly to report themselves as "safe." In these last two cases, a volunteer manually deactivated the FINDME tracking service.

Outlook for 2025

Over the next 12 months, we are committed to continuing and expanding our services. Our wilderness training programs will be enhanced to ensure that we remain prepared to assist the community whenever help is needed in New Mexico's deserts and rugged areas. We now have the flexibility to assist other agencies and the community with support, rescue, and urgent requests as needed.

We have already booked several medical standby and event support requests for the upcoming year. Additionally, we will continue to serve vulnerable communities in our region and deepen our cooperation with the Chaves County Health Council, other NGOs, and first responder agencies.

Our commitment to public outreach and life-saving training remains strong, and we plan to significantly expand our efforts, particularly in raising awareness about the hidden dangers of cardiovascular disease. Many in our community, feeling healthy, have not visited a doctor for years, only to discover elevated or high blood pressure levels during quick checks provided at our events. We plan to host multiple pop-up events throughout the year, offering information, blood pressure screenings, and connecting individuals with local physicians who provide low-cost or free in-depth checkups.

We have also requested access to the New Mexico Medical Radio Network (EMSCOM) and Chaves County Dispatch Service to improve our communication capabilities. Additionally, we are evaluating the New Mexico Digital Trunked Radio System (NM-DTRS), as relying on cell phones to request additional resources has proven cumbersome in certain situations.

These enhancements will ensure safer, more efficient communication and resource coordination during our operations.

Summary

2024 was a challenging year, marked by numerous events and significant changes. Throughout the year, we experienced kindness, friendship, and cooperation, but we also faced resistance and misunderstandings from those unfamiliar with our vision and goals.

We were tested by disasters and a variety of events, and at times, we felt overwhelmed and uncertain about how to move forward. Yet, in those moments, a helping hand always emerged—whether through critical funding, much-needed assistance, or a friendly gesture that gave us the strength to persevere.

With the deepest gratitude, we thank our dedicated volunteers, supporters, and everyone who contributed to our efforts. It is through their support that we have been able to continue serving those in need.

Today, we proudly affirm that when our community called upon us, we responded and delivered the services and assistance required.

As we move forward, we have adopted a new motto that will guide us in the coming year and beyond:

PARATI SUMUS
We are ready

Thank you for your continued support and assistance.

Sincerely,

- With the help of Chaves County Sheriff's Department and Roswell Police Department, all PVRCC personnel were able to get the mandated State training accomplished before the deadline of December 31. This is a major accomplishment, as the mandate was not issued until late this year. Alison Herring worked diligently to get all of our state certified communicators in and through training.

Operations

- No significant concerns relative to operations

Equipment

- No change in the status of the Radio Console Project. PVRCC is still being assured that it will be completed before the June 30th deadline.
- IT is aware of the time constraints on the approved Computer Aided Dispatch Project and will be working to ensure completion of this project to the best of our ability.

Facility

- No significant concerns relative to facility
- Area D move should be moving forward, latest projection is August or September 2025, may have to be pushed back due to the Roswell Air Races.

 - 29 Full Time
 - 12 Paramedics
 - 11 EMT-Intermediate
 - 6 EMT-Basics
 - 10 Part Time
 - 6 Paramedics
 - 2 EMT-Intermediate
 - 2 EMT-Basics

Currently we have 2 RFD personnel (2 AEMT) working part time.

We are sponsoring 2 employees for license upgrades 2 in the paramedic program and one Advanced EMT completed training in December.

We have 5 fulltime employees that have graduated from the AEMT program at ENMU-R and are taking their NREMT Exam.

- **5 Ambulances staffed daily.**
 - 4 – 24 hour ALS
 - 1 – 12 hour 0900-2100 ALS (AEMT)
 - Total of 108 Unit Hours
- **1 Ambulance staffed as needed.**
 - 1 – 12 hour 0800-2000 BLS/ALS for LDT's
 - Total of 12 Unit Hours

AMR continues to staff in 3 posting stations, our main Country Club station, RFD station 1, and RFD station 5 staffed and in full operations aiding in efficient response times.

EMD priority dispatching, ProQA has had a large impact on response times. We have received multiple EMS only non-emergent calls for service. This Month we have responded to 220 EMS only calls.

I would like to say how proud I am of all the first responders that answered the call the night of 10/19/24. None of us could have ever imagined what was going to happen in our community. Roswell has always been known for being quick to respond to the need of others and when it hit home, we were no different. We found ourselves rescuing our own people, not just the citizens we serve every day, but the people we respond with. That night ALL First Responders Volunteer, Retired, and Professional... EMT's, Paramedics, Firefighters, LEO, NMNG, City and County employees including the mayor, came together and did what we do best. Saved Lives! I have been serving this community for over 35 years and I can't begin to say how overwhelming impressed I am with the people I have the pleasure leading. The men and women that serve this community as EMT's and Paramedics are some of the best in the business and they are right here serving the citizens of Roswell and Chaves County. Many of the shifts ended that morning, without hesitation they people going off stayed to help, knowing their own homes were being damaged or destroyed by the flood. Our community will recover, and AMR will be here to serve the people of Roswell and Chaves County.

We continue to add and maintain special skills to all levels of EMT and Paramedic. AMR's Special Skills continue to raise the bar and bring an advanced level of care to the community of Roswell and Chaves County. We were approved by the State Medical Direction Committee for the Special Skills of Finger Thoracostomy for Paramedics.

We are pleased to partner with local hospital accreditations and have received the Chest Pain Accreditation Partner in Care from the American College of Cardiology Foundation. We are excited to report that we have verified that our teams have successfully resuscitated 4 more Roswell citizens with no neurological deficits, and we have added them to our Tomorrow Wall. We now have 23 Roswell / Chaves County citizens on our Tomorrow Wall.

We continue to have STEMI Alerts with successful PCI outcomes, with STEMI's being identified by our AEMT's with Special Skills.

AMR continues to invite teams from RFD and Chaves County EMS with joint training to aid in the development of a better EMS System in Roswell and the County.

We continue to work within the community and supporting events with the schools for career days and stand by services at Football games, as well as providing standby service when needed. We had a booth in this year's Chaves County Health Expo. We are working on new dates for a community wide Hands Only CPR and Stop the Bleed event that we had to postpone due to the flood.

AMR is dedicated to the community that we serve in and wants this committee to know that we are here to serve them.

ACCOMPLISHMENTS

- Patrol has completed the annual training for this month.
- Officer Troy and Officer Fulkerson have been released to light duty status from their injuries they sustained on duty.
- Received 7 more patrol units for SRO Unit, Traffic Unit, and one for Patrol.
- Attended the 29th Annual NMIACP.
- Sgt. R. Rodriquez assigned to SRO Sergeant.
- Sgt. Reese was moved back to Patrol Sergeant position.
- Light Parade was completed and no issues.
- Getting officers that work the airport overtime badged. (Airport badges per TSA)

PLANS FOR NEXT MONTH

- Patrol is continuing to conduct traffic details in problem areas or intersections.
- OT will still be posted for the STEP/ENDWI/BKLUP.
- Get in more units and get them out on the street.

ISSUES AND CONCERNS

- Vehicles are still an issue. I know vehicles are coming and we got the 5 that graduated from the academy vehicles but are down to only a couple of old spare units. Some of the Dodge Durangos are having issues with radiator hoses, oil coolers, battery issues and recalls are now coming in for the new Durangos. I talked with Dodge staff and learned the oil coolers on the Durangos are faulty and to expect a large recall for them in January 2025. I know we are getting more, but Patrol needs more to fully staff Patrol with a good fleet.
- Patrol Officers are not signing up for overtime details other than Airport detail/chief's overtime. I believe this is due to our very young Division and wanting to have some life after work, not just work, but then again Airport Detail does not require reports and traffic tickets. I believe this is due to low pay and the city not being competitive in pay like other cities/counties or even other states. Sgt. Cavin and Officer Watkins are out on on-the-job injuries and will not be returning for several months. I also have Officer Troy and Officer Fulkerson injured, but are on light duty status at this time and not sure when they will be released for active duty.
- Patrol Officer U. Jimenez (6-yr. officer) put in his two weeks' notice due to the call from Chief of Grand Prairie TX signing his papers, so his last date is January 10, 2025. Officer M. Sedillo (4 ½-yr. officer) is starting the testing process with same agency due to a higher salary. We are still losing officers to other agencies due to higher pay. This also brings up issues with promotions, especially to Sergeants coming to Patrol with inadequate experience and leadership that we are seeing or the lack of interest in promotions. Sgt. Cavin is having issues healing and will more than likely not be released for active duty until March 2025 or later. Patrol Sergeants are struggling due to working double shifts. Sgt. Best will be assisting Patrol Sergeants to alleviate stress until Sgt. Cavin is released to active duty.

SWAT

No call outs in December.

Training: On 12-19-24 The SWAT team met at the range for their quarterly qualifications. We then met at RHS for our annual PT test. The team then met in the afternoon for entry training at CCJDC.

Accomplishments: Put on an active-shooter class where 11 officers attended.

Plans for Next Month: Trailer and TEMS tryouts the 23rd during training day. Getting architect to design a floor plan for simms shoot house.

Issues and Concerns: Sgt. Wrenn stepped down so we need to replace him as an operator and sniper.

DIVISION HIGHLIGHTS

COMMUNITY OUTREACH:

December 17:

Members of RPD provided some help to the Chaves County CASA program by delivering gifts CASA had collected for the children the organization serves. The Court Appointed Special Advocates serve abused, neglected, and vulnerable children and their families who are involved in or affected by court proceedings. RPD helped deliver these Christmas gifts to the homes of the children served by CASA.

TRAININGS:

December 27 & 30:

Sergeant Trong Nguyen and Sergeant Scott Wrenn facilitated firearm biennium training, which is mandatory for all sworn officers to complete within the 2024-2025 biennium. The training was held at the New Mexico Military Institute, and surrounding agencies from the county were also invited to participate in order to assist the region in meeting state training requirements.

NEIGHBORHOOD WATCH (OFFICER H. GONZALEZ):

Officer Gonzales has been in contact with neighborhoods throughout the month. No meetings were scheduled for the month due to holidays. Officer Gonzales has completed and is still currently occupied with completing backgrounds in order to assist with the hiring process.
