ACCOMPLISHMENTS

- Officer Troy has been released from light duty.
- Received new patrol units that replaced the units lost in the flood.
- Patrol officers completed reality-based training.
- Sent Four recruits to Santa Fe.
- Shift change went well with only a few issues.

PLANS FOR NEXT MONTH

- Patrol is continuing to conduct traffic details in problem areas or intersections.
- OT will still be posted for officers lost this month. (Day Shift)

ISSUES AND CONCERNS

- Vehicles are better but still an issue. I know we are getting more but Patrol needs more to fully staff patrol with a good fleet.
- Officer Watkins and Officer Fulkerson are out on on-the job injuries and will not be returning to work with one out for months and waiting on a doctor's visit on the other which way or may not be released, pending outcome of doctor visit.
- Patrol Officer M. Sedillo (4 1/2yr Officer) just resigned in lieu of termination. We still have officers sending out job applications to other agencies due to higher pay. This also brings up issues with promotions especially to Sergeants coming to Patrol with inadequate experience and leadership that we are seeing or the lack of interest in

promotions. Some more senior officers will not promote due to this is a pay cut and more responsibility.

SWAT

Last Month Activity-

Thursday January 30th members of the Roswell SWAT team assisted the FBI with an operation in town. We attempted a takedown on a subject who was coming to meet, what he thought was a 12 year old girl, at a local park. He did not show up but we were able to gather enough information to get charges on the subject.

Training:

On 1-26-25 we held tryouts for the TEMS and Trailer Positions. They went through Pt test, range drills, DPS qualification, basic entry techniques, and scenarios. Barela, Franklin, and Fulkerson got the trailer positions on the team, while Kenny Barncastle and Kyle Wright were selected for TEMS.

Accomplishments- Got all vacant spots filled on trailer and TEMS teams. Team leaders were able to complete ICS 300 for FEMA standards.

Plans for Next Month- Quarterly qualifications and a CYFD civilian active shooter class.

Issues and Concerns- Sgt. Wrenn stepped down so we need to replace him as an operator and sniper.
