CITY OF ROSWELL
RESOLUTION 25-XX

A RESOLUTION REQUIRING THE REMOVAL AND/OR DEMOLITION OF CERTAIN DAMAGED AND DILAPIDATED BUILDINGS, STRUCTURES OR PREMISES; PROVIDING THAT THE CITY SHALL HAVE A LIEN FOR THE COST OF REMOVAL; PRESCRIBING THE PROCEDURE INCIDENT TO SUCH REMOVAL AND/OR DEMOLITION AND DECLARING CERTAIN PROPERTY TO BE IN SUCH STATE OF DISREPAIR, DAMAGE AND DILAPIDATION AS TO CONSTITUTE A DANGEROUS BUILDING AND A PUBLIC NUISANCE PREJUDICIAL TO THE PUBLIC HEALTH, SAFETY AND GENERAL WELFARE.

WHEREAS, it is the opinion of the City Council of the City of Roswell, New Mexico, that those certain buildings or structures upon the premises located as follows and purportedly owned of record, or occupied by the parties hereinafter named, are and have become in such state of disrepair, damage and dilapidation as to be a menace to the public health, safety and general welfare of the inhabitants of the community; and further, that it is in the public interest to require the removal thereof, according to law, by reason of the condition or conditions set forth in Exhibit "A".

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL, THE GOVERNING BODY OF THE CITY OF ROSWELL, NEW MEXICO:

1. That the buildings or structures set forth in Exhibit "A" are declared to be in such state of disrepair, damage and dilapidation as to constitute a dangerous building within the purview of Roswell Municipal code section 16-12, as well as being a public nuisance prejudicial to the public health, safety and general welfare. That such dangerous buildings or structures set forth, if any, cannot reasonably be repaired so that they will no longer exist in violation of the terms of the ordinance.

2. The owners, occupants, if any, or agent in charge of said premises be, and they hereby are ordered and required to remove such dangerous buildings, or structures within a reasonable time thereafter not to exceed fifteen (15) days from the receipt of notice by certified mail or from date of publication of this resolution as hereinafter provided, and as the case may be. In the event such removal be not commenced by such owner, occupant or agent, or written objection thereto be filed with the City Clerk within ten (10) days after service of a copy of this resolution by certified mail or by publication, requesting a hearing, then and in such event, the City Manager is hereby authorized and directed to cause such dangerous buildings or structures to be removed at the sole cost and expense of the owner, owners or other parties having an interest in said properties, and further, that the reasonable cost of such removal shall be and become a subsisting and valid lien against such property so removed and the lot or parcel or land from which such removal was made and shall be foreclosed in the manner provided by law for the foreclosure of municipal liens. Alternatively, the City Manager may act pursuant to Article 3-18-5 (G) (NMSA, 1978), and cause the dangerous buildings or structures to be removed and give title to them or their components to the removing person or persons.

3. In the event the owner or other interested party aggrieved shall file his protest within the time herein provided, requesting a hearing, on the matter, the City Council shall fix a date for hearing, at which time said Protestants shall be entitled to be heard in person, by agent or attorney, and the City Council shall consider evidence whether or not its previous action should be enforced or rescinded. If it shall be determined that the removal order should be enforced, and the owner(s) shall fail or neglect to comply with said decision of the City Council, they shall have a right of appeal to a court of competent jurisdiction by giving notice of such appeal to the City Council within the (10) days after the date of the City Council decision, together with his petition for court review duly filed with the Clerk of the Court within thirty (30) days of the date of the decision complained of.

4. Upon the adoption of this resolution, it shall be the duty of the City Building Inspector to notify the owner, occupant or agent in charge of such building or structure of the adoption of this resolution by serving a copy thereof upon him by certified mail, return receipt requested; and in the event such owner, occupant or agent cannot be found or served within said City as herein above provided, such notice may be served by posting a copy of said resolution upon the premises complained of, followed by legal publication of said resolution one time in a newspaper of general circulation within the city.

ADOPTED, SIGNED AND APPROVED 8th day of May 2025.

SUMMARY

March went by very quickly due to a packed schedule, most of our time has been spent with PR events such as our City staff Fire safety/ Extinguisher class at the, and the Extinguisher class For Avflight. Also time consuming but productive were many of our special event consultations. Our inspection numbers are down from last month however it should be noted that many of these inspections were for large facilities like our hospitals, some at the college and other large structures. Fire investigations were moderate, but Permits were at a high.

ACCOMPLISHMENTS

- Emergency Shift Bid to even out all three shifts.
- Getting more officers who work the airport overtime badged. (Airport Badges per TSA)
- Spring break occurred with local schools with no issues and restarted with no issues.
- Stop Stick annual training was attended by several officers.
- Sergeant promotional process completed with a list of three.

PLANS FOR NEXT MONTH

- Patrol is continuing to conduct traffic details in problem areas and intersections.
- EVOC set for April 9-11 at FLETC.
- Sergeant promotion to help Patrol with a sergeant on active duty being deployed overseas. This sergeant will not return home until February or March of next year.

ISSUES AND CONCERNS

- Patrol Officers are not signing up for overtime details other than Airport detail/chief's overtime. I believe this is due to our very young Division and wanting to have some life after work, not just work, but then again Airport Detail does not require reports and traffic tickets. I believe this is due to low pay and the city not being competitive in pay like other cities/counties or even other states. Officer A. Hunter and Officer J. Hurtado are out on light duty and will not be returning until end of year. Officer Shappard is on FMLA until July.
- Patrol Officer N. Tafoya (2-yr. officer) put in his two weeks' notice and his last day was 3/27/25. Officer C. Dilley (1½-yr officer) has his application in at ECSO waiting for a call on a start date.
- CID will be promoting more than likely a patrol officer to replace Det. Loya due to Sergeant promotion which will bring patrol numbers to only 32 patrol officers working the streets.

- Both of our K9 units are in bad shape. Both units have electrical along with major recalls on engine and transmission. Ford has had one for almost a month and the other unit will go in when it's done for the same things plus, we only have one spare unit that is being shared between the both K9s.

SWAT

Last Month Activity-

No call outs for the month of March

Training: On 3-20-25 we conducted quarterly qualifications with all operators. We also tested new candidates to fill the open operator positions. They were put through stress shooting courses, force-on-force scenarios, and extra PT sessions. After the interviews were done the team voted and Bryan Barela was selected as new operator.

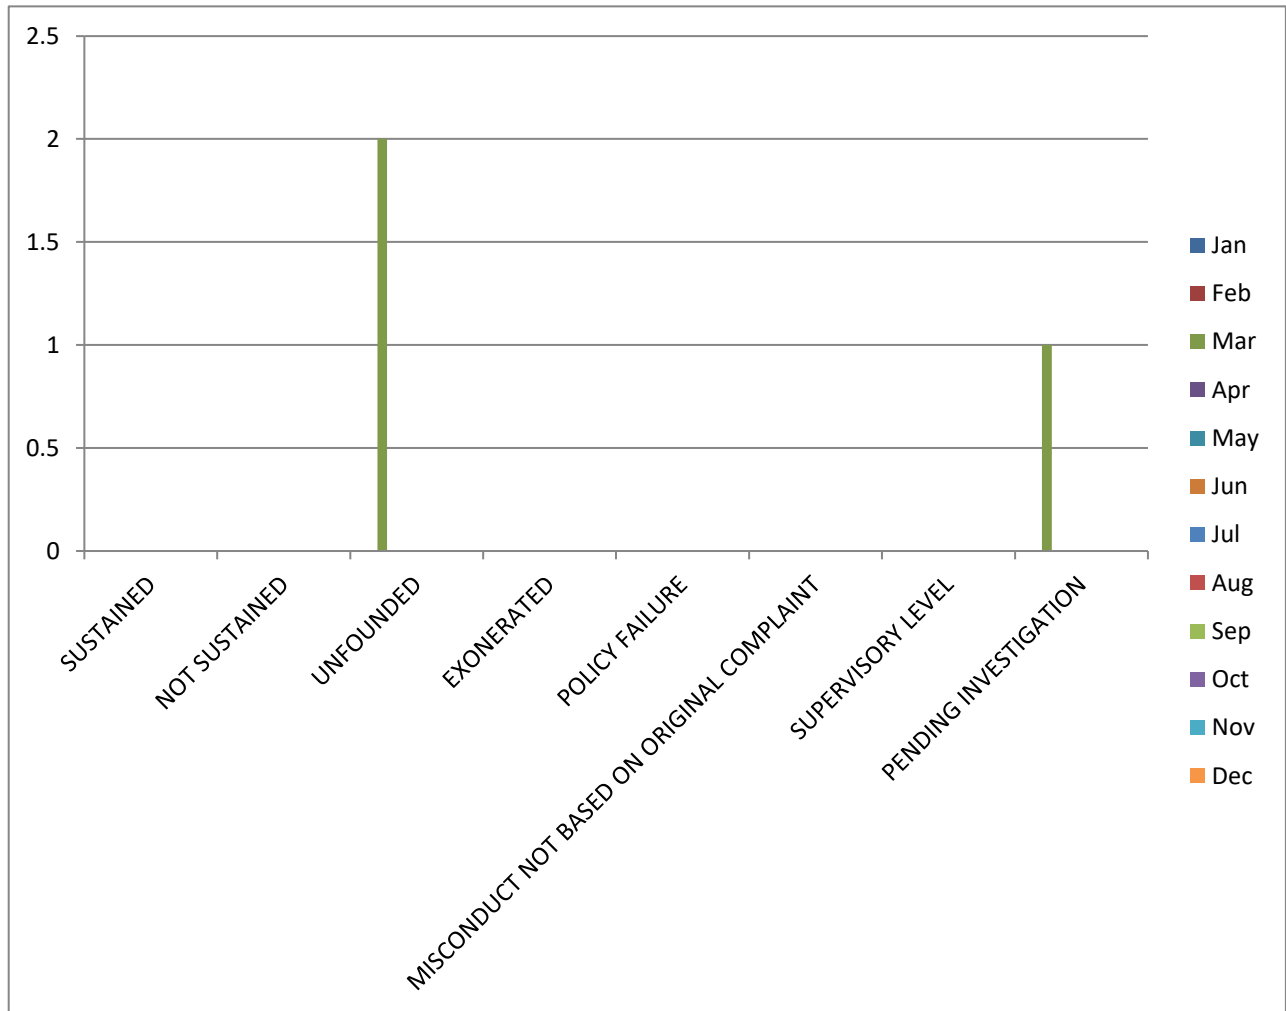

Accomplishments: Bryan Barela was selected as the new operator and Natalie Mendoza was placed on a 6-month list to fill the next opening. TRMR distraction devices came in as well as new robot motors.

Plans for Next Month: Night training and work on shoot house at west lot.

Issues and Concerns: No major issues right now.

DIVISION HIGHLIGHTS

Community Outreach & Neighborhood Watch:

March 5:

Sgt. Trong Nguyen, K9 Officer Flott, Officer Juarez, and Officer Brisco attended Dexter High School's Career Day, where they introduced students to the law enforcement profession. Each officer shared insights into their roles, with Officer Juarez and Officer Brisco discussing their patrol duties and community engagement. K9 Officer Flott demonstrated his partnership with his dog, showcasing how K9 units assist in tasks like drug and search operations. Sgt. Nguyen spoke about leadership in law enforcement and the importance of teamwork.

The officers also displayed their equipment and interacted with students, answering questions and offering advice for those interested in pursuing a career in law enforcement. The event gave students a better understanding of the profession and the dedication required to serve in the field.

March 6:

Officer H. Gonzalez attended the Neighborhood Watch meeting of the 1700 N. Delaware at NMMI's Police Department conference room. Chief Bateman, and two city councilors were also present at this meeting.

March 12:

Officer Gonzalez met with Sandra England, in reference to starting a Neighborhood Watch program in her neighborhood. She was provided with a Neighborhood Watch handbook and information on how to start the program, and she will be setting up date for their Neighborhood Watch meeting.

March 22:

Officer Gonzalez and Officer Morales attended the Touch a Truck event at the library.

March 28:

Officer Kidd, Officer Fontanez, Officer Shappard, TSU Nguyen, and TSU Madrid attended the Youth Challenge 1st Responder Career Day, sharing insights into their roles in law enforcement and public safety.

The event gave cadets a closer look at various careers, from patrol officers to specialized units like the Technical Support Unit (TSU) and SWAT. TSU Nguyen and TSU Madrid explained their work in criminal investigations, similar to CSI roles, such as collecting evidence, analyzing crime scenes, and using

forensic science to solve cases. They demonstrated real-world techniques like fingerprinting and crime scene processing, showing cadets the skills required for investigative work.

Officer Kidd, Officer Fontanez and Officer Shappard discussed the importance of community policing, teamwork, and quick decision-making in their daily work. They also emphasized the need for communication and critical thinking in high-pressure situations.

The event aimed to inspire cadets to consider careers in law enforcement, forensic science, and emergency response, offering them a hands-on look at the work first responders do.

March 28:

Officer Gonzalez visited Senior Circle, where he met with several members and distributed pamphlets on fraud and scam prevention.

Training:

March 17 & March 19:

Sgt. Nguyen instructed a biennial firearm training at NMMI. This is a mandatory training that must be taken every 2 years in order to maintain certification by NMDPS.

Academy:

All 4 police recruits (Mikolas Fuentes, Annalicia Gallegos, Roberto De la Cruz and Gustavo Macias) are still attending the New Mexico Law Enforcement Academy.

Dispatch Montly Report

Consolidated Dispatch Monthly Report

Reporting Period:

- March 2025

Staffing and Training:

- Vacancies at 7, but 2 are administrative positions Alison and Teri have been handling so technically only short 5 dispatchers, if the 3 sent for hearing and drug screen come back hireable
- 2 more in the pipeline being considered
- Higher admin positions are still frozen until floor staff is fortified
- Increased efforts to go to the high schools and work with HR to do a recruitment push
- Still working on the high school program that would give them credit and provide them a basic telecommunicator certificate on graduation that will prepare them better for the job
- 4 Contract dispatchers are on site and working, 1 more coming. They seem to be settling in with some minor issues, mostly due to the task load of the requirements of our agency and radio transmission clarity. Programs and software are being actively pursued that will leverage AI to lesson the task load on dispatchers, particularly in the administrative call-taking area
- Software has been installed at RPD's front desk to allow them to take and complete calls for service without having to transfer to dispatch

Operations

- The concerns relative to radio traffic that have been raised multiple times have been echoed by and are being exacerbated with the arrival of the traveling dispatchers. Misunderstood radio transmissions, transmissions that do not come across, and radio transmissions that cover others are a significant source of stress, delay, and error. Granted, there are some radio issues that Code 3 is working through, these are a very small percentage of the problem. In observation, the majority of the issue is complacency. Front and rear clipping is a significant issue. Unclear locations and slurred numbers and letters are an issue. Not giving spellings on names when uncommon is an issue. Consistent audio volume during entire transmissions is an issue. Speaking too quickly is an issue. These are not radio system failures, these are user errors. The dispatchers are fast on data entry, running information, and providing returns *provided* they understand the information given. Please stress to all field responders that they need to be intentional about their radio traffic. This is a sincere plea for the assistance of the command staffs of our partner agencies to impress and enforce good radio practice to ensure responder safety as well as we possibly can. **Articulate, exaggerate, enunciate.**

Equipment/Software

Still waiting on dispatch radio console equipment that has been ordered “Big Mo”, the State’s Mobile Command Post has been officially requested to support tactical dispatching during the Roswell Air Races in September. Carly Huffman with Bernalillo County who oversees communications for the Balloon Festival has volunteered to assist in the event.

- A request is being made to hold over the Capital CAD Upgrade project into FY2026. With the devastation of the flood and the priority of the radio console system, it is going to be impossible to complete the project before June 30.
- An additional capital request is being made to include the RMS side with the CAD upgrade in the coming fiscal year. The overall project will be much better to be done as a complete system in its entirety at implementation, particularly with the move to the new dispatch center, rather than as the planned hybrid model.
- A capital request has been made at the direction of NM 911 Bureau for Prepared911 Assistive Call-taking and Automated QA software. This support software is being supported and sponsored by NMDFA for the state PSAPs and as such are expected to be implemented via reimbursable grants. Prepared911 Assistive Call-taking uses AI-powered transcription, translation, and data capture to streamline and support call-takers in real time, automatically transcribing calls, translating non-English languages in real time, and flagging critical keywords from a call while providing actionable call summarization.

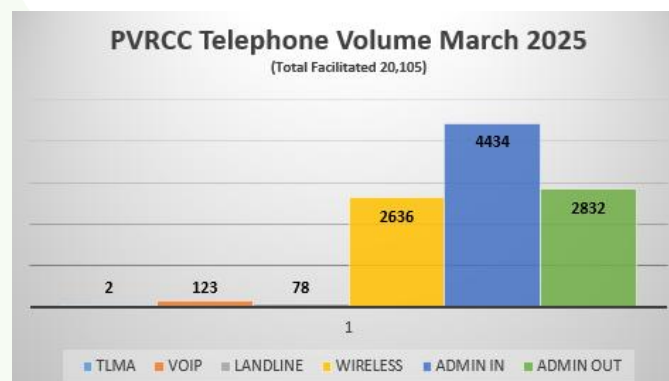

Facility

- No significant concerns relative to facility
- Comprehensive update provided to Director and City IT relative to Area D project. Tours will be available after the completion of ceiling installation that is being conducted at this time.

AMR Roswell Monthly Report

April 2025

System status report as of March 31, 2025:

- **37 Personnel**
 - 29 Full Time
 - 12 Paramedics
 - 12 EMT-Intermediate
 - 5 EMT-Basics
 - 8 Part Time
 - 5 Paramedics
 - 2 EMT-Intermediate
 - 1 EMT-Basics

Currently we have 2 RFD personnel (2 AEMT) working part time.

We are sponsoring 2 employees for license upgrades, 2 in the paramedic program

We have 5 fulltime employees that have graduated from the AEMT program at ENMU-R and are taking their NREMT Exam.

We are actively recruiting for open positions and currently have 2 EMTs starting orientation this month.

- **5 Ambulances staffed daily.**
 - 4 – 24 hour ALS
 - 1 – 12 hour 0900-2100 ALS (AEMT)
 - Total of 108 Unit Hours Daily
- **1 Ambulance staffed as needed.**
 - 1 – 12 hour 0800-2000 BLS/ALS for LDT's
 - Total of 12 Unit Hours Daily

AMR continues to staff in 3 posting stations, our main Country Club station, RFD station 1, and RFD station 5 staffed and in full operations aiding in efficient response times.

EMD priority dispatching, ProQA has had a large impact on response times. We have received multiple EMS only non-emergent calls for service. This Month we have responded to 191 EMS only calls.

Code 3 Compliance-Roswell NM

Excludes EMS Approved Exemptions

Responses between 3/1/2025 and 3/31/2025

Response Zone	Unit Number	Total Responses	Total Transports	Total Lates	Compliance Percent
⊕ NM Roswell		472	315	73	84.53%
⊕ NM Chavez County		50	32	0	100.00%

We did see an increase in EMS only responses. In our continued QI process, we have noted an increase in crew delays and have reemphasized to our teams the importance of a timely response to all calls for service and we are committed to monitoring our response times.

We have submitted our Advanced EMT Special Skills renewal to the state Medical Direction Committee (MDC) for the June 6th meeting. AMR's Special Skills continue to raise the bar and bring an advanced level of care to the community of Roswell and Chaves County. We take great pride in our continued development and our commitment to providing high quality patient care.

We continue to partner with local our hospitals as active members of the Chest Pain / Stroke Committee and Multidisciplinary Trauma Committee and continue to host teams from RFD and Chaves County EMS with joint training to aid in the development of a better EMS System in Roswell and Chaves County.

Ongoing support with community events with the schools for career days as well as providing standby service when needed. Supported a great turn out at the ENMU-R Airway Hell Day, where all the EMS students took part in real life high stress scenarios that stimulate critical thinking. Hosted an EMS career event at the New Mexico Youth challenge with a great group of kids. We have made plans to have a booth in this year's Chaves County Health Expo.

AMR is dedicated to the community that we serve in and wants this committee to know that we are here to serve them.
