DRAFT SCOPE OF WORK

PURPOSE OF THIS REQUEST FOR PROPOSAL

The City of Roswell is seeking qualified veterinary service providers to deliver a range of veterinary services in support of the animals under the care of Roswell Animal Control. Qualified offerors will be considered for a multi-source award to help ensure the continued health and welfare of the animals. The City invites interested providers to submit proposals for consideration.

BACKGROUND

The City of Roswell Animal Services is responsible for managing stray, abandoned, and impounded animals within the city limits. Additionally, Animal Services plays a vital role in facilitating pet adoptions and reclaims, offering citizens and rescue organizations opportunities to adopt or reclaim dogs and cats.

SCOPE OF WORK

The eligible veterinary service provider may be requested to deliver a range of essential services to the City of Roswell Animal Services, including sterilization (spay/neuter) services, vaccination services, euthanasia services, general veterinary care, and emergency veterinary services. Additionally, the provider will be expected to ensure compliance with all relevant regulations and standards. The awarded offeror(s) may also be tasked with supplying medications and medical supplies on an “as needed” basis, ensuring that all medications and supplies meet regulatory requirements and are available to address the needs of the animals under the care of Animal Services. We did see a decrease in EMS only responses. In our continued QI process, we addressed an increase in crew delays and have reemphasized to our teams the importance of a timely response to all calls for service. We are seeing the response times become quicker and return to a more acceptable response. We are committed to monitoring our response times.

We have submitted our Advanced EMT Special Skills renewal to the state Medical Direction Committee (MDC) for the June 6th meeting. AMR's Special Skills continue to raise the bar and bring an advanced level of care to the community of Roswell and Chaves County. We take great pride in our continued development and our commitment to providing high quality patient care.

We continue to partner with our local hospitals as active members of the Chest Pain / Stroke Committee and Multidisciplinary Trauma Committee and continue to host teams from RFD and Chaves County EMS with joint training to aid in the development of a better EMS System in Roswell and Chaves County.

Ongoing support with community events with the schools for career days as well as providing standby service when needed. Supported a great turn out at the ENMU-R Airway Hell Day, where all the EMS students took part in real life high stress scenarios that stimulate critical thinking. Hosted an EMS career event at the New Mexico Youth challenge with a great group of kids. We hosted a booth at the EMS Region 3 Conference in Ruidoso April 24 -27 spending time networking with agencies in SE New Mexico and spending some time recruiting. We have made plans to have a booth at this year's Chaves County Health Expo.

AMR is dedicated to the community that we serve in and wants this committee to know that we are here to serve them.

- 9 Patrol Officers completed a 3-day EVOC Class at FLETC.
- SROs completed both RHS & GHS prom with no issues.
- Patrol Officers assisted Easter Egg Hunt the city put on, as well as Church On The Move.

- A class of 12 Patrol Officers will be attending a 3-day EVOC Class at FLETC.
- SROs will be conducting a Junior Police Academy at NMML.
- 4 Officers will graduate from the academy in Santa Fe.

ISSUES AND CONCERNS

- Lost Officer B. Speights to termination with a possible 2 more this month. Patrol has 1 officer on FMLA and 2 on Light Duty which will turn into FMLA this month. Patrol lost

another Officer to CID. We will not have one Sergeant until he gets back from deployment next year. We have 6 officers that are in National Guard, Reserve or Air National Guard so we are always missing these officers when they are in training. We will have four officers graduating this month, but only one is ready for the streets and the other three still have 2 to 3 phases until they will be released on their own sometime in the next 3 months. This puts Traffic Unit down 2 officers.

Detective Rullan submitted a proposal for a crime-suppression detail that would be 6 days a month for the months of April, May and June. For the month of April, the detail was successful and resulted in numerous arrests as well as a response to a shooting which CID worked right away.

Detective Loya was promoted to Sergeant, so CID held a promotional process to fill that vacancy on April 15. Officer Logan Franklin finished first in the process and was promoted to Detective on April 18.

Wednesday 4-9-2025

Det. Ness obtained a search warrant for 3110 N. Montana in reference to an embezzlement. The GHS Football Booster Club had all of the funds embezzled by its members with the main offender being Manuel Payne, the president.

Det. Ness obtained a search warrant for a vehicle for a credit card fraud case.

Tuesday 4-15-2025

Det. Ness obtained two cell phone search warrants for the above-mentioned fraud and embezzlement cases.

Thursday 4-17-2025

Det. Ness obtained an arrest warrant for Cimarinda Baca for Embezzlement over \$2,500 and also obtained an arrest warrant for Manuel Payne for Embezzlement over \$20,000. These were the two members of the GHS Football Booster Club believed to have embezzled all of the money over the course of several months.

Saturday 4-19-2025

While working a crime-suppression detail, officers and detectives responded to 1100 W. 2nd for a shooting. The victim, Jacob Gonzales, had been struck by gunfire at least two times. He initially told detectives he did not wish to press charges. However, Mr. Gonzales condition was critical, so the incident was worked as though it would be a homicide just in case. Det. Franklin obtained several search warrants for this case including one for 1206 N. Union. George Alley was one of the other subjects involved in the shooting and that is his residence. Mr. Gonzalez was intubated for several days, but has recently become alert and conscious. This incident is still under investigation. Most likely, charges will be brought against both subjects.

Tuesday 4-22-2025

Det. Barrientos obtained a search warrant for a vehicle as part of a narcotics investigation stemming from the crime-suppression detail.

Thursday 4-24-2025

Detectives Barrientos, Rullan, Duran and Ness were able to figure out that Carlos Archuleta was responsible for a recent criminal-damage incident, as well as possibly being involved in several other burglaries that were not assigned to CID. Det. Barrientos obtained a search warrant for 505 E. 4th. During the search warrant, several stolen items were recovered. Det. Ness obtained an arrest warrant for Carlos Archuleta for Burglary, Theft of a Credit Card, Larceny over \$500, Remote Financial Services Act Violation, and Conspiracy to Commit Burglary. It was determined that Christina Archuleta was also involved, so she was charged with all of the same charges that Carlos Archuleta was charged with.

SUMMARY

April had a pretty even distribution of activities with numerous PR events like consultations, smoke detector installs, and fire extinguisher trainings. Our inspection numbers are way up from last month and many of these inspections were again for large facilities like our hospitals, some at the NIMMI campus and other large structures. Fire investigations were moderate, as well as permits.
