ACCOMPLISHMENTS

- Shift Bid with completed no issues.
- Junior Police Academy was completed and was a success.
- Courtroom testimony class was completed with all new certified officers.
- Several officers went to the new IR9000 classes.

PLANS FOR NEXT MONTH

- All 4 SROs attending NASRO training.
- All four SROs are preparing for new school year upon returning from NASRO.
- Patrol is continuing to conduct traffic details in problem areas and intersections.
- National Night Out in August.
- Getting new certified officers off of FTO. (4)
- Continue to send officers to the new IR9000 classes.

ISSUES AND CONCERNS

- We are losing officers to other agencies and some are leaving law enforcement entirely due to low pay. Det. Rullan put in his two weeks' notice, along with Det. M. Fuentes, both getting out of law enforcement. I have one Traffic Officer (recon certified) and two

other Patrol Officers have told me they have their applications out to NMSP with rumor of possibly 4 others. I have one with an application to Texas DPS and another to Grand Prairie, TX, and Mesa, AZ. This does not include Recruiting Officer D. Kidd who just left us. We also have 2 officers out on FMLA, one Sergeant overseas on active duty, one Patrol Officer with a broken hand, one Patrol Officer out on medical leave, one Patrol Sergeant has his application to FLETC, two other Detectives have applications to HSI (in background) and 3 certified officers who just graduated are still not released on their own. Patrol cannot sustain these losses and continue to fill other positions.

- K9s are still having issues with their K9 units. Most of it is electrical, but some are issues with the engine/transmission. There has been recalls on them but they are taken in and drive fine for a while and go back to doing the same thing.

SWAT

Last Month Activity-

On June 5, the team was activated in reference to a female suspect barricading after fleeing from an attempted takedown by SID. Officers located the suspect in the attic and conducted negotiations for almost an hour before she fell through the roof and was taken into custody. A handgun was recovered from the attic and SID charged her with several felonies.

Training:

On June 19, the entire team conducted training. This included negotiators, trailers and snipers. Briefings on responding to an active callout and operations planning were conducted. A small group of the team broke off to attend the Junior Police Academy for a SWAT demonstration. After lunch, a full callout scenario was put on by Lt. Craine and Sgt. Wrenn to test the team's capabilities. All members participated to include a heavy portion working on negotiations procedures.

Accomplishments: Barleen, Wentland and Santillan completed FEMA ICS-400 in Las Cruces.

Plans for Next Month: Officer Willis will complete his PT Test and firearms qualification to fill an open Operator position. The office area of the SWAT building at the West Lot has been renovated and will need to be moved into.

Issues and Concerns: Nothing major.

Community Outreach & Neighborhood Watch:

June 5

I, Officer Gonzalez, attended a Neighborhood Watch meeting with residents of the 1700 block of North Delaware. During the meeting, I gathered a list of residences that have been identified as ongoing nuisances in the area. Working in collaboration with the residents and City Council Member Chris Cortez, we will be developing an action plan to address these concerns. The plan, along with the list, will be presented to the mayor, as requested.

June 6

Our department recently hosted a Courtroom Testimony Training for all new hires who have joined us over the past year. This training was designed to provide foundational knowledge and practical skills related to testifying in court, as well as to offer a clear understanding of how the court system operates.

Participants learned about courtroom procedures, the expectations of professional testimony, and strategies for effectively communicating their observations and findings in a legal setting. This initiative ensures that our staff are well-prepared and confident when called upon to testify, supporting the integrity and effectiveness of our work.

June 9-12; June 16-19

Sgt. Nguyen and Officer Fontanez, along with other SWAT members, assisted the SROs with the scenario-based training for the Junior Police Academy and spoke to the participants about the role and responsibilities of our SWAT team. (Photo below)

June 17 & 20

Annual/Biennium Training conducted at NMML. These trainings are mandatory in order for officers to maintain their certifications.

June 23-26

Sgt. Nguyen, Officer Hugo Gonzalez, and recruit officers began preparations for National Night Out by reaching out to local businesses in Roswell to request donations and support for the event.
