Actively recruiting, we have 3 Paramedic candidates.

- **5 Ambulances staffed daily.**
 - 4 – 24 hour ALS
 - 1 – 12 hour 0900-2100 ALS (AEMT)
 - Total of 108 Unit Hours Daily
- **1 Ambulance staffed as needed.**
 - 1 – 12 hour 0800-2000 BLS/ALS for LDT's
 - Total of 12 Unit Hours Daily

AMR continues to staff in 3 posting stations, our main Country Club station, RFD station 1, and RFD station 5 staffed and in full operations aiding in efficient response times.

EMD priority dispatching, ProQA has had a large impact on response times. We have received multiple EMS only non-emergent calls for service. **This month we have responded to 136 EMS only calls.**

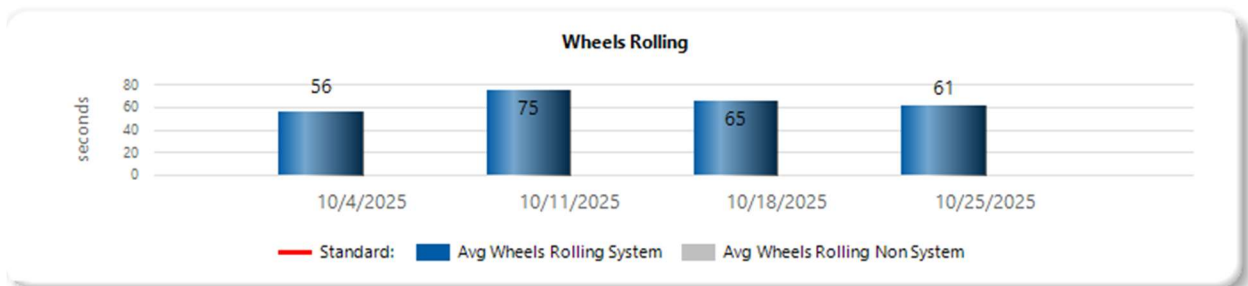

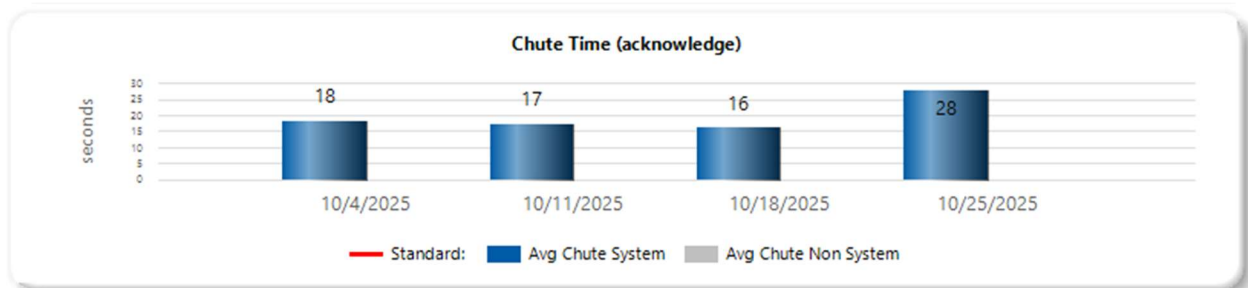

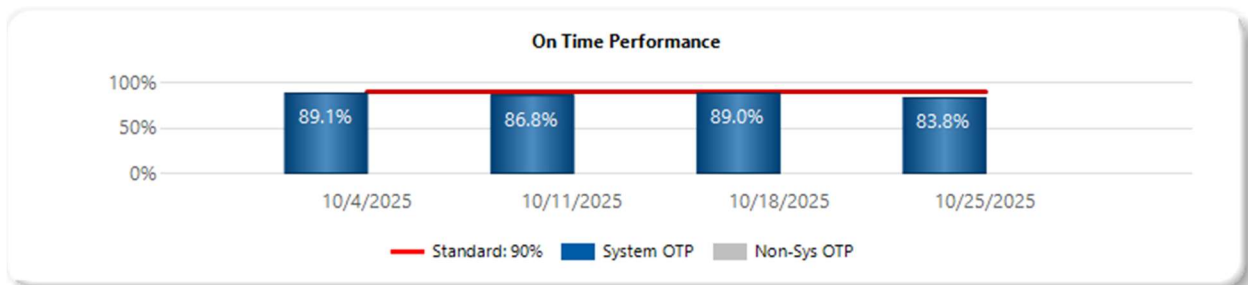

There was a decrease in total call volume this month including EMS only responses. In our continued QI process, we continue to see an increase in response times and have reemphasized to our teams the importance of a timely response to all calls for service. We are seeing the response times become quicker with out of the chute times less than 20 seconds and wheels rolling in under 1 minute.

We are continuing to train and improve on our Special Skills. All our Paramedics are certified in RSI and Finger Thoracostomy for Advanced Airway Management in critically ill patients as well as advanced level medications in addition to the regular scope of practice. AMR Advanced EMTs are certified in ACLS with Advanced Cardiac Monitoring with 12 Lead ECG Interpretation and Benzodiazepines for Seizures and Agitated patients. At the September 5th meeting our Special Skills were renewed for another year with Gold Star reviews from the state Medical Director. AMR's Special Skills continue to raise the bar and bring an advanced level of care to the community of Roswell and Chaves County. We take great pride in our continued development and our commitment to providing high quality patient care.

We are proud of our very successful education program and continue training local employees that work and live in the Roswell community. Currently we are sponsoring 5 employees in the paramedic program, 2 who will graduate this fall and 1 attending Advanced EMT. To date we have trained nearly 20 employees in successfully advancing their licensure level.

We continue to partner with our local hospitals as active members of the Chest Pain / Stroke Committee and Multidisciplinary Trauma Committee and were recognized by the American College of Cardiology as an **EMS Partner in Care** with ENMMC. We continue to host teams from RFD and Chaves County EMS with joint training to aid in the development of a better EMS System in Roswell and Chaves County.

Ongoing support with community events with the schools for career days as well as providing standby service when needed.

AMR is dedicated to the community that we serve in and wants this committee to know that we are here to serve them.
