3.02 If Lessee fails to pay all rent and other fees due for any month by the tenth calendar day of the month that said rent and fees are due, Lessee shall pay to City an additional 2% finance charge, as a penalty, each month until the full amount of that month's rent is paid. This penalty shall be immediately payable without limiting City in the exercise of any other right or remedy to which it may be entitled by reason of Lessee's failure to pay rent when due. All rent shall be paid to City without abatement, deduction or setoff of any kind except as herein specifically provided.

Upon termination or expiration of this Lease, the security deposit shall first be applied to necessary cleaning and removal, repairs, and the remaining balance, if any, may then be applied to rental and penalties then owing to City. Any refund of the security deposit due Lessee will be delivered or mailed within 60 days after the termination of this Lease.

ARTICLE 5 – CONDITION OF LEASED PREMISES

Lessee is reasonably familiar with the Leased Premises and accepts Leased Premises in its present condition "as is". Lessee acknowledges that any requirements for accessibility and/or public accommodation(s) are Lessee's responsibility. The Parties recognize and acknowledge that no environmental inspection of the Leased Premises has been undertaken and Lessee in no way assumes any responsibility or liability for any unseen or unknown environmental conditions that may exist. Lessee agrees that, at the expiration of the term hereof, it shall yield up and deliver the Leased Premises to City in as good repair and condition as when received, ordinary wear and tear excepted.

ARTICLE 6 – PURPOSE AND USE OF THE LEASED PREMISES

The City shall not be liable to Lessee or any Sublessee for any actual or alleged cost or loss, including, but not limited to, any actual or alleged loss of revenue or goodwill, caused by, resulting from, arising out of, relating to, or in connection or conjunction with such special events. The City shall make reasonable efforts to conduct any and all Special Events so as to minimize adverse effects upon Lessee and the Leased Premises and will not infringe upon the Lessee's leasehold interests contemplated or granted herein without good cause or otherwise directed by governmental agencies authorized to regulate such Special Events.

Lessee shall also comply with all applicable federal, state, and local laws, ordinances, regulations, codes, and requirements relating to the Leased Premises, including, without limitation, all applicable fire, life-safety, building, and fire prevention codes. The obligations in this paragraph shall bind lessee only to the extent governmental requirements do not frustrate the purpose of this agreement. City will not be under any obligation to operate or maintain the Leased Premises during the Lease Period, other than its responsibility to provide and maintain utilities for utility services it provides to the Leased Premises.

b. Lessee shall keep the Leased Premises and any improvements thereon clean, orderly, and free from debris at all times in accordance with Roswell Air Center's (RAC) Minimum Standards and RAC Rules and Regulations, as written and amended. Lessee shall leave the Leased Premises in a broom-clean condition and shall remove all trash, debris, equipment, materials, and personal property not otherwise permitted to remain on the Premises.

c. City shall be the sole and reasonable judge of the quality of exterior maintenance and, upon written notice by City to Lessee, Lessee shall be required to perform whatever maintenance City deems reasonably necessary, provided, however, such maintenance shall be consistent in quality with the level of maintenance provided by the City over the last 20 years and of that required of other City Lessees in comparable facilities.

d. Lessee shall not make any exterior alterations to the Lease Premises or improvement placed thereon without prior written approval by City. City's approval to make alterations shall not be unreasonably withheld. City hereby pre-approves any alterations or improvements necessary to ensure the safe occupancy of any structures placed on the Leased Premises.

6.04 HAZARDOUS MATERIALS. Both parties shall conduct all of its activities: (a) in compliance with all applicable environmental laws, rules and regulations and any other applicable laws and regulations applicable to the Lessee's use of the Leased Premises.

a. **Spill Reporting; Cure Period.** Without limiting the foregoing, if either Lessee or its agents, employees invitees, or contractors should in any manner, leak, discharge, spill or release hazardous materials, including but not limited to fuel, oil, petroleum products, cleaning solvents, degreasers, deicing chemicals, or other fluids upon the Leased Premises, Lessee shall promptly notify Lessor in writing of any spill, release, discharge, or leakage of any hazardous, regulated, or contaminating substance on, under, or about the Premises, regardless of quantity. Upon notice from Lessor of any violation arising from such spill, release, discharge, or leakage, Lessee shall have sixty (60) days after receipt of written notice from Lessor to cure the violation and remediate the condition to the extent required by applicable law. Failure to cure within such sixty (60)-day period shall constitute an Event of Default under this Lease, unless such cure cannot reasonably be completed within a period.

b. In addition to all other indemnities provided in this Lease, Lessee agrees to defend, indemnify, and hold the City free and harmless from any and all claims, causes of action, regulatory demands, liabilities, fines, penalties, losses, and expenses, including without limitation cleanup or other remedial costs and including reasonable attorneys' fees, costs and all other reasonable litigation expenses when incurred and whether incurred in defense of actual litigation or in reasonable anticipation of litigation), arising from the generation, manufacture, processing, use, release or other spills or leaks of chemicals and products that are or may become hazardous materials, the existence or discovery of any hazardous materials in excess of the levels allowed by all applicable environmental laws or violations of applicable environmental laws on the Leased Premises, the subsurface or the migration of any hazardous material from the Leased Premises to other properties or into the surrounding environment, in each case caused by the Lessee or its operations whether: (a) made, commenced or incurred during the Lease Period; or (b) made, commenced or incurred after the expiration or termination of this Lease arising out of events occurring during the Lease Period; provided, however, Lessee's obligation to indemnify the City pursuant to this paragraph shall not apply with respect to either: (a) any hazardous material released by the City; or (b) any hazardous material (for which Lessee is not otherwise responsible) clearly demonstrated to have existed prior to this Lease or be migrating onto the Leased Premises from some other location through no fault of Lessee.

c. If there is a violation of any environmental laws concerning the presence, use, generation, storage or other management of hazardous materials, the Party causing the presence, use, generation, storage or other management of the hazardous materials shall at its cost promptly take such action as is necessary to mitigate and correct the violation.

d. The foregoing indemnity shall survive the expiration or earlier termination of this Lease and will not be affected in any way by the amount of or the absence in any case of covering insurance or the failure or refusal of any insurance carrier to perform any obligation on its part under insurance policies affecting the Leased Premises. In addition, Lessee shall be responsible

for any environmental cost associated with negligence or willful acts or omission by Lessee, and notifications to appropriate regulatory agencies arising there from.

e. Lessee may relinquish this Lease in the event that occupancy is known to be or suspected of being hazardous to occupants' health or safety.

ARTICLE 7 – UTILITY AND OTHER CHARGES

In addition to all rent payable by the Lessee under Article 3, above, during the term hereof, Lessee shall pay all taxes, licenses, charges, fees or assessments levied or to be levied upon personal-property, fixtures or equipment placed by Lessee upon the Leased Premises, and insurance, of whatsoever kind or nature, incident to or arising out of the conduct of Lessee's occupation of the Leased Premises. The City shall not impose any tax, license charge, fee or assessment upon occupation of the Leased Premises that is not universally imposed on all other leased property at the Roswell Air Center. Failure to have an appropriate current license or permit for Lessee's conduct of business, if required, shall be a breach of this Lease. Lessee will promptly pay all utilities and other charges on the Leased Premises, including electric, gas, water, garbage, sewage, telephone, internet, all maintenance and operating costs and other services which may be incurred in connection with Lessee's use of the Leased Premises, and save harmless City therefrom. The City is not responsible for any payments that may be associated with any demolition or construction of any improvements or infrastructure.

ARTICLE 8 – LIEN

To secure the payment of any rent amount that becomes due, and to satisfy all reasonable costs incurred by City in recovering said rent amount, City shall have a first and prior lien on any and all improvements, fixtures, and equipment placed on the Leased Premises, owned by Lessee.

ARTICLE 9 – PERSONAL PROPERTY

All personal property and fixtures of Lessee in or on the Leased Premises shall be kept at the sole risk of Lessee, and City shall not be liable for any damage thereto or to Leased Premises or to Lessee for interruption of business or otherwise. Lessee hereby waives all causes or rights of recovery against City, its agents, employees, invitees and tenants for any loss to such personal property and fixtures on the Leased Premises or to consequential loss arising therefrom caused by fire or other casualty, except where any such loss, damage or casualty is caused by the City or its agents, officers, contractors or employees.

ARTICLE 10 – IMPROVEMENTS

10.01 The Leased Premises include improvements, including but not limited to existing infrastructure and building currently used for Aeronautical purposes. Lessee may use the existing improvements or remove existing improvements, subject to prior written approval by City which

shall not unreasonably be withheld provided such proposed improvements conform with RAC minimum standards and RAC rules and regulations. In addition, Lessee may place the following improvements on the Leased Premises:

Specific improvements to the Leased Premises are subject to City's prior written approval.

10.02 Equipment. Except as otherwise provided herein, Lessee shall have the right to install such equipment as may be necessary to conduct of its business on the Leased Premises; and at the expiration or termination of the Lease, Lessee shall have the right to remove all of such equipment installed by Lessee that is removable without damage to the Leased Premises.

10.03 Signs And Advertising. Lessee shall not erect, maintain, or display any signs or other advertising at or on the Leased Premises without first obtaining the written approval of City, such approval not to be unreasonably withheld.

ARTICLE 11 – RELINQUISHMENT

Lessee, if not in default under the Lease, may at any time apply to relinquish the Lease to City and be relieved of further obligations under the lease, provided, however, such relinquishment shall not be valid or effective until approved in writing by City. Lessee must file an application to relinquish the Lease at least one hundred eighty (180) days prior to the date on which the Lessee requests the relinquishment to go into effect. City may condition relinquishment on any terms it deems reasonable. Upon relinquishment, Lessee shall not be entitled to the refund of any rent previously paid.

ARTICLE 12 – ASSIGNMENT

Lessee shall not assign this Lease, any part thereof, or assign any improvements located on the Leased Premises without the prior written amendment of this Lease pursuant to Article[CJNM1] 22 hereof to permit such assignment. Any lease assignment without lease amendment shall be null and void.

ARTICLE 13 – SUBLEASE

Lessee may sublease all or any portion of the rights granted hereunder, the Leased Premises, or any improvements located on the Leased Premises without the prior approval of the City. Any sublease shall be subject to all applicable provisions of this Lease, as well as the Roswell Air Center's ("RAC") Minimum Standards and RAC Rules and Regulations, as written and amended from time to time. Lessee shall remain fully responsible and liable for the performance of all obligations under this Lease, and no sublease shall release or diminish Lessee's duties or liabilities hereunder. Each sublessee shall comply with all applicable federal, state, and local laws, and all RAC Minimum Standards and RAC Rules and Regulations.

ARTICLE 14 – COLLATERAL ASSIGNMENT

Any attempt to collaterally assign or leasehold mortgage Lessee's interest in this Lease, or in any Improvements, is void and will not vest the purported Lender with any right, title, interest, claim or privilege with respect to this Lease or Improvements absent prior approval in writing by City.

ARTICLE 15 – WAIVER

No employee or agent of City has the power, right, or authority to orally waive any of the terms, conditions, or covenants hereof, and no waiver by City of any of the terms, conditions, or covenants hereof shall be effective unless in writing and executed by City. City's waiver of Lessee's breach or default of any of the terms, conditions, or covenants hereof shall not constitute or be construed as a waiver of any other or subsequent breach or default by Lessee. The failure of City to enforce at any time any of the terms, conditions or covenants hereof or to exercise any option herein provided, or to require at any time performance by Lessee of any of the terms, conditions, or covenants hereof shall not constitute or be construed to be a waiver of such terms, conditions, or covenants, nor shall it affect the validity of this Lease or any part thereof, or City's right to thereafter enforce each and every such term, condition, and covenant.

ARTICLE 16 – WAIVER, RELEASE AND PROTECTION OF THE LEASED PREMISES

Lessee is leasing the Leased Premises based on Lessee's own inspection and investigation of and judgment regarding the Leased Premises. City makes no warranties or representations of any kind or nature with regard to the Leased Premises or with regard to this transaction.

If accidental discharge, release, spill, or fire or any other event having environmental consequence occurs, Lessee agrees to provide notice to City at the same time and in the same manner as Lessee is required to provide to the federal, state or local agency having responsibility for enforcing compliance with environmental laws, regulations and policy. Lessee agrees that, upon request by City, City shall have access to all reports, documents, test data, and all other materials provided by City to or received by Lessee from a governmental agency having responsibility for enforcing compliance with environmental or other laws.

In the event City is required to incur any cost or expense to enforce the provisions of this lease, including but not limited to consultants, engineers, soil, air or water sampling and attorneys' fees and costs, Lessee shall be liable for and reimburse City for said costs and expenses, unless due to the gross negligence of an employee, agent or contractor of the City.

ARTICLE 17 – LIABILITY; INDEMNIFICATION; INSURANCE.

17.01 LIABILITY. City shall not be liable to Lessee or to Lessee's employees, customers, visitors or any other person or entity for any death or injury or damage to person or property arising from any cause whatsoever which shall occur in any manner in or about the Leased Premises in connection with or arising out of Lessee's operations and use of the Leased Premises.

17.02 INDEMNIFICATION. Lessee shall, upon demand by City, defend with counsel acceptable to the City, indemnify, and hold harmless the City, its elected and appointed officials, officers and City's employees, agents, and contractors, in their official capacities, from any and all liabilities, claims, losses, damages, or expenses, including but not limited to reasonable attorneys' fees, loss of land value, third party claims, penalties or removal, remedial or restoration costs arising out of, alleged to arise out of or indirectly connected with the operations hereunder of Lessee or Lessee's employees, agents, contractors, or invitees, the activities of third parties on the Leased Premises, but only as to such operation or omissions that occurred with Lessee's actual knowledge or consent. In the event that any action, suit or proceeding is brought against Lessee, Lessee shall, as soon as practicable but no later than three (3) days after it receives notice thereof, notify the legal counsel of City. This Paragraph shall survive the termination, cancellation or relinquishment of this Lease, and any cause of action of City to enforce this provision shall not be deemed to accrue until City's actual discovery of said liability, claim, loss, damage, or expense.

Lessee further agrees that its obligation to indemnify, defend and hold harmless City shall not be limited to the limits or terms of the liability insurance, required pursuant to this Lease.

Lessee shall not be responsible for the investigation, remediation, or correction of environmental contamination existing on the Leased Premises prior to the commencement of the Lease and not caused, contributed to, exacerbated, released, disturbed, or migrated by any act or omission of Lessee, its employees, agents, contractors, invitees, or affiliates.

17.03 INSURANCE. Lessee shall purchase, or cause to be purchased, and maintain in effect during the Term of this Lease with insurance carriers or risk retention groups authorized to do business in the State of New Mexico and approved by the City, any insurance required by this paragraph. The insurance and additional insured requirements contained in this Lease are considered minimum coverage amounts, and Lessee may elect greater coverage limits than what is specified in this Agreement or as may be required by law. All applicable coverage, unless specified otherwise, shall remain in full force and effect until the expiration, cancellation, or termination of the Agreement and for the subsequent year following the expiration, cancellation, or termination for loss covered by and occurring during the term of the Lease.

A. General Liability Insurance

Lessee shall carry and maintain, at Lessee's cost and expense, a policy of commercial general liability insurance (in the broadest form then available in New Mexico) that names the City as an insured party or additional insured party protecting the City against claims for bodily injury, personal injury, death, and property damage. Such insurance must include coverage for all exposures arising from Lessee's operations, and contractual liability, to protect the Lessee and any additional insured parties from claims for bodily injury, including death, as well as from claims for property damages or loss which may arise from activities, omissions, and operations of the Lessee under the Lease, whether such activities, omissions, and operations be by the Lessee, subcontractor, or by anyone employed by or acting for the benefit of the Lessee in conjunction

with this Lease. Such liability insurance coverage shall also extend to damage, destruction, and injury to City-owned or City-leased property and City personnel, and caused by or resulting from work, acts, operations, or omissions of Lessee.

Such an insurance policy must specifically provide coverage for the City and its employees and agents in minimum amounts of \$2 million dollars (\$2,000,000.00) for damage to or destruction of each legally described real property arising out of a single occurrence; 2 million dollars (\$2,000,000.00) per occurrence for bodily injury, personal injury or death; and \$2 million dollars (\$2,000,000.00) with respect to any one occurrence. Higher coverage for the City may be reasonably required by the City from time to time, including but not limited to increases needed to provide complete coverage for City's maximum liability under the New Mexico Tort Claims Act, NMSA 1978 § 41-4-1 et seq., and New Mexico Civil Rights Act, NMSA 1978 § 41-4A-1 et seq. City shall have no liability for premiums charged for such coverage, and inclusion of City as an insured party is not intended to, and shall not make City a partner or joint ventures with Lessee in its operations.

The above required liability limits can be a combination of Primary Limits and Excess Liability/Umbrella limits. For example, certificates or policies stating that the insurer shall "endeavor to notify" and that "failure to give such notice imposes no obligation" on the insurer are unacceptable to City. Lessee has submitted a proposed policy for review that the City finds acceptable. Failure to comply with the insurance specifications in this Lease is a material breach of the Lease. Different types of required insurance may be written in one or more policies.

In the event of any cancellation of any insurance coverage required by or on behalf of Lessee pursuant to this Lease, whether it be for non-payment of premium or for other than non-payment of premium, or in the event of any adverse, material change of any insurance required by this Lease, effected by the insurance carrier providing such coverage, Lessee must email a copy of the cancellation notice or notice of adverse, material change to City's legal counsel and mail a copy to the address below no later than three (3) business days after the receipt of a cancellation notice or a notice of adverse material change.

Landlord reserves the right to take any action it considers necessary to protect the aerial approaches to the ROW's airport against obstruction, and together with the right to prevent Tenant from erecting or permitting to be erected any building or other structure on the Premises which, in the opinion of Landlord, would limit the usefulness of the airport or constitute a hazard to aircraft or conflict with a current restriction or master plan.

The Parties acknowledge that the building, in its existing configuration as of the Effective Date, is not currently identified by the City as a hazard or obstruction to airport operations. Notwithstanding the foregoing, nothing herein shall be construed as limiting the City's authority to address future safety, operational, regulatory, or airport development requirements, including any requirements imposed by applicable law, governmental authority, or aviation regulatory agency. Any replacement structure shall be subject to the City's prior approval and all applicable laws, regulations, and airport requirements.

ARTICLE 19 – DEFAULT AND CANCELLATION

In the event of a breach of the terms of this Lease by either Party, both Parties, shall have all remedies available at law or equity. The Lessee upon written permission from City may sell the building. The City's approval of a sell shall not be unreasonably withheld.

Lessee agrees to protect the Leased Premises from waste or trespass. Lessee's compliance with all laws, regulations, and policies shall be at its own expense.

ARTICLE 22 – SCOPE OF AGREEMENT

This Lease incorporates all the agreements, covenants, and understandings between City and Lessee concerning the subject matter hereof, and all such agreements, covenants, and understandings are merged into this Lease. No prior agreement or understanding between City and Lessee shall be valid or enforceable unless expressly embodied in this lease.

ARTICLE 23 – AMENDMENT

This Lease shall not be altered, changed, or amended except by an instrument executed by both City and Lessee.

All terms, conditions, and covenants of this Lease and all amendments thereto shall extend to and bind the heirs, successors, and assigns of Lessee and City. There are no third-party beneficiaries of this Lease.

ARTICLE 26 – BANKRUPTCY

If Lessee should be adjudged bankrupt, either voluntarily or involuntarily, City shall have the option to pursue with the Court having jurisdiction all remedies to which City may be entitled in law or equity. In no event shall Lessee's interests in this Lease be deemed to be an asset of Lessee.

ARTICLE 27 -- HOLDOVER
